Background

With the introduction of Early Registrations, the WAFC is conscious of communicating 2020 Umpire Fees, giving clubs enough time to set their fees in preparation for September 1. In 2020 there will be just one minor change with Umpire Fees in Year 3 – Year 5 competitions increasing by \$5 from \$35 to \$40 per Umpire. This reduces the amount of levels in the Umpire fee structure with all Junior Competitions (Year 3 – Year 6) having the same Umpire match fee. Umpire Fees for all Youth Competitions (Year 7+) will remain the same as the 2019 season

Umpire Fee Review

Umpire Fees in Junior and Youth Football are currently out of sync with all other competitions in WA. The WAFC Umpiring Department will continue to develop an Umpire Fee structure that focuses on improving the match day environment by increasing attraction and retention rates and building a strong pathway for Community Football Umpires. As a result, all Junior and Youth Umpire Fees will be reviewed during the 2020 season with potential for change in 2021.
