Players can first be invited to the West Perth Football Club if they are born between January - June 2002 and July - December 2003, these players will form the Year 10 / 11 Development Squad. This format provides greater opportunities for the young players within our country and metropolitan zones who are at many different stages of development to showcase their talents.

The WAFL Year 10 /11 Development Squad program is an extension of the Year 9 carnival and is played in March / April period. Players from the Year 9 carnival begin an extended program running from December until the carnival in March / April. Players are exposed to a WAFL Colts-like pre-season program with the main focus on skill development. Each WAFL club has one team that participated in the WAFL Year 10 / 11 carnival. This carnival's purpose is to further develop players, bridge the gap between junior and senior football, better prepare players for WAFL Colts football, and to provide an opportunity to select a state 16's squad to compete in the AFL NAB National Championships in July.
