

## 2017 Coach Reaccreditation Process

A coach is eligible to reaccredit at their current accreditation level if their previous accreditation expired.

The below is an overview of the reaccreditation process;

1. The coach fills out the 2017 Coach Reaccreditation Form. The form can be found at; <http://forms.wafootball.com.au/view.php?id=747>
2. The district/regional staff member will receive an overview of the coach's application via email. The district/regional staff member will either approve or decline the application based on the coach showing sufficient evidence of;
  - Active coaching over the previous four years
  - A same level accreditation that expired
  - Further coach education over the previous four years

**NOTE: Please check the coaches 'notes' section for any previous citations.**

3. The district/regional staff member will advise WAFC central staff of approval or decline via a return email to [tdaniele@wafc.com.au](mailto:tdaniele@wafc.com.au)
4. The coach will then be advised of the result of their application via a letter from the WAFC. If successful they will be required to register and pay a \$110 fee online via Sports TG.
