Summary: Online Member Renewals & Player Transfers	Action: Players must register for the 2017 season.
---	---

Registrations for the 2017 season are now open. This means the 2017 National Registration Forms have been activated and clubs are now able to go in and customize their online registration forms, create and attach their 2017 products (rego fees, club merchandise etc.), and begin to accept registrations.

In addition to this, 2017 will see the commencement of a new transfer period between **November 1 – November 30**. The transfer window will then **re-open** again on **February 1st 2017** and remain open until **June 30th 2017**.

I have attached a Membership Communicator document with this email, it is a simple step by step on how to send the member renewals out to your players.

On another note, Fox Sports Pulse will now be known as Sports TG after merging with IMG Sports late last year.

Despite the rebranding, it is important to remember that we should still be referring to the system as **FootyWeb** which is the AFL specific product. Sports TG is simply the company that has created and maintains FootyWeb.

The Membership Communicator will show you a simple step by step on how to send the renewals out.
