Where a coach is appointed and does not hold a current coaching accreditation, he is required to attain his Level 1 Coaching Accreditation no later than 30th June in that year. Until the accreditation is earned a minimum Level 1 accredited coach is required to officiate as a non-playing assistant coach.

Where an unaccredited coach does not fulfil his obligation to become accredited by 30th June, he shall not be permitted to coach or play or act in any official capacity on match day for the remainder of the year.

All coaches who do not have a current accreditation or have an accreditation that expired more than 24 months ago, must attend the final course scheduled over 2 nights in June.
