As part of the nomination, clubs are required to upload their 2018 AGM Minutes and Financials/Auditors report.

For the safety of players, umpires and spectators, any club wishing to play night games will be required to obtain a current lux reading. Night games will not be fixtured until a copy of the report is submitted to the WAAFL.

Due to the changes to the Associations Incorporation Act 2015, all clubs are required to upload their constitution reflecting these changes. Clubs are also required to upload their current liquor licence and licenced area map.

Nominations are accepted at the discretion of the WAAFL and will be based on player registration numbers at the time. Clubs require a minimum of 28 registered players registrations per colts team by close of nomination period.

Any increase in teams nominated from 2018 will require evidence the club can support this team. Teams need to be supported with coaches, runners, water carriers, umpires, team managers, scoreboard attendants, time keepers and trainers.

A senior team that forfeited three qualifying matches in 2018 is ineligible to re-nominate that team for 2019.

Women's teams

Clubs who did not field a women's team in 2018 will need to complete a formal application as referred to in circular 57, 2017-18.

Late nomination

Any nomination submitted after 24th February 2019 will be accepted at the discretion of the WAAFL and subject to a late payment fee of \$200 per team per week.

Withdrawal of teams deadlines

Any club which withdraws a nominated team from any competition after the nomination date shall pay the full team affiliation fee applicable for that season and is not entitled to any refund.
