SDFDC Coaches Code of Conduct

The below Code of Conduct is applicable to all Junior Club Coaches.

- Be reasonable in your demands on a player’s time, energy and enthusiasm.
- Avoid over-playing the talented players. The average players need and deserve equal time.
- Remember that children participate for fun and enjoyment.
- Ensure that equipment and facilities meet safety standards and are appropriate to the age and ability of the players.
- Take into consideration the maturity level of the children, when scheduling and determining the length of practice times and competition.
- Develop team respect for the ability of opponents as well as for the judgment of officials and opposing coaches.
- Ensure that positive coach and umpire relationships are continually developed.
- Follow the advice of a physician when determining when an injured player is ready to recommence training or competition.
- Keep yourself informed of sound coaching principles and the principles of growth and development of children.
- Create opportunities to teach suitable sport behaviours as well as basic skills.
- Ensure that skill learning and appropriate sport behaviours have priority over highly structured competitions for young children.
- Help children understand the responsibilities and implications of their freedom to choose between fair and unfair play.
- Promote greater knowledge of the laws of game.
