As per Circular 27, 2016-17, it is mandatory for Club Trainers to report concussion tests performed at training/matches. Many Club Trainers were not aware of this requirement when asked by WAAFL Officials from Round 1 matches.

The WAAFL had requested contact details prior to the season commencing with many clubs yet to appoint Club Trainers. As it is a requirement for all matches to have a Club Trainer, we now seek the contact details for each team's trainer so the WAAFL can communicate this concussion requirement and other medical related policies directly to Club Trainers.

Please complete the excel worksheet attached (applicable for your club's teams) and return (via email to wafl@wafc.com.au) to the **WAAFL by 4pm Wednesday 19th April 2017.**

The management and reporting of concussion is critical and therefore, the contact details of your trainers is a compulsory return. A \$100 fine may apply if not returned by the due date.
