

AN INTRODUCTION TO CoachAFL

Dear Coach,

Coach.AFL has arrived!

Support for the coaching community is changing in 2018 with the creation of a new online home for coaching resources, coupled with a membership offering exclusively for our coaching community.

All coaches, whether currently accredited, previously accredited or never accredited are being offered the opportunity to join CoachAFL today!

In order to activate their membership, coaches will be asked to complete the following steps:

- Complete a coaching profile,
- Pay the 2018 membership Fee of \$49.50 (Currently Accredited coaches receive complimentary membership for their remaining years of accreditation)
- Agree to the updated Code of Conduct,
- Complete the prescribed online learning relevant to their coaching profile.

Following the completion of the above, coaches will have access to the Coach.AFL 'members only' area, providing hundreds of resources to assist you on your coaching journey, including dozens of Training Drills for all age groups.
