PRESIDENT

BRONTE

HOWSON OAM

Continued improvement and winning will always be our priority. It is what motivates and drives us. In recent years, the East Perth Football Club has proven its ability and want to expand this from our male football program, into women's football, all abilities and community, which is something we should all be proud of.

2023 started as a year of the unknown. In September 2022, we were successful in the bid for a WAFLW side, in the same month we appointed Ross McQueen as Senior Men's Coach. New beginnings always include an aspect of faith and I thank all our Members and supporters for taking that leap with us.

I would like to sincerely thank and acknowledge a very special group of loyal long-term Partners who are the financial backbone of this great football club.

Our Major Partners for over two decades:

- MotorOne Group
- Audi Centre Perth

I would also like to acknowledge our other key partners for 2023.

- Community Partner: North Perth Community Bank
- Maddington and Canning Vale Toyota
- TK West
- Knightcorp Insurance
- Everett-Smith – 40 Years
- Kendrick Automotives
- Hyundai Genuine Parts
- ISC
- Auto Control Systems

We are also fortunate as a Club to have two coterie groups supporting our playing

group. I wish to acknowledge and thank:

- President Alan Hall and the members of the Past Players and Officials Association.
- President Peter Kift and the members of the Lotons Club.

I would like to congratulate and thank Dean Turner for his leadership and efforts along with his dedicated team. Our staff are second to none in the WAFL and not only handle the demands and pressures of working in a not-for-profit environment, but are always at the forefront of trying to make the WAFL and football in WA better for everyone.

I wish to acknowledge the efforts, dedication and achievements of retiring Board Members Martin Mileham and Kim Farmer. Martin dedicated ten years as a Director to East Perth, whilst Kim served three. I look forward to them both being active supports and advocates for the club and what we are trying to achieve.

Our Board is always striving to ensure our club has continued improvement. In 2023, this was clearly evident through numerous programs, fundraising endeavours and on-field success. Thank you to Geoff, Jo, Tom,

Chris and Joe for your service to the club.

Our supporters are loyal and passionate like no others, in any code, across WA. The atmosphere on match day was terrific and the attendance in the Members Area after the matches continued to grow throughout the year. Key indicators such as gate receipts and merchandise were all up significantly on 2022. There is a spark around the Royals, and we want to reward everyone's loyalty with the on-field success we have all longed for.

2023 was a leap in the right direction; however, we are far from content with how the year finished. Finals was an achievement we strived for and now with greater experience, savvy list management and higher expectations, we believe all our grades are in strong positions moving into 2024.

Once again, thank you all for your commitment to our great club. I hope you all are as proud as I am in being a 'Loyal Royal' and look forward to us continuing our rise back to the pinnacle of WA football.

Go the Mighty Royals.

CEO

DEAN

TURNER

2023 was a year of tremendous growth for the East Perth Football Club both on and off the field.

Reflecting on the past 12 months, the Club has achieved many significant milestones, none bigger than East Perth competing in the WAFLW for the first time. The significant time and resources the Club has invested into this program has led to a foundation being laid that will see rapid and continued success.

The club now has in excess of 350 players registered to play for East Perth across male, female and all-abilities programs. Excitingly, this number will continue to grow as we increase our talent programs through various academies in both our metro and country regions.

We aim to deliver these programs whilst being not-for-profit. This season, I am pleased to report that the Club has bounced back to be in the black. The Club will report an operating profit surplus of \$32,344.

This is a remarkable achievement given our current climate and that the club had budgeted for a \$28,000 loss for FY23. Some contributing factors to this were:

- Record gate receipts
- Increased merchandise sales
- Significant revenue received for events and functions

Our loyal members and supporters gave both our male and female teams

tremendous support throughout the year. In our inaugural season, we had the highest home and away attendance of any WAFLW club. Our male gate receipts had the highest increase of the WAFL competition. Playing an exciting brand of football that is successful is a key element of our growth.

We will continue to seek ways to improve facilities for our players and members. Upgrading the lighting and surface at Leederville Oval remains a priority. Having our senior male, women's and male talent based across three different venues, whilst necessary at the moment, is far from ideal. In the short term, we are focusing on improving these three locations with our long-term vision to be a dedicated training and community base to compliment an upgraded Leederville Oval.

The results we were able to achieve through our fundraising endeavours this year were incredible. I wish to thank our many partners and contributors to those functions. Not only do they provide much needed support for our football operations, but they are also a lot of fun.

I wish to thank Bronte and the Board for their guidance and support throughout 2023. Significant strategic decisions and commitments have been made over the past 18 months to ensure the Club is on the right path.

The Club is fortunate to have the hardest working and most dedicated group of staff in the WAFL, regularly going over and above to not only make sure that expectations are met but are consistently exceeded.

I wrote this time last year that the building blocks of success are there. I would like to congratulate Ross McQueen on reaching the finals in his first year as coach. We all acknowledge and embrace the rising expectations around our performance in 2023. Consistency in matches and from week to week is something we will strive for throughout the Club in season 2024.

I would also like to welcome Jenna Allomes onboard as Head Coach of our WAFLW team. Jenna was highly recommended and sought after around the League and we are excited to have her lead our WAFLW program.

I thank you all for your dedication and loyalty to our great club and hope you are as excited as I am for season 2024.

League Coach

ROSS

McQUEEN

I would like to start this report by expressing my sincere gratitude to all of those who have contributed to the team and club this season.

To the coaches for your dedication to your craft and your willingness to create a positive and supportive learning environment. To the support staff for your hard work and behind-the-scenes efforts. You keep our team running smoothly and allow us to focus on performance.

To the board for your support and trust. You have provided us with the resources and tools we need to succeed. To the staff in the front office for your hard work and dedication. You are essential to the success of our team and your contributions are often overlooked.

To the supporters for your unwavering support. Your presence is a huge motivator, and we are striving to play and present ourselves in a way that you can be proud of.

To the players for your hard work, commitment and dedication. You have represented our club with pride, humility and professionalism. I am proud of the progress you have made this season, and I am excited to see what the future holds.

Season Highlights

A strong start to the season, winning our first three games, including a one-point win over Swan Districts on Good Friday. This

gave us confidence and momentum early on.

We then dropped the next three games going into the bye, before bouncing back winning eight games in a row, including wins over West Perth on WA Day, (game interrupted by lightning), East Fremantle six days later and Peel Thunder in Mandurah.

We finished the home and away season in fourth position, which meant we were playing finals. A disappointing loss in the first round of the finals resulted in our season being over.

Across the club, highlights included the Reserves winning at Bassendean over the eventual premiers, the Colts challenging East Fremantle, Subiaco, West Perth and Perth, all of who played in the finals, the first season of our WAFLW team, the Rogers Cup team playing in the finals and terrific results for our Futures program.

Hamish Brayshaw, Mitchell Crowden, Angus Schumacher and Angus Scott represented our state, with Schuey winning the Club's first Simpson Medal since Paul Johnson in 2012. Hamish Brayshaw won the 2023 Sandover Medal, we returned to the finals and we had stronger engagement with our

supporters with attendances up 25%.

We achieved a lot of our goals, learnt plenty along the way and I am confident that we can build on these successes. We want more, we need more, we demand more.

We do need to continue to improve. We need to be more consistent. We had a few games where we played well, but we also had a few games where we underperformed. We need to develop our own and improve our depth. Injuries happen. Defend better to allow us to stay in games longer and build our relationships in the community. We have a lot of young, talented men and women with terrific character, and, I believe, that we have the potential to be a force in 2024 and beyond.

Challenges and opportunities will present themselves; we all know there are no guarantees in football though, but we will be there being the best versions of ourselves striving for success.

JO DAVIES

As you know, this was our first season in the WAFLW after a number of seasons in the Rogers Cup. What a year it has been. We should all be very proud of what we have achieved this year in our first year of a full WAFLW program. A lot of time, effort and commitment went in to getting to this point – by a lot of people.

As a Director, the Women's program comes under my remit – so with that comes a specific responsibility and oversight to ensure it is heading in the right direction. But as a passionate and long-term East Perth girl, as well as a true advocate for women's sport, I am so excited about our future as a club, now that we have a full women's program.

To the Rogers Cup Team – congratulations on a great year! We had the objective of reaching the finals – and you achieved that.

To Gemma, your coaching staff, Tamara and support staff, well done to you all. It was a turning point for our youth girls and the future looks bright. I am sure next year there will be many teams wary of how good the East Perth girls will be. You are the future of this club – and I look forward to seeing what you can achieve next year and look forward to seeing a number of you take the next step up into the league team. A special mention to Lucy Greenwood, Bianca Rogers and Fatoumata Toure for your State representation.

To our WAFLW team, we had high aspirations in our first year. And while we have yet to get the four points, there is so much to build

on! You have earnt the respect of other teams by the way you have gone about your footy and the improvement you made as the season progressed. Like the Rogers girls, there is a lot to look forward to.

I would like to acknowledge Jason Bloom and the work he put in for both the submission to the WAFC to get our first licence, building our first list and coaching through the year. Also, a big thank you to the broader coaching group and support staff.

This has all been a massive undertaking this year, so I need to call out Craig Matthews, for his endless commitment, drive, passion – like an energiser bunny! He has been such an important cog in this wheel – so thank you Craig! It is great to now have you step into our Women's Program Manager role

To Angus Schumacher – well done. You have put an enormous amount of work in the management of this whole program, before you moved on to your next chapter. Your experience, insights and knowledge have been invaluable.

There is not a more committed and invested CEO in a WAFL Club towards the women's

program. He is a leader in this area and so invested, which is appreciated. Thank you, Dean!

I am also so excited to have our new Head Coach Jenna Allomes on board. I cannot describe how lucky we are to have Jenna to join us. She brings extensive experience as a player and coach and is hugely respected across the football industry. So welcome, Jenna, and we look forward to you leading the build of our program and success in the future.

Now Jenna and Craig are on board, they are busy planning for next season – building our list and putting in place the foundation for what I know will be a great season.

The women and girls in our WAFL program are now part of the fabric of the East Perth Football Club, forever etched into its story and history. We are proud of that and will celebrate that!

This is only the beginning, and we have a bright future ahead.

Reserves Coach

Allan Ferguson

With a new senior coach at the helm and the additions of several handy recruits in tow there was a quite determination at the club which saw the players apply themselves to their footy for the entire duration of the pre-season. The positive energy created during the pre-season was infectious and exciting to be a part of.

The Reserves coaching structure had an established face, Neville Williams, a returning face, Kim Beasland, and new faces in myself and my brother, Peter Ferguson. We welcomed in a cohort of talented footballers from the Colts program who were readily accepted by the senior players. Our focus was on developing and promoting our local pathway and showing a clear vision of what it takes to be an East Perth footballer. As with any development area, improvement is not linear and we had our challenges and speedhumps mixed in with victories along the way.

The season got off to a slow start for the Reserves. We played some good football early, but the consistency you need in a high-calibre competition alluded us. We asked questions of opposition teams and our effort to the task could never be questioned however, we just kept falling short. A win against Peel injected energy into the team, but to the halfway point we had only managed a single win but had played quality football in stages.

Highlights were aplenty during the season with hangs, goals, chase-down tackles, game winners and desperate defence that really showcased our commitment to our team values. Taylor North kicking his first goal for East Perth was a moment that

provided a lot of joy to the team. The real highlight, however, was the application that the players showed from the halfway point to the end of the season. It would have been easy for us go through the motions but with strong leadership and enthusiasm to their craft, we displayed resilience and determination to play consistent football which was good enough to beat the eventual Premier in Swan Districts, perennial finalists and defending Premier Subiaco, and challenge all the teams we faced. We'll take confidence in this but know we must continue to get better each session if we are to take the next step forward as a football club. From a win-loss perspective, we stayed level, we increased our percentage and more importantly, showcased the young talent we have in our program, and we look forward to seeing that talent continue to blossom in season 2024.

I'd like to thank Bronte and the Board, Dean and the executive, for supporting us through the season. A personal thank you to Football Operations Manager Warren Parker for the guidance, commitment and support of myself and the program. Thank you to Head Coach Ross McQueen who curated an exceptional environment, provided outstanding leadership for all of us to follow, and implemented a great football program.

To all the players who played in season 2023, thank you for your dedication to the club. I, like all our passionate members and supporters, cannot wait to see what you do next season!!

A very heartfelt thank you to the Reserves coaching team who put in a lot of work all season and showed real care and connection with the players. My Team Manager and sister Lisa for keeping us on track, the League Team Manager and father Greg for keeping everyone on track, the training staff and S&C team, and to everyone who filled a role with our team during the season, I appreciate every effort made. A special thank you to the Past Players, Julie and Graham for providing refreshments for the Reserves group after our games. Thank you!!

Thanks to the senior coaching staff for your education, effort and energy, the senior playing leadership group and, finally, thank you to all the football support staff, medical team, past players and volunteers who allow our exceptional playing group the opportunity to express their love for this great football club every Saturday on the field.

See you at the footy and go the Mighty Royals!!

Colts Coach

Michael

Pratt

I have been reflecting on season 2023 with pride - and with great feelings of gratitude towards the East Perth Foxy Club and the amazing people who support the colts program. Whilst our on-field results were a little less than perfect - we only managed four wins after starting the season with great promise - those outcomes are not reflective of the positive environment created by the coaching and support

Our season seemed like a series of 'near misses' and close losses - between Round 9 and the end of the year we managed just two wins...but lost only one game by more than 18-points. Whilst it was incredibly frustrating to be "IN" so many games without walking away with the points, it was at the same time incredibly encouraging - we dropped games to the grand final sides Perth (three points) and Claremont (eight points) and our best footy was clearly 'good enough'.

There is a highly talented group of young players coming through the ranks.

57 players pulled on the jumper during the 2023 season - players from both the South-West and Lower South-West regions, as well as from our Metro zone. We are incredibly lucky to have access to so many talented young players and to receive the support of the coaches and administrators from each of our aligned clubs.

Special thanks should go to the Augusta Margaret River Football and Netball Club who hosted the 2023 Colts pre-season camp.

The highlight of the camp was without doubt the efforts of our physiotherapist, Adrian Rapattoni.

Adrian managed to forget to take ANY of his sleeping gear - and huddled up on the floor in the changerooms under a beach towel... then attended the morning rehab and completed the cold water 'therapy' along with the players.

During the National U18 Championships in 2023 four of our squad members - Tyler Lindberg, Bailey Harbour, Xavier Walsh and Lucas Kemp were selected in the West Australian squad.

I know these players really loved the experience and I am sure everything they learned will really help push their football to another level in 2024 as they move into the senior program. I would like to congratulate Xavier on his selection to Port Adelaide in the Rookie Draft and wish him every success in his AFL journey.

My long-lasting memory of the 2023 season will be the support the footy club provided myself and the colts program.

Every club in Australia talks about having a 'one-club' model, where everyone is working together towards a common goal - East Perth truly lives it.

The integration of the senior squad and colts program each Monday and Thursday night from the midpoint of the season - simply - the best thing I have seen in nearly 20-years of coaching U18 football.

Providing our talented young players with access to the senior coaches - and with opportunities to build relationships with the senior players - simply doesn't happen at any other club.

East Perth is trying to do something that is both unique and inspired and I have no doubt this genuine 'ONE Club' approach will support us into the future as we strive for success in all grades.

PAST PLAYERS & OFFICIALS REPORT

With all three grades returned to the Club, our 70 members continued support and involvement during the 2023 season including;

- A \$3000 donation towards trophies on Awards Night for all three codes.
- \$1500 donated towards a new TV to display memorabilia photographs.
- \$50 at each home game as a Reserves player achievement award, outlaying a total of \$400.
- A sausage sizzle for our Colts Team and opposition players at each home game.
- Subway rolls to the tune of \$560 for Reserves players at the close of their home games.

These activities and the hosting of half-time fellowships with East Perth members and opposition members were in turn supported by generously supplied donations from Princi Butchers, Charles Musca (raffle prizes), Jon Mellowship liquor supplies, Mount Lawley Subway and Mount Lawley Hardware Store, plus various local retailers.

As a direct result, we were able to present a good standard of catering (thanks in particular to Julie) and excellent raffle prizes at all home games whilst controlling costs.

Financially, our income comprised Members' subs \$2300 of Members' donations \$2315, special fundraising of \$1000 from selected members and Raffle sales of \$5120 that were kicked along by a special gate raffle offering accommodation at the Crown, courtesy of Travel Key.

Because we also strongly support the WAFL Combined Past Players in their endeavours of contributing to grassroots footy, we have

also been pro-active in;

- Extending a Coach's Award to both Reserves and Colts players at each WAFL club.

- Providing Leederville Oval for Combined PP Committee meetings.

- Arranging an annual Ascot Race Day with complementary WATC members' facilities.

Personal appreciation is extended to our PP Committee and helpers for their combined efforts and we look forward to continuing our support of the Club in 2024 and welcoming new members.

We were all treated to some outstanding footy during the past season even though we fell short & did not take our chance of a Grand Final appearance that was there in each of the last four games.

They say you have to lose one before you win "The Big One".

We will not make that mistake again in 2024.

Up the Royals!

LOTONS CLUB REPORT

2023 was a good year for the Lotons Club in that we maintained the same level of membership as 2022. We gained some new members, but lost some members due to them being unable to attend match days. Our 23 amazing members enabled Lotons to sponsor five up-and-coming footballers from across the club that included Riley Saunders (#39), Brandon Colbung (#49), James Chadwick (#69), Jesse Keating (#54) and Tom Albertson (#56).

The purpose of the Lotons Club is to raise funds that directly support the football playing group of the East Perth Football Club.

Depending upon the number of members who join each year, we attempt to sponsor as many players as possible. In 2024, we are looking at expanding our support towards the playing group and over the summer we will go into "training" and work on ways to achieve that!

The more members that join, the more support we can provide and with basic membership at \$50, it's a great way to support player

sponsorships through a team effort. Or if you wish to enjoy seating at home games, it's \$150 that allows you seating access for all 10 home games each year.

Thank you for another great year and we look forward to seeing our great supporters in 2024. If you wish to join the Lotons Club, you can join up via the East Perth FC website membership page or contact our President, Peter Kift (aka Kifty), at peterkift@hotmail.com.

Like you all, we are looking forward to going even further in 2024!

Drawn Games To 2022

In its 117-year history East Perth has only participated in 17 drawn games. The Royals have drawn games with all clubs except Peel Thunder and West Coast.

1937 was a bad year for any East Perth supporter with a weak heart. The Royals figured in three drawn games, all at Perth Oval. East Perth began the season with a draw against Claremont, tied with West Perth in Round 4, and finished all square with eventual premier East Fremantle in Round 21.
