It is a requirement of the WAAFL that playing jumpers and shorts carry specific marks (logos/wording). These marks are under license from the WAAFL and respective sponsors to be applied in accordance with the Jumper & Short Specifications.

Blackchrome have been engaged as the only manufacturer permitted to use these marks on mens and womens playing jumpers and shorts. Only clubs can order playing jumpers and shorts. Individuals such as players cannot.

Clubs are directed to order playing jumpers and shorts via the WAAFL website.
