

YEAR 9 DEVELOPMENT SQUAD

Year 9	July - December 2001; January - June 2002
Squad 60 players	Equates to 2 x teams (Early / Late) or (A / B)
Nominations / Selection	May - July
Training	July - September
Carnival Matches	October

Players can first be invited to the West Perth Football Club if they are born between July - December 2001 and January - June 2002, these players will form the Year 9 Development Squad; this being their first opportunity to represent their zoned WAFL club and an initial entry point to the WAFL Club talent pathway. This format provides greater opportunities for the young players within our country and metropolitan zones who are at many different stages of development to showcase their talents.

The Year 9 Development Squad runs concurrently with the Year 8 squad. This squad also participates in a carnival of the same format and time as the Year 8 annually. Players from the previous years' Year 8 groups are **not** automatically invited to return and try out for the Year 9 squad. Players are identified and nominated and new players may enter the program leading into the carnival.

This squad will play representative sides from the other eight WAFL clubs in a carnival which traditionally consists of approximately four games and is played over the October school holidays.
