<b>Summary:</b> Registrations for senior level 1 coach accreditation courses are now open.	<b>Action:</b> Unaccredited coaches must register for one of these courses.
-----------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------

It is a requirement of the WAAFL that all coaches hold Level 1 – Senior accreditation as a minimum. Accreditation expires after 4 years and requires renewal.

Where a coach is appointed and does not hold a current coaching accreditation, he is required to attain his Level 1 Coaching Accreditation no later than 30th June in that year. Until the accreditation is earned a minimum Level 1 accredited coach is required to officiate as a non-playing assistant coach.

Where an unaccredited coach does not fulfil his obligation to become accredited by 30th June, he shall not be permitted to coach or play or act in any official capacity on match day for the remainder of the year.

Coaches who did not complete their accreditation the previous season cannot be appointed coach until their accreditation is completed.

All coaches who do not have a current accreditation or have an accreditation that expired more than 24 months ago, must attend one of the courses below.

All coaching courses are \$165 and are paid upon registration via debit or credit card.
