

## **Football Operations Manager – East Fremantle Football Club**

The East Fremantle Football Club (The Sharks) is the West Australian Football League's most successful club, winning 29 premierships in its 121-year history. Nationally heralded for its Talent Academy Pathway and its strong values and culture, the club is seeking a highly motivated and aspirational individual to lead the senior football program for the start of the 2019 pre-season.

### **Job Summary**

The Football Operations Manager will be responsible for managing the senior football programs and activities of the East Fremantle Football with an emphasis on the management of the human resources required.

Role activities include, but not limited to.

- Manage the Playing List of the East Fremantle Football Club League and Development League Teams in compliance with WAFL By Laws, Player Rules & Regulations and Operational Policies.
- Provide assistant and guidance to Talent Academy staff with respects to the Academy program and progression of list from Academy to senior football.
- Manage the East Fremantle Football Club Senior Player List with a view to sustainable competitiveness and consistent finals appearances whilst supporting the objective of developing from within our district.
- Provide leadership and strategic direction to East Fremantle Football Club Coaching Staff with respect to planning, the allocation of resources and the review of on field performance.
- Developing a strong understanding of, and network within the East Fremantle Football District.
- Ensure effective mechanisms are in place for the support and feedback for players.
- Responsibility for the appointment and evaluation of Medical, Strength and Conditioning and Ancillary Staff and provision of ongoing performance evaluation and development opportunities.

### **Qualifications and Experience**

- Previous experience in the Australian Football League or State League Competition in a similar role desirable.
- Previous Management Experience highly regarded; especially in the field of human resource management.
- Working knowledge of the West Australian Football Industry highly regarded.

## **Technical / Professional / Specialist Competencies**

- Excellent communication skills
- Proven relationship management skills
- Proven leadership capabilities that provide the capacity to drive the EFFC culture through the senior football program
- Proven negotiation skills
- Proven conflict resolution skills
- IT proficient (use of both Windows and Mac products and software)
- Highly organised
