WAFL Colts football provides greater opportunities for the young players within our country and metropolitan zones who are at many different stages of development to showcase their talents.

The WAFL Colts program is an extension of the Development programs. Players are exposed to a WAFL League-like pre-season program with the main focus on skill development, education, game styles / structures, and game plans. Each WAFL club has one Colts team that participates in the WAFL regular season alongside League and Reserves. WAFL Colts purpose is to further develop players, bridge the gap between junior and senior football, better prepare players for WAFL Senior football, to provide an opportunity to select a State 18's squad to compete in the AFL NAB National Championships in July, and ultimately be drafted into the AFL.
