

West Australian Country Football League Brand Guidelines

Using, maintaining and developing the WACFL Brand

1. Our Brand

1.1 Introduction

To build a successful brand, the WA Country Football League (WACFL) must be consistent in everything it does.

The following brand guidelines have been developed to define the basic elements of our brand and assist in the development of WACFL's Brand.

The WACFL 'swan' is a registered logo. The use of this logo is only allowed subject to permission being granted by the WACFL. Failure to gain permission to utilise this logo is in breach of trademark laws.

This document and the use of the WACFL logo has been written into the WACFL bylaws document.

It is imperative we use these guidelines in all relevant communications and when purchasing apparel and footballs to ensure brand consistency and alignment. It is essential these guidelines are followed throughout the WACFL, its Leagues and Clubs.

These guidelines are to be followed throughout all communications by the WACFL and clubs.

For further information or clarification on certain elements please contact the WACFL Operations Manager on 9287 5584.
