---	---

Registrations for the 2018 season are now open. This means the 2018 National Registration Forms have been activated and clubs are now able to go in and customize their online registration forms, create and attach their 2018 products (rego fees, club merchandise etc.), and begin to accept registrations.

In addition to this, transfers are also now open from **November 1 – November 30**. The transfer window will then **re-open** again on **February 1st 2018** and remain open until **June 30th 2018**.

I have attached a Membership Communicator document with this email, it is a simple step by step on how to send the member renewals out to your players.
