

Daving Our future, WEST PERTH FOOTBALL CLUB REDEVELOPMENT

Since moving to Joondalup we've longed for a facility our members and supporters can call home. This dream is now becoming a reality. Over the next eighteen months, the West Perth Football Club will build a new state of the art facility at HBF Arena. We invite all members and supporters to be a part of this exciting development by securing a permanent place in the Club's future. All funds raised will ensure we provide the best possible facilities for our members and supporters.

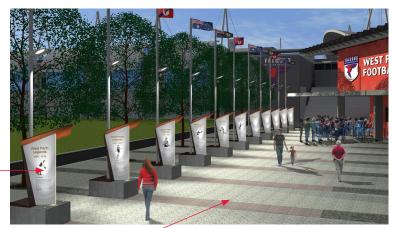

The Walk of Legends - a series of pylons to celebrate our Club legends for each decade, commencing with the period 1885 to 1895, will form a sequential walk along the building forecourt.

Pavers are expected to have a minimum life of 40 years so your place in history will be seen by generations to come.

STANDARD PAVERS 300mm x 300mm - \$295 incl GST Maximum of 15 characters per line, maximum of three lines

LARGE PAVERS 600mm x 600mm - \$1195 incl GST Maximum of 25 characters per line, maximum of eight lines (the month and year of purchase is a fixed line, applicable to both pavers)

This is a limited offer so don't delay! Paver location will be assigned on a first-come-first-served basis.

Show your support by completing the details below and returning to the Club to secure your place in Falcons' history.
