# WELCOME TO THE 2021 EAGLES CUP

The West Australian Football Commission's (WAFC) vision is to lead and engage all West Australians through a positive experience with Australian Rules football.

The WAFC sees the delivery of Australian Football as a partnership between schools and community clubs. School sport is integral to the health of the game in WA and in the education and development of all students.

The WAFC works closely with key advisory groups (Education Advisory Group/Primary School Football Advisory Committee/Secondary School Football Advisory Committee) in designing and implementing quality football education and participation programs.

We are fortunate to have wonderful program partners in the West Coast Eagles. We thank them for their continued support of school football.

The community football team at the WAFC looks forward to your continued enthusiasm for Australian Rules football and hopes you and your students enjoy participating in the various football competitions on offer.

On behalf of the WAFC, can I take this opportunity to thank all of the volunteers and staff who play a role in the delivery of school football in 2021. Your time, effort and passion is greatly appreciated by everyone in the football family.

## FOREWORD

Football has been my passion since I was first introduced to the sport as a student at Midvale Primary School. I immediately enjoyed everything about the game, but in particular how it enabled me to build relationships and connect with different classmates and friends.

Soon after my experiences at school, I joined Midvale Junior Football Club where I was lucky to play with some now current AFL players, who I still consider great friends (even though they represent opposing AFL clubs!).

I began seriously pursuing my dream of playing footy at the highest level when I joined Swan Districts Football Club and moved through the ranks to play my first WAFL Colts game in 2007. This was a successful year for our team as we went on to win the WAFL Colts premiership.

The following year, I made my League debut for Swan Districts in Round 1 of 2008. Although this was another great team and a successful season, we were unfortunately beaten in the Grand Final. Whilst disappointing, I found this experience to be extremely valuable, as it helped instil in me the value of resilience and provided inspiration to work even harder.

In 2009 my AFL dream was realised when I was selected at pick number 2 in the AFL draft by the West Coast Eagles Football Club, where I continue to enjoy learning valuable life lessons through playing our great game. I think it's important to continually reinforce the countless benefits of participating in junior sport, particularly improving both physical and mental health and working as part of a team.

The Eagles Cup and Eagles Faction Footy are great ways to introduce kids to these benefits in a fun competition, where playing for enjoyment is the focus.

All the best for the 2021 season.

Nic Naitanui West Coast Eagles

## ABOUT FOOTBALL IN WA

The West Australian Football Commission is the caretaker of football throughout the State and responsible for the overall development of the game.

The rich history of football in the community of Western Australia stretches back to 1895. Today it is the most popular sporting code in Western Australia with more than 330,000 active participants each weekend during the season. This is more than double any other sport. On top of this football clinics are provided to approx. 200,000 West Australian Children every year throughout our schools and communities across our state.

The WAFC plays an important role in funding the ongoing development of football in all communities. This ensures that football is the best resourced sporting code in the State and can have the most active role in building better communities through various development programs.

The WAFC is a not for profit sports association. It is incorporated under the Associations Incorporation Act and governed by a volunteer board that oversees the operation of all football activities throughout the State.

The WAFC's role includes ownership of the State's two AFL teams - West Coast Eagles and Fremantle Football Club (Dockers), guiding the West Australian Football League (State league competition), overseeing community football, managing umpiring and football development through participation and the talent pathway. Most importantly the WAFC plays a key guidance role in the ongoing enhancement of the District Development model.

This results in a significant social benefit and the creation of better communities through the active promotion of the sport and its associated values of teamwork, responsibility, respect, leadership, commitment and community participation. Advocating healthy participation for every player, volunteer, official, administrator, coach, umpire and spectator is at the forefront of our strategic priorities.

Setting the direction for the WAFC and football industry in Western Australia

The WAFC expects each school involved in Australian Football programs to maintain public liability insurance to sufficiently cover its legal liabilities. At its own discretion each school may want to consider purchasing personal accident insurance to protect against claims for non-Medicare medical expenses arising from this Australian Football program, or any other school program.

#### **MOUTH GUARDS**

It is recommended that all players wear a mouth guard when either, training or playing Eagles Cup football.

#### **INCLEMENT WEATHER POLICY**

In managing risk, consideration must be given to environmental factors and their impact on participants. Sometimes extreme weather conditions (e.g. heat, cold, rain, wind or lightning) make it best to postpone training and/or competition. The umpires, in consultation with the teachers, shall determine if a game should be delayed or abandoned due to inclement weather as per the AFL Laws of the Game and the AFL Junior Football Match Guide. Please also refer to the By-Laws section.

#### PLAYER ROTATION POLICY - EQUAL OPPORTUNITY

The on-field rotation of players is a policy developed to enhance the participation and skill development of all players in NAB AFL Auskick (5-12 years) through to Youth participants (13-18 years).

The rotation of all players through a variety of positions in a game and season is designed to allow players to experience the skills and roles required in different positions, and to ensure all players are provided with equal opportunity.

The policy states that every player in a team should play at least half a game, and that no player should spend more than half a game in any one position. Further, every player should experience playing on each of the five lines of field position over a three match period.

The Australian Football Match Policy document clearly states that to ensure all players feel an essential part of the team, regardless of their age, size, sex, ability or the competition they are playing in, it is critical they have an equal amount of time on the field during the season. This will keep players in the game and reduce the likelihood of them leaving to pursue other sports. It also satisfies parents expectations that their child will be given a fair go. It is recommended that all coaches keep records of weekly game time of each player to ensure each has had equal time. There are also a number of IT programs or Apps available that can support coaches and teams in ensuring that all players play 50% game time.

Note: players should be rotated through a variety of positions on the field in each line, not straight up and down the "spine" or only on the left or on the right side of the field. Coaches and Team Managers must ensure that this policy is adopted and relates directly to **BYLAW #1 – The Spirit of Junior Football.** 

#### Coaches can be cited and/or deregistered for not adhering to this policy.

#### **UMPIRES HANDSHAKE POLICY**

Coaches are expected to shake the hand of the match day umpires both pre and post game.

This mark of respect will reinforce our commitment to influencing positive game day environments, and stands as an excellent example of behaviour from the Coach to Players and Spectators. Coaches should also shake each other's hand both pre and post match.

## JUNIOR FOOTBALL WA

Every participant understands that Junior Football in Western Australia is delivered to the Community with the Spirit of the Game in mind.

It is incumbent on every participant irrespective of their place in the game, to ensure that they will,

- Not focus on winning at all cost and understand that the role of Junior Football is to foster the development of Junior Players, Volunteers, Umpires, Coaches and Officials. Learning to win and lose is part of the developmental journey of a participant but must remain secondary to the primary focus of junior player development.
- Maximise the enjoyment and development of junior footballers.

SPIRIT OF

- Provide our children with a game environment that is safe, fun and fair.
- Ensure that the values which add to the spirit of our game, which include fairness, equality, respect and teamwork are encouraged and celebrated.
- Uphold, promote and protect the Rules, Laws, Codes, Policies and Spirit of the game.
- Not accept poor behaviours around our game and deter practices that undermine our games environments (Coaching, Playing, Volunteering, Spectating and Umpiring).
- Adhere to any directive issued by the games controlling bodies in the best interests of achieving the above.

Vilification to any degree is totally unacceptable at any level of football (including Junior Football) and refers to any person including, but not limited to, players, officials, coaches, members, umpires, spectators, and parents that acts towards or speaks to any other person in a manner, or engages in any other conduct, which threatens, disparages, vilifies or insults another person on any basis, including but not limited to, a person's race, religion, colour, descent or national or ethnic origin, special ability/disability, illness, disease or sexual orientation, preference or identity.

All those involved in Junior Football have the right to be involved in an environment that is free from vilification and/or harassment. The Junior Competition should take an extremely firm stance on eliminating this type of behaviour from the game.

The vilification resolution process is:

#### 1. AN ALLEGED INCIDENT

Conduct that threatens, disparages, vilifies or insults another person on any basis, including but not limited to, a person's race, religion, colour, descent or national or ethnic origin, special ability/disability, illness, disease or sexual orientation, preference or identity.

#### 2. GAME DAY RESOLUTION

The clubs and individuals concerned will take immediate action to resolve the matter at the ground between the two teams concerned. If the matter is resolved a written report is required to be submitted to the Club President by the Team Manager of the complainant within 24 hours. No public statement (including via social media) is allowed by the clubs, players, umpires or any representative of the club(s) involved.

#### 3. CLUB RESOLUTION

If the matter cannot be resolved immediately it is the responsibility of the both Team Managers to inform their respective Club President of the issue immediately. The Club President of the complainant is then required to make contact with the opposition President within 24 hours of the incident. The clubs then have 48 hours to mediate and resolve the matter. If the matter is resolved a written report is required to be submitted by both Club Presidents to the Competitions & Club Development Team Leader within 24 hours post resolution. No public statement (including via social media) is allowed by the clubs, players, umpires or any representative of the club(s) involved.

#### 4. DISTRICT RESOLUTION

If the matter cannot be resolved at a club level then it is the responsibility of the complainant's Club President to contact the Competitions & Club Development Team Leader no later than 48 hours after the incident requesting that they investigate the matter. The Competitions & Club Development Team Leader will investigate the matter and determine the appropriate next course of action. This may involve mediation or referral directly to the Tribunal. No public statement (including via social media) is allowed by the clubs, players, umpires or any representative of the club(s) involved.

#### 5(a). MEDIATION

The Competitions & Club Development Team Leader will arrange for a mediation meeting between the individuals and clubs to be held at the earliest convenience. This should be held no later than 7 days of receiving the complaint. If no resolution can be reached the matter will be referred to the Tribunal for determination. No public statement (including via social media) is allowed by the clubs, players, umpires or any representative of the club(5) involved.

#### 5(b). TRIBUNAL

The Tribunal to make a determination on the matter in accordance with the guidelines and By-Laws of the Competition.

If found guilty the player/coach/official will be sanctioned under Law 20.2 (f) Serious Acts of Misconduct for behaviour detrimental to football.

Any adult that is found to have vilified a person at Junior Football, or has been found to have encouraged others to vilify other people, should receive significant penalties from the Tribunal.

There is absolutely no place for vilification of any nature in Football!

Concussion occurs when, after a blow to the head, there is brain injury with some immediate disturbance of brain function. Any player showing the signs or symptoms of concussion should be removed from the field immediately and referred to a medical practitioner. A player who has suffered concussion with or without loss of consciousness should not participate in any match or training session until he/she is fully recovered and has been cleared by a thorough medical examination.

All players sustaining a concussion require a medical clearance before the resumption of training or playing.

**Key Considerations** 

- Any player who has suffered a concussion or is suspected of having a concussion must be medically
  assessed as soon as possible after the injury and must not be allowed to return to play in the same game
  or train in the same practice session. If in doubt, sit them out!
- There should be a trained first aider at every game and the principles of first aid should be used when dealing with any player who is unconscious or injured.
- A concussed player must not be allowed to return to school or return to training or playing before having a formal medical clearance.
- The child is not to return to play or sport until they have successfully returned to school/learning, without
  worsening of symptoms. Symptom assessment in the child often requires the addition of parent and/or
  teacher input.
- It is reasonable for a child to miss a day or two of school after concussion, but extended absence is uncommon.

## CONCUSSION MANAGEMENT IN AUSTRALIAN FOOTBALL

Concussion refers to a disturbance in brain function that results from trauma to the brain. The changes are temporary and the majority of players recover completely if managed correctly.

#### Key Components of Concussion Management

- 1. Recognise the injury
- 2. Remove the player from the game
- 3. Refer the player to a medical doctor for assessment
- 4. Ensure the player has received medical clearance for a graduated return to training

There should be a trained first aider at every game and the principles of first aid, including management of the cervical spine, should be used when dealing with any player who is unconscious or injured.

#### **Recognise Concussion**

#### 1. Visible clues of suspected concussion

Any one or more of the following visual clues can indicate a possible concussion:

Loss of consciousness or responsiveness	<ul> <li>Lying motionless on ground / Slow to get up</li> </ul>	
Dazed, blank or vacant look	Grabbing / Clutching of head	
Unsteady on feet / Balance problems or falling over / Incoordination	Confused / Not aware of plays or events	

#### 2. Signs and symptoms of suspected concussion

Presence of any one or more of the following signs & symptoms may suggest a concussion:

Loss of consciousness	Headache	Seizure or convulsion	Nervous or anxious
Dizziness	Balance problems	Confusion	Neck Pain
Nausea or vomiting	Feeling slowed down	Drowsiness	• "Don't feel right"
<ul> <li>"Pressure in head"</li> </ul>	More emotional	Blurred vision	Sensitivity to noise
<ul> <li>Irritability</li> </ul>	Sensitivity to light	• Sadness	Difficulty remembering
• Amnesia	Fatigue or low energy	• Feeling like "in a fog"	Difficulty concentrating

#### **Manage Concussion**

- Any player who has suffered a concussion or is suspected of having a concussion must be IMMEDIATELY REMOVED FROM PLAY and medically assessed as soon as possible after the injury. They must not be allowed to return to play in the same game or practice session.
- A concussed player must not return to school or return to training or playing before having a formal medical clearance.
- ✓ A concussed child (player aged 5-17) is not to return to play or sport until they have successfully returned to school/ learning, without worsening of symptoms. Symptom assessment in the child often requires the addition of parent and/or teacher input.
- ✓ The concussion rehabilitation program should be supervised by the treating medical practitioner and should follow a graded, symptom limited progression.

In the best practice management of concussion in football, the critical element remains the welfare of the player, both in the short and long term.

### **"IF IN DOUBT, SIT THEM OUT"**

AFL Research Board AFL Medical Officers' Association

The major objective of Junior Football is to provide an opportunity for all children to play Australian Football in a safe environment designed to maximise the acquisition of skill and provide enjoyment (Fun). The following Codes of Conduct, if followed by all people involved in our junior game, should ensure the fulfilment of this important objective. The West Australian Football Commission Football Affairs Committee strongly advises that all persons involved be issued with copies of the appropriate code of conduct. WA Football supports acts of sportsmanship (hand shaking etc) between players, coaches, administrators, umpires etc.

#### **RED FLAG – Game Environment Filter**

Protecting and enhancing our Game Environment will always be a strategic focus for Football. In 2016, we will see the ongoing enhancement of a Game Environment Filter, **RED FLAG**. This will assist in monitoring all football segments, and the standard of the environment and the spirit in which they are played. To this end an online filter has been developed whereby key football stakeholders are able to identify and bring to the attention of governing bodies any undesirable behaviours and actions that may breach any of the Codes of Conduct or By-Law 1 "The Spirit of Junior Football".

The Red Flag notification is completed online with confidentiality assured within the process. Issues that are flagged that require official intervention will be overseen by the WAFC Participation Manager in consultation with the specific League Officials and WAFC District/Regional Staff. The Red Flag filter will apply to everyone involved in Football from coaches, spectators, and players to volunteers and Club Administrators.

Club Presidents, District Officials, Umpires and WAFC Game Development Staff will have authority to access the filter via a special password and link. Please contact the WAFC Participation Manager Troy Kirkham to secure your access.

## NATIONAL COACHING STRATEGY: A NEW APPROACH

Prior to the commencement of the 2018 football season, following extensive research, analysis and consultation with stakeholders across the industry, a new approach to accreditation and support of the coaching community will be introduced.

The primary objectives of the new approach are to:

- Reduce the barriers to entry of becoming an accredited coach
- Build a deeper understanding of the coaching community
- Use this understanding to increase the accessibility of targeted quality resources for coaches
- Provide ongoing education and development opportunities for all coaches
- Ensure all coaches understand their responsibilities and obligations

The National Coaching Strategy will commence its roll out in early March, key features of this new approach include:

#### 1.0 IMPROVED ACCESSIBILITY TO ENTRY LEVEL ACCREDITATION

As has been the case for many years, coaching accreditation will continue to be mandatory for all those wishing to fulfil a coaching role on match day. However, entry level accreditation is being changed to improve its accessibility.

The current 4-year accreditation scheme will be replaced a **New Coach AFL Membership Model** featuring annual membership, administered via the **Coach.AFL online platform**. An annual membership fee will apply.

Foundation Level Accreditation (previously Level 1) will be included as a benefit of Coach.AFL membership and will be achieved through the completion of an online Foundation Course specific to the age of the team being coached whether it be senior, youth or junior (including Auskick). *There will be NO requirement to attend a coaching workshop in person prior to achieve this Foundation Level Accreditation and commencing coaching in 2018.* This online Foundation Level Accreditation will take between 60-90 minutes to complete.

#### 2.0 NEW COACH.AFL MEMBERSHIP MODEL

Coach.AFL will be based on annual membership model supporting ongoing coach education. Coaches will attain points for annual re-accreditation via a number of means including but not limited to coaching experience, online education on Coach.AFL and attendance at seminars, workshops and conferences run by WAFC District or Regional Staff. Please contact your local District or Regional staff member after March 1 for further details.

Coaches accrediting for the first time:

- Complete contact details and coaching profile
- Acceptance and agreement to the Coaches' Code of Conduct
- Complete online Foundation Course specific to the age of the playing group (senior, youth or junior)
- Payment of annual membership fee

Coaches with current accreditation:

- Complete contact details and coaching profile
- Acceptance and agreement to the Coaches' Code of Conduct
- Complete prescribed online education module
- Note: Payment of annual membership fee will be waived for the remaining years of their current accreditation period

Coaches with accreditation expiring in 2017:

- Complete contact details and coaching profile
- Acceptance and agreement to the Coaches' Code of Conduct
- Complete prescribed online education module
- Payment of annual membership fee

#### **3.0 COACH.AFL ONLINE PLATFORM**

The Coach.AFL online platform is designed as a central resource centre for coaches. It will serve as a national membership database, enable coaches to manage their Coach.AFL Membership (including accreditation, ongoing education and compliance) and provide access to a central Online Repository housing quality coaching resources and educational support.

Coach.AFL members will have exclusive access to high quality and consistent information that will:

- Explain the development pathway for coaches of all age groups
- Provide online educational and development opportunities
- Provide accessible resources to guide coaches on their journey
- Ensure aspiring coaches understand the significance of the role they play and how to positively influence the personal development of players of all ages and ability levels
- Ensures coaches understand their obligations

Coach.AFL is scheduled for launch in early March 2018 but will continue to progressively build and be refined over the years to come.

#### **4.0 FURTHER INFORMATION**

For any further enquiries please contact your local District or Regional WAFC staff member.

# SCHOOL AND COMMUNITY FOOTBALL

The WAFC sees the delivery of Australian Football as a partnership between schools and community groups.

Schools recognise that sport is an aspect of the school curriculum and is an integral part of an individual's development.

Community groups recognise the school system as an integral and positive part of football development and assist and encourage participation.

Schools and community groups/clubs should establish links to promote continuity of delivery. AFL School Ambassadors will be appointed in every school to facilitate the effective implementation of school football programs.

The use of existing school facilities by community groups is encouraged.

Schools should be receptive to interaction with community groups within and outside of school hours.

The WAFC works closely with key advisory groups;

- Education Advisory Group
- Primary School Football Advisory Committee
- Secondary School Football Advisory Committee

In designing and implementing quality football education programs.

The Education Advisory Group's foundation strategy is the induction of 1000 teachers to act as AFL School Ambassadors who will work actively in their school and cooperatively with community clubs to increase interest and participation in football.
