Please Note

Round 22 will be confirmed approximately 4 weeks prior to the scheduled weekend of the match.
Times shown for post match closures are approximate only and may vary dependant upon the match.

Road Closure Descriptions

Road closures around Patersons Stadium will be in place pre and post match. Due to the work required to install road closures, some roads may be closed up to 30 minutes prior to designated road closure start times.

Pre Match Road Closures

Pre-match road closures will be in place 60 minutes before the start of the game. The following restrictions will be in place:

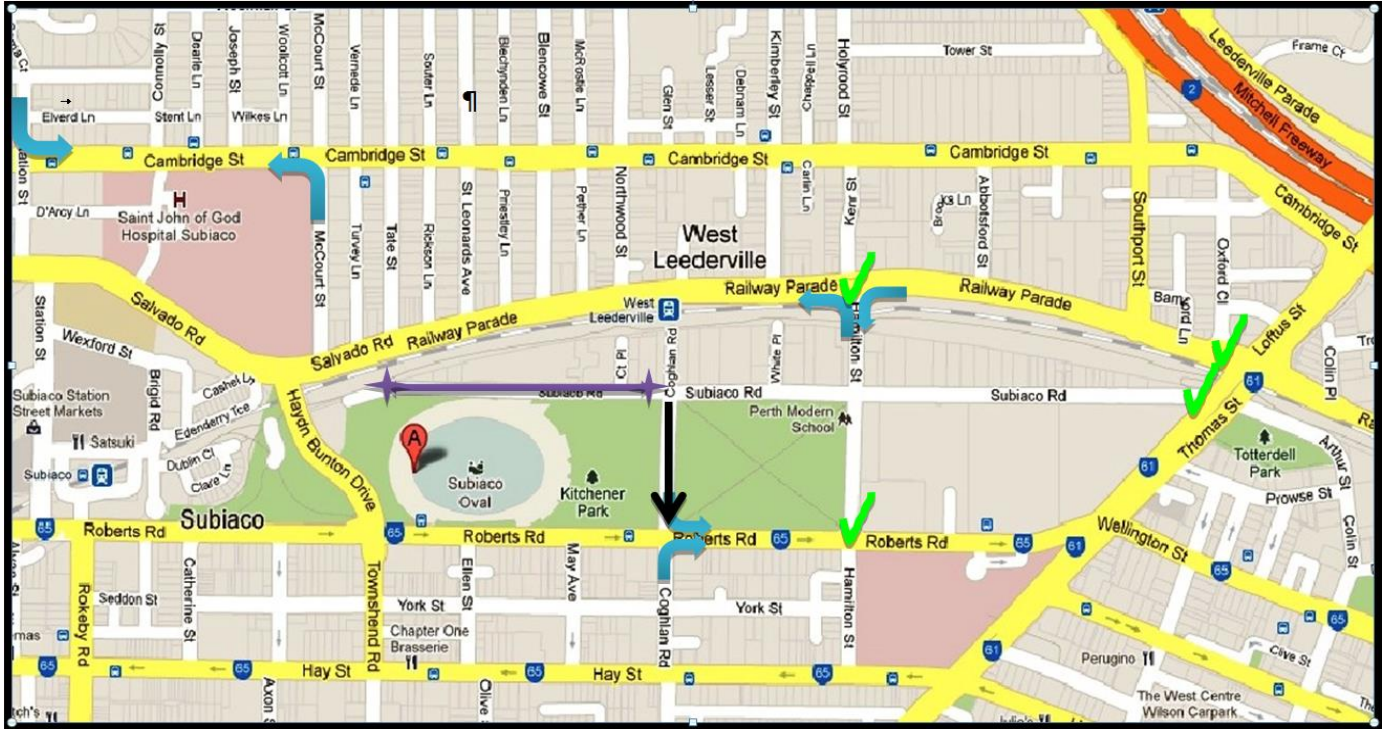

- Subiaco Road from Coghlan Road to Subiaco Football Club will be restricted to resident and VIP parking. Valid permits are required to gain entry to the road restriction area.
- Coghlan Road from Subiaco Road to Roberts Road will be restricted to southbound traffic only.

Post Match Road Closures

Full road closures are in place around Patersons Stadium 30 minutes prior to the end of a match. No traffic movements (except emergency vehicles) are permitted within the road closures while they are in effect. The areas affected by road closures are as follows:

- Haydn Bunton Drive closed from Railway Parade to Roberts Road.
- Roberts Road Closed from Rokeby Road to Coghlan Road.
- Salvado Road Closed from Haydn Bunton Drive to Station Street (Hospital access from the West permitted).
- Subiaco Road Closed from Coghlan Road to Subiaco Football Club.
- Subiaco Road has no access at Thomas Street.
- Coghlan Road from Subiaco Road to Roberts Road will be restricted to southbound traffic only.
- No access onto Hamilton Road northbound from Roberts Road.
- Towshend Road restricted with no northbound access from Hay Street and York Street.
- McCourt Street onto Cambridge Street left turn only.
- Station Street onto Cambridge Street left turn only.
