by Mark Stewart

As a President and Board, we set high expectations for our club both on and off the field for season 2018. Unfortunately, the league team was very disappointing and we cannot hide from the fact that members and supporters would also be disappointed with the seasons onfield results.

The Board will continue to focus on the future ensuring we head in the right direction as we have total commitment and belief in the clubs' strategic plan. We will continue to challenge every area of the club for improvement and ultimately success.

One real positive for season 2018 is that our Directors, Staff, Volunteers, many Committees and valued Members have all been very active and productive. It's important that we are able to reflect on a few outstanding contributions and therefore acknowledge some of the wonderful achievements.

■ 2018 FINANCIAL REPORT

As can be seen from our financial report, we managed a small deficit of (\$6,160) after depreciation in 2018. Our challenge now is to continue to improve our financial situation for season 2019 and for the years beyond. Onfield success will certainly assist the club in achieving consistent and positive financial results.

■ CLUB LEGEND

I am proud to announce that Stephen Bilcich is our 2019 legend on our match day football. Stephen is a Premiership Captain and Life Member of the East Fremantle Football Club and by far his greatest asset, is just being an outstanding person. Congratulations Stephen, very well deserved.

■ OUR PATRONS

To our Club Patron Tony Buhagiar and Vice Patrons, Con Tripi, Ray Meadowcroft, Len Hitchen, Hon. Richard Lewis, Peter Lynn, John McGrath, Harry Morgan, Hon. Dean Nalder, Hon. Simon O'Brien, Glenn Sterle, Lisa O'Malley

and Ian Taylor their knowledge, advice, assistance and influence is so important to our great Club and very much appreciated. We also can't forget Arthur Marshall who unfortunately passed away during the season.

I personally would like to thank our No.1 Ticketholder in Ron Alexander who continues to provide his time and efforts to assist our Sub-Committee in pursuit of better facilities for the East Fremantle Football Club.

■ PAST PLAYERS & GREY POWER

Our sincere appreciation and thanks to the hardworking Past Players and Officials led by their President Mick Jez who continues to dedicate his time each season. They are an amazing, committed group who continue to contribute significantly to our great Club, so again, sincere thanks to Mick and your team.

We also appreciate the hard work and dedication of all our 'Grey Power' volunteers led by Gary Stockden. Their tireless efforts do not go unnoticed by

everyone at the Club. A big thank you Gary and to your wonderful team.

To our magnificent match day ladies. Words are not enough to pay tribute for your home game afternoon teas; they are legendary in the WAFL and we cannot thank you enough for your wonderful and continued contributions.

■ ONFIELD

Thank you to all our coaches. League Coach in Robert Wiley, your perseverance and determination was always evident throughout the season and we thank you for your service. As you would be aware, Rob has resigned as League coach and we sincerely wish him the very best in his future endeavours.

We would also take this opportunity to thank our Development League Coach Kyle Martin and Colts Coach Jacob Brennan on their respective seasons. Our great club would not be able to operate without the contributions and dedication of all our volunteers and support staff. So to all the Selectors, Team Managers and Assistants, our Trainers, Strength and Conditioning staff, Property Managers and other volunteers, we offer you our sincere thanks.

Thank you to Geoff Wolfenden, our District Chairman, and our District Development Team, for your continued support and dedication. I would also like to make special thanks to Mark Murphy, our Chartered Accountant, who has given his time in overseeing our Club's finances.

■ OUR STAFF

We have had fantastic feedback all year for our functions and events. The professionalism and organisation of all our wonderful staff has been

terrific. Thanks also to Darryn Fry, our Football Manager, who after 11 years of contribution, has departed company with our great club and we wish him well in his new role at the Fremantle Dockers. A special mention to two great servants who continue to give so much to our football club, Maureen Gathercole and Len Anderson, thank you.

To the Left Bank, Numero Uno and Nine Seeds, we thank you and your staff for your excellent contributions and services provided to the club on a regular basis.

I would also like to thank all of our many sponsors for their continued support and the contribution they give each year to the East Fremantle Football Club. Our Board will continue to engage with you and help you connect with our community organisations.

■ TOWN OF EAST FREMANTLE

To Jim O'Neil, Gary Tuffin and the Town of East Fremantle Councillors, thank you for your ongoing support and commitment to the East Fremantle Football Club.

My appreciation goes to my fellow Board Members who have served our club in a very professional and united manner. All have given and will continue to give their valuable time and professional contribution to our Club.

I commend our Management Team for its hard work and commitment in 2018 and thank you our loyal members for your ongoing support. Todd Shimmon, our CEO you are a true professional and I look forward to working with you in the coming season and huge congratulations on becoming a life member of the WAFL.

To my amazing wife Leanne and our magnificent daughters, thank you for your continued support.

This year there have been many changes within the club as it moves forward under the influence of so many value driven people. I urge all members to stay strong as we will be rewarded with success in the near future.

Finally, I would like to take this opportunity to thank you all as Members and Supporters and wish all of you and your families a very healthy, happy and prosperous 2019.

I write this report acknowledging that the Club is not happy about our League position on the ladder at the end of 2018.

So, for things to change we must first look at the way we do things, starting from the top to the bottom.

As you will see through this report, there were a lot of categories off field that ran quite effectively, but our performance on field was way below what is expected.

The Board was quite confident 2018 would be a better year with 6 new recruits to the Club and a solid pre season. However injuries to key personal after round 3 of the season seemed to derail our progress and we were forced to play young players who were not ready for League football for nearly 3/4 of the season, resulting in some 100 point beltings.

For most of the 2018 season we had 20 to 25 players unavailable on a weekly basis.

I would like to personally thank Rob Wiley for his time here as senior coach. For anyone who knows Rob, they will tell you that honesty and integrity are his finest traits, (besides being talented at any sport he tries). Although results will reflect badly on your tenure at the Club, you will always be remembered for your selflessness, and putting the Club before yourself. Results and injuries did not go your way, but you leave our Club with the utmost respect.

We wish you & Vange all the very best for the future and look forward to seeing you around the Club throughout the years to come.

We also had a Football Manager who put an enormous amount of time into the Club in Darryn Fry. Your work ethic and attention to detail is first class, and your love for football makes me look like an amateur. A big thank you to Tamara and family for allowing Darryn to give so much time to our Club, we wish him all the very best at the Dockers in the future.

A big thank you to all the coaches and support staff under Rob & Darryn for their continued professional support throughout 2018.

Our WAFL football environment is changing, and we must change with the new structures and competitions that will evolve in 2019.

We welcome Bill Monaghan and Brad Dodd into their new roles with the Club with a strong mandate to decide which footballers are needed to change our current position.

Both gents have extensive WAFL experience in developing strong playing lists who can perform week in and week out, and we look forward to moving up the ladder in 2019.

On a brighter note, our Colts again performed well in a new competition, now managed by Mark Pashby as the EFFC Talent Manager for WAFC. A big thank you to Jacob Brennan, (Colts Coach) and his Coaches for developing a large group of Colts players for senior football next year.

■ BAR & HOSPITALITY

As stated last year, we have contracted 3 local hospitality operators to run our Bar and Catering throughout the Club. A big thank you to : The Left Bank, Numero Uno and Nine Seeds.

- The Left Bank Hotel – running the Club's bars with Dion Ayriss managing staff & rosters.
- Numero Uno – Function Catering – Guido and Linda Micalizzi running all function catering for the Club.
- Nine Seeds Café – Amrit and Neal running our Coffee Carts and Kiosk for all game day food.

Thank you for your support, and we look forward to working with you in the future.

■ FACILITY UPGRADE

The facility is in constant need of repairs and maintenance and I must thank the following people for their outstanding support in this area.

Since October last year the Club along with the Past Players group, and with good support from East Fremantle Town Council have worked closely as a team on upgrading the facility.

The following was upgraded in 2018.

squads, and we look forward to working with the GNFL to provide an excellent pathway for the future.

We have just appointed Craig Walker as our Mid-West Regional Manager, and his new position is set up to help provide a better transition for players coming to Perth and players returning to Geraldton and how we can assist with flights, accommodation and regular updates on Midwest player development.

Craig will work closely with the GNFL through Grady Tomelty and the WAFC Regional Development Officer, Kristian Diction in Geraldton and be in regular contact with our Football Operations Manager, Brad Dodd and WAFC Talent Manager, Mark Pashby at East Fremantle.

■ WOMEN'S FOOTBALL

Women's Football within the district continues to grow with large increases in participation numbers. A big thank you to Kate Argent and her executive team for their work in developing Women's football throughout our district.

Congratulations to our Reserves and Youth sides for making the finals, and to our League side for winning their 7th Premiership by 5 points.

Congratulations to Nikki Harwood (Coach) & Steph Walding (Football Manager) on their success with the League side.

Congratulations to our EFFC Women players who are playing at higher levels around Australia, we are very proud to provide a pathway that allows the growth of women's football.

We look forward to working with our EFFC Women's teams in the future to provide stronger competitions for our women to showcase their talent.

■ VOLUNTEERS

Please see page 34 for our Volunteers in the Annual Report instead of me trying to thank them all in this report. I have made mention of a few below, who are always there in time of need.

A big thank you to Mick Jez and his Past Players, who continue to do an

Please see update on Masterplan for the facility in our Facilities Report.

■ FINANCIALS

Unfortunately we will have a small deficit (\$6,160) after depreciation for the 2018 season. We were looking at a good surplus half way through the year, but poor results on field in the 2nd half of the year effected our income in most categories.

A big thank you to the Finance Sub Committee of Kerryn Batten, Mark Stewart, Bob Uittenbroek, Mark Murphy and Darryn Fry.

■ SPONSORSHIP

Sponsorship continues to be our strength in a difficult financial market.

The Club raised over \$400,000 in sponsorship again this year, and we thank our 58 community sponsors who continue to support the Club year in and year out.

A big thank you to our Business Development Team of Renee Ciesla, Kim Chatfield and Dave Edinger for all their work in this area.

■ JUNIOR DISTRICT

Our Junior District Clubs continue to provide excellent talented players for our development squads. Thank you to the chairman of the District Council in Geoff Wolfenden for his guidance to the District Admin team of Bradd Gardiner, Tom Atkinson, Daren Bell and Mitch Harvey throughout the year.

Our Junior Competitions still run at a high standard, and we thank Anthony Doig for his continual work in this area.

■ COUNTRY ZONE

This year we played our CSE game in Geraldton vs Claremont on the 30th June. We would like thank Colin Cox and his team from the GNFL for their hospitality throughout the weekend, and for setting up a great day for the Geraldton public at Wonthella Oval with the Grand Final of the Women's competition played that night after the WAFL League game.

Our Country zone of Geraldton continues to provide excellent talent for our top 3 grades and development

excellent job for the Club in catering, maintenance repairs, and equipment for our footballers. They have raised over \$40,000 for the Club again this year. Thank you to Gary Stockden and the Grey Power for their work cleaning up the facility each week. To Angelo Cuccovia for keeping a good eye on the facility to make sure we stop break ins. To Cass Rowe, Noel Ireland, and Des Cornish for always being here to set up Friday Members Night, to Brenton Boddington (who is tall enough to lead our ruck), is an outstanding young man who has been supporting our football staff in the IT and ground management area, and finally Maureen Gathercole for her ongoing support to our Colts team and support on any historical statistics needed by the Club.

■ BOARD & STAFF

A big thank you to Mark Stewart and the Board, this year was a difficult year for all staff, but your continual support and guidance to all staff is very much appreciated.

The current Board is a united group, and there has been dramatic changes to the WAFL landscape over the last 5 years, and now we will see a 10th team enter the WAFL competition for the 2019 season.

We are united that we will continue to build from within and provide the best pathway for any young player within the East Fremantle district (Metro & Country).

I sincerely thank the Board for the voluntary time you all put into this Club each year.

And finally a big thank you to the administration staff of Judi Miles, Julie O'Brien, Renee Ciesla, Darryn Fry, Mark Pashby, Brenton Boddington and Rob Wiley for their outstanding commitment to the Club.

I am very fortunate to have such a wonderful admin team who are so passionate about the Sharks. We all feel those losses, and we don't like losing, and we are all very determined to turn it around in 2019.

To all members and supporters, I hope you have a Merry Christmas and a Happy New Year, and look forward to seeing you at Shark Park in 2019.

Unite for the Blue & White.
Todd Shimmon

FINANCIAL SUMMARY FOR 2018

As stated previously the Club recorded a small deficit of (\$6,160) after depreciation.

Nine (9) months into the year, the Club was still looking at a healthy surplus for the year, but unfortunately poor bar sales and attendances in the later quarter of the year effected the bottom line. We made changes to our hospitality area, reflected in lower wages for bar staff through the Left Bank.

Our senior side's performance in 2018 effected income in the areas of Membership, Bar Turnover & Gate Attendance.

In 2018 the WAFC took over the full costs to run Talent programs across all of the WAFL Clubs.

This allowed us to make significant savings in expenditure in our Talent programs, but now, the Club receives no income from AFL draftees.

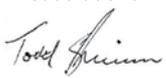

The Club has some challenges in the future with the introduction of a 10th WAFL side in the West Coast Eagles.

The Club will work closely with East Fremantle womens' teams to supply appropriate facilities and structures within the Club for womens' football to grow.

Below is a summary of our results in each category, along with a comparison to the 2017 financial year.

Business Development, Marketing & Sponsorship

by Kim Chatfield - Director and Renee Ciesla

2018 was another solid year off field for the Sharks. We are extremely lucky and grateful to have such dedicated sponsors both new and old, despite tough economic times. The dedication of our partners allow us to invest in our football programs and community initiatives.

We welcomed a raft of new sponsors this year: The Groove Train Fremantle (now Millennium Sports Bar), Alti2ude High Performance Gym, Urban Quarter, Meneghello, Tyreright Welshpool, Willcraft Estate Planning, Midwest Agribusiness, TABtouch, Gerard Daniels, Westminster Finance, Astute Security Services, Outstanding Signs and Virgin Airlines.

A massive thank you must go to this year's Major Sponsors Titan Ford, who are in the 25th year with the club and New Choice Homes.

We were thrilled to renew our partnerships with Retravision and Thrifty, who have been unwavering in their support of East Fremantle. Our continuing Platinum Partners; The Left Bank, Watershed Wines and Air Roofing are vital supporters of the Club and we thank them too for their sponsorship alongside our ever-growing list of Official Partners.

Unfortunately, we have come to the end of our partnership with Copyworld. Thank you to Graeme Gemmel and the team at Copyworld for their support over the last 5 years.

Following on from the success last year, we continued our Sponsor Networking Breakfasts as a way of bringing our vast number of sponsors together. Held throughout the year, these breakfasts were an opportunity to facilitate introductions and encourage supporters of the club to use each other. Thanks to The Left Bank and The Groove Train (now Millennium Sports Bar) for hosting us on these mornings. As we bridge the gap between our corporate partners, our focus for 2019 is to create a better link between our sponsors and members. Please have a read through our sponsors list and have a think about who you can support. When times are tough it is great to be able to look out for the people who constantly back the club we all love.

Our sincerest thank you to the sponsors, directors, members and staff that introduce new businesses to the club. Many of our sponsors are introduced by referral, so if you know of any interested parties, please send them our way.

We cannot thank our sponsors and partners enough for their continued support of the Club. We wish you all the best for 2019 and look forward to working together for the success of your business and the Club.

■ MARKETING & FUNDRAISING

Our Gala Auction was again the showpiece of our fundraising efforts. This year, Lights, Camera, AUCTION was

a movie inspired evening, that had glitz and glamour to rival the Oscars. A huge thank you to both the donors and those who purchased items, your generosity makes this event possible. Galabid has been instrumental in our fundraising endeavours, enabling not only those in attendance to bid but everyone at home. It also provides our donors with another level of exposure.

The Corporate Golf Day was another successful and crucial fundraising event held at Royal Fremantle Golf Course. Congratulations to the winner PSC McKenna Hampton and those who sponsored the day.

Social Media is now one of our prime means of communication with Sharks fans. If you haven't already got onboard with the Sharks Facebook page, make sure you do and be sure to engage with our posts. So you don't miss any of our posts, hit the LIKE & FOLLOW buttons! East Fremantle is also on Twitter and Instagram to keep you up to date with all things Blue & White. Don't forget to subscribe to our weekly e-newsletter 'Sharks Circle' which always has special offers from our sponsors.

The Sharks headed to Geraldton for our Round 13 Country Enrichment Match against Claremont. Although we didn't come away with the win, the trip itself was a success with players engaging with the community through training sessions with students and local footballers.

East Fremantle were lucky enough to have students from Notre Dame assist with content creation for our YouTube channel this year. Thank you to Ella Gorringer for her work with the Senior Squads and Matthew Speyers for his effort with the Colts. A huge thank you to Brenton Boddington for his service to the club during events and with game highlight reels.

My sincerest thanks must go to our Past Players and the Grey Army. From our Holiday Clinics to the MND Drive, the Past Players have kept everyone well fed and looked after. The Grey Army work tirelessly to have our signage around the ground installed and are always on hand to maintain Shark Park.

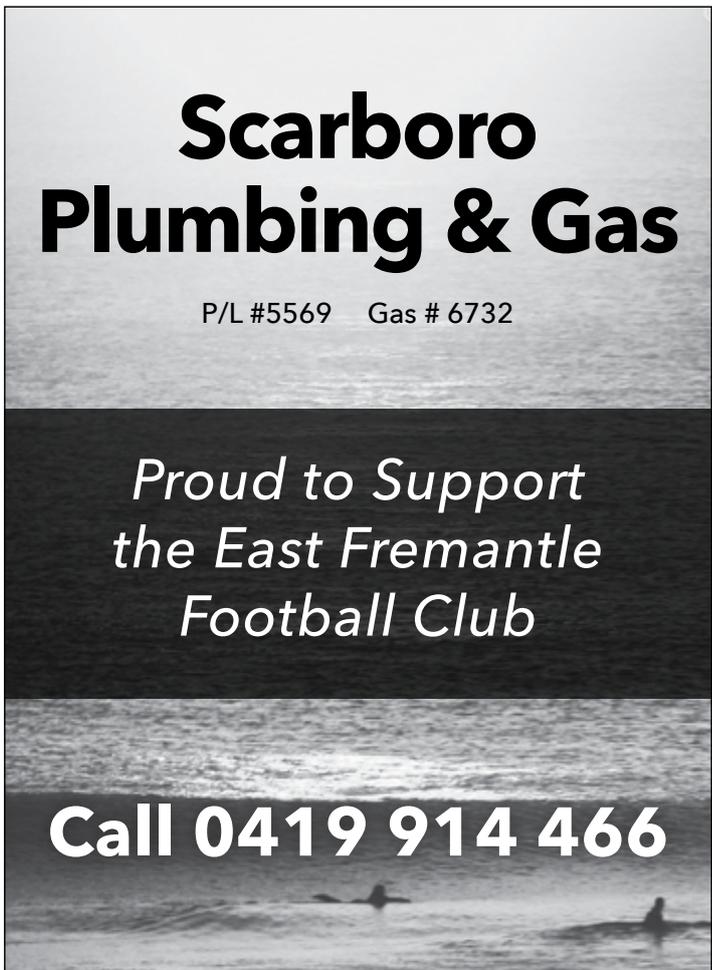

■ COMMUNITY ENGAGEMENTS

Holiday Clinic - This year we were lucky enough to have returning Shark, Jordan Snadden lead our School Holiday Clinics. Over 200 children attended the days in April & July, with some footballers in the making! A visit from some West Coast Eagles players made the day even more exciting for the kids, taking part in drills and of course photo opportunities and signings at the end. Thank you to our players from East Fremantle & East Fremantle Women's FC for their roles on the day.

MND Drive - In support of our major charity partner, The Motor Neurone Disease Association of WA, the Sharks hosted the launch of their annual drive in October. Our Past Players provided a big breaky to keep the drivers full on day one of their journey.

Fathering Project – We were honoured to host the Fathering Project this year, a charity that encourages dads to be more involved in their kids' lives. The Club provided free entry to parents with kids on the day, and some giveaways to ensure everyone had a great time.

Unite for the Blue & White!

Undefeated Sheedy the perfect foil for Phelan

■ Steve Butler

With a rare football feat at Chris Phelan's fingertips, the Subiaco veteran yesterday paused to reflect with one of the greats of the game.

Phelan's Lions are one win away from becoming just the third WAFL team to complete an undefeated season.

WA football legend Jack Sheedy is the only living member of the East Fremantle team that achieved the honour in 1946.

And when the pair met at East Fremantle Oval yesterday, it was clearly poignant for Phelan ahead of tomorrow's grand final against West Perth at Optus Stadium.

"It's a pretty special moment," the Subiaco life member said.

"It's probably a picture I'll hang up on the wall in the pool room, hopefully next to a premiership guernsey and medalion. We came pretty close last year when we lost two games and even that was a huge effort.

"It's certainly not something we strive for but Schoey (coach Jarrad Schofield) is always looking for the perfect game and the perfect season and hopefully he gets it this year."

Sheedy's name features on almost every major honour board for the game's elite levels.

He was inducted into the Australian Football Hall of Fame, is a legend in the WA Football Hall of Fame and is a member of the Fremantle Football Hall of Legends, the East Fremantle Team of the Century and the East

Perth Hall of Fame. But it was bittersweet yesterday for the man who will turn 92 on Friday when he considered his team's unique 1946 feat and the fact he was the last man left to remember the post-war win over West Perth.

"I was only a baby in the side," he said, looking at an old picture of his team.

"A lot of them were a lot more experienced than me, some of them had come out of the army and the navy.

"To play in a grand final and to be undefeated is a big thing.

"It's still special and I'm the only one left. I've had a good life and been lucky."

Sheedy urged Subiaco players to treat the game as normal to earn something special.

"It's only ever happened once, so I guess that shows how hard it is," he said.

"Subiaco have got to do it yet. It would be a magnificent thing for the club itself. I'd rather East Fremantle do it."

I must thank our dedicated volunteers on our Membership Committee for their time, particularly in manning our main entrance gate in Moss Street for the first 3 home games of the 2018 season.

Sincere thanks to Glenn and Rod Brown, Angelo Cuccovia, David and Lyn Edmonson and to our players.

The dedication of our Office Staff - Judi Miles, Julie O'Brien and Renee Ciesla - who look after all the processing of memberships amongst their many other duties is greatly appreciated.

Sincere thanks to our Members who rejoined in 2018 and continue to support our great Club. Your contribution is certainly appreciated by the Board.

Special Events and Fundraising

by David Edinger - Director

Our 2018 Corporate Golf Day was a hole in one! Held at the beautiful Royal Fremantle Golf Course in April, where 19 teams took to the greens. Thanks to the sponsors and players involved we raised over \$16,000 for the club.

Our 'hole' sponsors this year were:

- Titan Ford • Toshiba (Copyworld) • Thrifty
- The Left Bank • Panthercorp • PSC / McKenna Hampton
- BM&Y Accounting • Edinger Real Estate

PSC McKenna Hampton walked away as the top dogs, while my team, Edinger Real Estate came an achingly close second. Tyre Right's team made an impact on the green as well, watch out for them next year!

The introduction of the Peoria system this year ensured a level playing field. To keep everyone entertained, we had a prize to be won on all 18 of the holes - made possible thanks to our generous donors.

This is a fantastic event on our calendar, especially for all of the golf lovers out there. Royal Fremantle is an exclusive course that usually requires a membership so it's an opportunity to play on one of WA's best greens. Not only a perfect opportunity to network with other sponsors, it's a fantastic place to bring clients or staff! So, get a team of four together and promote your business over 18 holes, whilst the drinks cart makes its way to you.

A special thanks to Toshiba (Copyworld) for providing merchandise to get our players through the day.

A big thank you to the events team that made this possible, Director Kim Chatfield, CEO Todd Shimmon and Business Development Officer Renee Ciesla.

I look forward to the year ahead and would like to take this opportunity to wish you a very Merry Christmas and prosperous New Year.

Junior Council and Talent Academy

by Steve Miguel - Director of Academy and Mark Pashby - Talent Manager

The district has had another fantastic year of football in 2018 with strong growth amongst our key portfolios in all aspects of football. Our Fremantle Conference Competition has been a high quality competition.

I would also like to commend our junior competition Council, comprising of Competition Director Anthony Doig, Assistant Competition Director Helen Hunter and Registrar Susan Cassidy-Parker and Conference Administrator Roby Elms, they have devoted countless hours to their roles and continue to oversee the highest quality junior competition throughout WA and Australia wide.

The academy focus is always to be the centre of excellence and achieving the following:

- Optimise Draft opportunities
- Produce 100 game players for EFFC
- Provide a path for Coach Development

We have seen results achieved in our academy from our youth being trained at the next level to improve their skills and game play.

Our Academy development coaches and volunteers put in an enormous amount of hours from their daily work to train and develop Youth squads in our program set for the season.

Many thanks to our talent manager Mark Pashby, for a great job and our thanks to all the coaches who participated in the programs to date.

The 16's development squad performed very well early in the year with EFFC having 7 representatives in the state 16's team. Four of these boys were from the mid west.

The 14 & 15's development squads also showed that there is a significant talent in the district, particularly our 15's where there is some high level talent including 8-10 boys from Geraldton with 4 or 5 having serious claims to state 16's representation.

The 14 & 15's will receive IDPs (Individual Development Plans) from their coaches so they can work on their game over the off season.

The Talent Academy is overseen superbly by Larry Cavallo (head coach 16's). Larry also oversees the coaching groups in the 14 & 15's. The club has an excellent group of community coaches coming through the Academy and hopefully some of these will potentially develop through to colts in the coming years.

Development Squad Coaches as follows

The 16's development squad coached superbly by head coach Larry Cavallo and his assistants, Neil Mildenhall, Dan Richards & Liam Anthony.

- 15's A Mark Kerspien
- 15's B Adam Drake-Brockman
- 14's A Chris deRosario
- 14's B Adrian Ricciardello

Mention must go to a large group of Assistant and Development Coaches and volunteers, who gave their time up to assist with the 14 & 15's squads,

Dan Richards, Tony Watson, Brenton Miller, Ian Hanson, Liam Anthony, Ian Ashenhurst, Andrew Browne, Colts players Marc Murphy, Jesse Rowe, Nic Watson & Tom Monaghan who gave their time to assist with the development squads.

S & C Coaches Brendan Lewis & Nick Kommer were also outstanding with their assistance over the year.

All teams were managed by Kylie Blakemore whose efforts were nothing short of outstanding over the whole season.

In so many ways 2018 was almost Déjà vu to last season. Another extremely tough year, crippled with significant injuries to a number of players, some big losses along the way, but again there was the unearthing of some quality youngsters who showed more than enough to suggest that with a little luck, another preseason for the youngsters and further injection of recruits that there can be a sense of positivity about the future.

The league and development league coaching structure changed considerably. Shane Thompson took the role of league backs coach, Lindsay Dick was promoted from the development league to league forwards, while Bradd Dalziell remained as midfield coach Kyle Martin took over as development league head coach and was joined by three new line coaches in Brenton Miller (forwards), John Watters (mids) and Daniel Richards (backs). Returning to the Sharks after his time in the AFL, Jonathon Griffin took over responsibility for coaching the talls and rucks at the club. Matt Riley also joined the coaching team as High Performance Manager.

From a playing perspective there was much said about the recruitment of talent into the club, with local players in Griffin, Jansen and Snadden returning to their club of origin, while Cameron Loersch (key forward), Nick Kommer

(inside mid) and Blaine Boekhorst (mid) also joined the team. However, there were some talented players from WAFL backgrounds in Sean Fletcher, Jesse and Russell Wynne, plus a number of talented young kids who came up from the colts, many of whom were part of the 2017 Colts premiership. After an injury ravaged season in 2017, there was also good indications that the likes of O'Brien, Anthony, McNamara, Howson, Regan and Ellis would also be like having new recruits.

As it turned out O'Brien, Anthony, Regan and Ellis didn't play a game, along with Mirco and Fahey (who had shown good signs during the preseason), while Howson only managed 5 and McNamara retired after more injury setbacks upon playing his 8th game of the season.

All that said, signs were strong early in the season with a narrow loss to 2017 premiers Peel Thunder, who were laden with AFL talent; a game we should have won. We followed that up with a win against Perth and in round 3 we suffered a gut-wrenching loss to Claremont, with a goal on the siren. To compound our early season injury list Boekhorst wasn't to play after suffering an ACL injury 15 minutes into round 1 and Kommer suffered a facial fracture in the Claremont loss. Loersch wasn't to get on the park until round 6.

Unfortunately, outside another good win in round 8 against Peel Thunder, which was our only other win of the year, the season was no doubt another tough one for the club. Whilst injuries can't be the sole excuse for our results, we again need to acknowledge the impact they did have. Aside from those injuries already mentioned, Loersch would only go on to play half a year, while Kommer (who was influential when he played) could only manage 7. Griffin battled injury for a majority of the year and in total we lost well over 200 games to players who had the ability to play consistent league football.

Once again many young players got the opportunity to experience league football with a further 21 playing their first league game for the club during the 2018 season. Of that group, 15 were local products (5 from last year's Colts group and 5 from this year's). The club continued to follow a recent trend with the percentage of local talent playing league football sitting at the 75% mark. With an expected 30+ youngsters from this year's strong colts program team making the transition into senior football in 2019 that could increase even further. This year we continued to see talent and the fruits from the great work of those in the GNFL, our country zone and through our Midwest Football Academy (led by Craig Walker). 22% of our list from Colts

to League was again represented by those from the Midwest. Of those debutants 5 were from GNFL clubs. Congratulations to all players who debuted who are listed on pages 20-21.

The Development League would have had high hopes of a successful 2018, with the projected talent in the squad, but for many of the reasons stated earlier (injury etc) that did not quite eventuate. The season was one of inconsistency. There were some strong wins against teams who featured in the finals, but then some heavy losses. In all we played 70 players in the Development League, which must be some kind of record, with up to 9 colts players from this year's group playing in the latter half of the season so that we could field a side.

To put some perspective into our season the following stats provide some insight into why there were challenges at senior level and why I see a positive future, albeit we as a club will need a little patience.

We had the youngest list in the WAFL, with our average age at both league and development league dropping each year over the past three years. We played more players at senior level than any other club. We played significantly more 0-25 game players than any other club at league level. The challenge is now to turn those into 40+ game players as quickly as we can. Strong analysis undertaken

during the year has shown that we are the least experienced list. There were a number of games where the 22 that ran out on the park were more than 50% less experienced than their opposition, with a season high peaking at almost 80% less experienced. The club had 24 players only play between 0-5 games this season, compared to strong clubs who only have had 7 and 8 in the same category. Dylan Winton was the only player on the list to play every game this season, where some of those successful clubs have had more than 10 to have played every game.

The senior coaching group are once again to be commended for their commitment and passion to the club and the senior football program. As we are aware Rob Wiley has finished his time at Shark Park. It has been an absolute pleasure to have worked with a legend of the game but just an outstanding person, one who has compassion, empathy, strong values and character to name just a few. Rob has always put the club first and despite the results not going our way he can certainly leave the club with his head held high.

The focus post-season needed a quick turnaround in making changes and appointments that will drive the club to setting itself on the path to future success. There will be a strong review of the football program, including the

continue page 18

list. We need everyone to evaluate their own performances and actions with honesty and set high expectations to want to be a part of a team that works together to achieve a common goal. While injuries no doubt had a significant impact on our season we can all take some responsibility in what we can improve on moving forward.

There will be others who will move on, players and staff alike. Jamie McNamara announced his retirement mid-year. J Mac has been an outstanding player of the club. He has been captain and bled blue and white. I wish you the best. For those I know are moving on; Ash Bannister (head trainer), Shane Thompson (league assistant), Kyle Martin (development league coach) and Darron Outram (15 years as a team manager) thank you for all you've done for East Fremantle FC. To all others who may depart prior to the start of pre-season I wish you all the best.

The WAFC took charge of the Talent Pathway in 2018, but such is the strong connection and commitment of our club those both from within and externally would have known no different. Jacob Brennan took the reigns as head coach, with Mark Pashby taking on the role of Talent Manager. After winning the premiership in 2017 the colts have continued to perform well and congratulations to all the staff throughout the academy for their effort in developing talent for the future of the club (and hopefully for some to the highest level).

Special mention must go to Nicholas Watson, Corey Robinson and Cameron Davidson who made the WAFL team of the year. Jeremy Sharp, Dillon O'Reilly and Luke Jackson should be commended for making the State 18's team for 2018.

Congratulations to all award winners from the Club's recent Lynn Medal night. All winners can be found on page 38 of this booklet, but from me personally well done on your personal achievements. To the 21 league debutants (listed on pages 20-21) well done on playing your first league game for the club, something that I am sure you'll cherish for the remainder of your career. I hope to see many more games for the blue and white. That sentiment also goes for the players who played their first Colts' game at East Fremantle. I hope to see that transpire into a League debut at some point in the near future.

There were a few milestones (in terms of league games) in season 2018, with George Hampson playing his 100th WAFL game, along with Jack Perham who played his 100th league game in the blue and white.

Each year I hope I do justice in acknowledging the outstanding support and commitment from our volunteers and support staff. Although you are mentioned in this annual report I personally would like to say thanks to you all. Never underestimate your impact for the Club. I would like to especially make mention of our Past Players who have been amazing in their support of the club as a whole but for myself and the football department. From the food you provide to the maintenance support you give, I thank you for all that you have done and will continue to do.

Finally, to the staff; thanks for a wonderful journey. It has been such a great time working with such dedicated staff. I will miss the walks to 9 Seeds and positive environment in the office. To Todd, special thanks for your support and the opportunities you have given me to develop. You have been an outstanding CEO and have thoroughly enjoyed working with you. To the Board once again I appreciate firstly the faith in giving me the opportunity 6 years ago to be the Football Manager of this great club and for all your support along the way. I know with such strong, united leadership we will turn things around. Michael Brennan has been a fantastic sounding board with all football related matters in his role as Football Director and I thank you for that.

While this is me signing off, the East Fremantle Football Club will be a strong part of my fabric. I'll be watching with great interest to see us return to be a force in the WAFL.

All the Best

Strategic Projects

by John Ipsen - Director

EFFC staff and Board continue to gain traction around finding certainty for our future facilities, as we believe we are much better situated now than where we have been in recent years. We continue to regularly engage with key stakeholders and influences around progressing our clear aim of having new facilities for our great club.

This year has been no different in that our focus and commitment to new facilities has been maintained. What has become reality, is that this is not a quick process and we are certainly at the destiny of others when it comes to developing and funding new or upgraded facilities. Whilst this has been a somewhat slow and at times a frustrating process, we are very comfortable that the club, as a result of our involvement in the processes, will eventually achieve a positive outcome.

Our current facilities, like our great club, are not getting any younger. Attracting people to our club and the continued costs of maintenance are certainly key issues that we need to constantly address. The EFFC and the Town of East Fremantle (TOEF) together maintain the facilities and surrounds. Strategies to achieve a medium term and sustainable refurbishment of the EFFC facilities continue to be developed.

■ STAY AT EAST FREMANTLE OVAL

Any refurbishment / construction of new facilities at the East Fremantle Oval precinct will need to be funded from sources outside of EFFC and this is the major focus of EFFC to determine the reality of whether this is achievable.

We are in regular contact and are currently in discussions with the TOEF on their vision for the Club, our facilities and surrounds. In late 2017, the TOEF commenced an East Fremantle Oval Precinct Redevelopment Masterplan to which we are key stakeholders and this process should be completed by December 2018.

A thorough process (Charrette Process) has been undertaken by GHD Consultants (September 2018) and we have been involved in discussions with these consultants to which our inputs have been taken into consideration.

In essence, the plan will outline the strategy for the provision of future facilities within the East Fremantle Oval precinct. The general consensus is that the East Fremantle Oval Precinct can be developed as a multipurpose community and recreation facility. The biggest issue confronting this opportunity is that it will require funding from outside existing funds and revenue streams.

■ MOVE TO FREMANTLE OVAL AND SHARE FACILITIES WITH SFFC

Whilst this is not necessarily our preferred option, the EFFC is still committed to investigating the possibility of moving its administration facilities and playing our 10 home games at Fremantle Oval. We continue to liaise and be involved in this process as we believe it would be irresponsible to not do so.

In late 2017, the City of Fremantle formed a joint reference group to discuss and develop the Fremantle Oval Precinct Development Plan. There are 13 members of the group and our CEO (Todd Shimmon) is representing EFFC. As is generally the case when so many stakeholders are involved, it becomes a slow and somewhat frustrating process as all stakeholders need to have input. EFFC is certainly part of the process and will continue to be involved and act in the best interests of our club. The final Masterplan is due to be completed by the end of 2018.

Representatives of the EFFC Staff and Board will continue to work closely with both councils to ensure the best outcome for the EFFC in regards to facilities and the long-term vision for our great football club.

■ STRATEGIC PROJECTS

As communicated in last year's annual report, the Western Australian Football Commission (WAFC) introduced the Boston Report, with many outcomes

being implemented. The **New Talent Development Program** was implemented in 2018 and we are working closely with the WAFC to provide the agreed talent outcomes.

Another outcome from the Boston report is the **New District Development System in Western Australia**. Again, representatives of the EFFC have been heavily involved in determining the final outcomes as to how these initiatives will be implemented. Members of EFFC were part of the recruiting panel and this program has now commenced and whilst still ongoing, we are comfortable that the new system will provide better outcomes for the EFFC district.

Another result of recent outcomes is the **Western Australian Women's Football New Structure**. Representatives of EFFC worked with the WAFC and attended workshops to introduce a new women's competition for the 2019 season. Unfortunately, due to a lack of sufficient funding, the women's competition will remain unchanged in 2019 and we hope to implement the new competition in 2020.

Key critical to the success of the Women's Football new structure, is the financial viability and sustainability. The current processes include canvassing the AFL for additional and proportionate

funding to ensure the new talent pathway is successful for the long term.

A great result for EFFC in 2018 was the **Ground Maintenance – East Fremantle Oval** being contracted out to Turfmaster. This initiative commenced in late 2017 (and after 40 years of ground maintenance undertaken by the Town of East Fremantle), has been a tremendous success. The standard and condition of the playing surface is as good as any ground in the WAFL. The TOEF continue to fund the cost of the maintenance and our relationship with both parties is excellent.

SCHOFIELD, Kim*Debut 30 June v Claremont*

From Railways FC, Kim was awarded the JJ Clune Medal in 2017 as the best player in the GNFL. Our Champion Medallists

LYNN MEDALLIST GEORGE HAMPSON

George has been widely acknowledged as a highly talented WAFL player. A former best and fairest winner at Subiaco, George was recruited to East Fremantle prior to the 2015 season. After his first three seasons at the club were hampered by injury, George, through diligent body management, was able to play all but one game for the 2018 season, showcasing his talent and in the process playing his best football for the Sharks. A very worthy winner of the Lynn Medal in 2018.

HENRY JEFFERY MEDALLIST ZACHARY JACKSON

After being a joint Alan Trott Medallist for the 2017 Colts program, Zach made the transition into senior football very well this season. A consistent performer as a strong marking, rebound defender, Jackson was rewarded with his league debut, playing in the final three games of the 2018 season, where he acquitted himself very well.

LEN ANDERSON MEDALLIST COREY ROBINSON

Congratulations go to Corey who had an outstanding year in the Colts playing 18 games including two finals and also making his league debut in Round 17 against Swan Districts.

Corey's work around stoppages was outstanding throughout the year and his season was one of consistency winning the Best & Fairest by a comfortable margin.

Corey is destined for a bright future and we look forward to seeing him move up through the grades to be a long term East Fremantle League player.

by Rob Wiley - Coach

After a disappointing 2017 the club embraced a rigorous and successful campaign to recruit ex AFL East Fremantle players back to the club as well as other delisted AFL players. We were delighted when Jon Griffin, Jarrad Jansen, Jordan Snadden, Nick Kommer, Cameron Loersch and Blain Boekhorst committed to playing for the Sharks in 2018.

We were also pleased when Liam Anthony, Brock O'Brien, James Bristow and Fraser Perry all decided to recommit and on the surface this provided our list with much needed experience and talent to the very

young list we had playing for us in 2017. Added to this we were able to lure Sean Fletcher (Swan Districts) and from the country Russell Wynne and Jesse Wynne.

We needed to get fitter and work on our skills as well as get a number of players through a well organised and structured rehab programme.

Matt Riley and Tom Newman were outstanding in this area.

Players attacked pre-season with much promise and anticipation of an improved season and there were many pleasing results in personal bests that were achieved.

A new coaching panel assembled, and both Shane Thompson and Lindsay Dick joined as League Assistants alongside Bradd Dalziell. Together with the new Development coaches in Kyle Martin, John Watters, Dan Richardson and Brenton Miller, this group worked tirelessly in helping the group work through what was needed in their preparation. Thanks to all the coaches for their work ethic and support.

Unfortunately, as the season unfolded we fell well short of what is expected at this proud and great club. The injuries

that hampered us in the previous years continued as we lost Blaine Boekhorst at the 15 minute mark of the first game and this seemed to ignite our injury problems once again. 50 debutants played in 3 years and this posed questions on our talent depth and continuity for the players to play together week in and week out. As head coach I take full responsibility for the performances but in the end everyone must take this responsibility to enable the club to get back on track to success. Hopefully all the new players have gained some insight into what it takes to be successful at league level.

I was very fortunate to have so much help in my time at the Sharks which made my job so much easier.

My thanks to the team managers in Uldis and Darron, Mitch the runner, medical staff lead by Ben and Nick, and all the Sports Science staff, Ash Bannister and the many trainers, the property staff in Dave, Ross, Harry and Nathan, Noel and Chris on match day, our statisticians lead by Jelena. Rhys and Dan and a special thank you to Brenton Boddington and Steve Stanley for their assistance to both coaches and players.

To the office staff in Judi, Renee, Julie and Pash a huge thank you.

In my short time at the club I could not have been more grateful to the board for all their help. I was also fortunate to have the loyalty and friendship of our CEO, Todd Shimon and Football Director in Michael Brennan. At all times you were honest and I appreciated your feedback.

To Darryn Fry, our Football Manager, thank you mate for everything. I know that Fremantle will be the winners in your knowledge of the game and your work ethic. Your help and friendship will not be forgotten.

Finally thank you to the players for all their commitment. I totally understand that it didn't quite work but I appreciate the sacrifices that you made under my direction.

This year's leaders in Jon Griffin, Matthew Jupp, Jonno Marsh, Cam Eardley, Nick Kommer, Jayden Schofield and Jack Perham were a great help to me and their honesty and passion served the group well. However as we go forward everyone in this playing group must take responsibility and make more sacrifices in their honest attempt to get success to this club.

Go the Sharks in 2019.

Development League

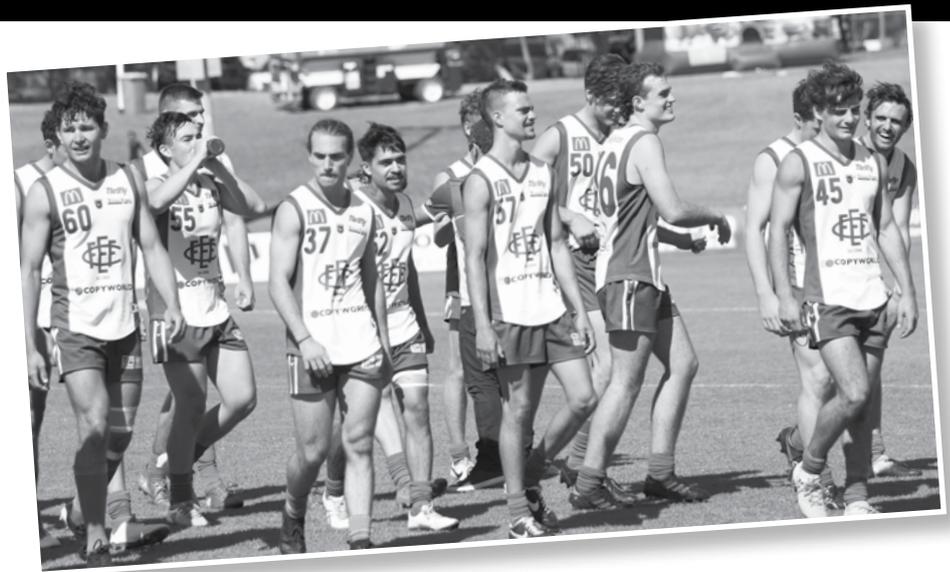

by Kyle Martin - Coach

2018 was certainly an experience for all involved, especially in the Development League. With 72 players going through the side, it was always going to be a difficult season, but the boys stuck tough and we ended up 2 games out of the 5, with the last game of the season a fantastic win against the odds (8 Colts played) and knocked South Fremantle out of the finals race.

The fact we had 72 players going through the Development League often meant selection was left until Thursday nights and many guys had to play out of position. However, this also opened up new doors back into the league team or even debuts in some cases. This is the best part of the Development League and I truly believe that for this club to fight its way back up the ladder. Cohesion is the key in all grades. This can be managed well if everyone buys in and has a great off season. Of the 72 players who played, 35 debuted for the club, and of that 35, 12 made their League debut. Our forwards coach, Brenton Miller also pulled on the boots this year which was a bit of a laugh.

The future is bright moving forward with many players pushing up from the Colts

last year and a strong Colts group this year really does put the club on the right path.

A massive thanks to Rob Wiley, Darryn Fry and the East Fremantle Football Club who gave me this opportunity to coach at this level. Although the wins and losses weren't what we all expected, I have learnt so much and made many friends along the way.

Finally, to my assistants, John Watters, Brenton Miller (made his debut this year) and Dan Richards – you guys have been fantastic with the way you have handled this year. Even though at times we may have not agreed on certain things we always had the best intentions for our playing group, and I'm sure the players are as grateful as I am with your level of commitment.

Good luck in 2019 to everyone involved.

by Jacob Brennan - Coach

2018 marked a new era for the WAFL Colts system under the WAFC Talent Pathway model, however it was business as usual for the East Fremantle Colts Program as we set out with a drive to constantly improve.

Pre-Season came and went with plenty of players on the track as we worked hard towards round one. It was a slow start and steep learning curve for this first-time coach as we began our season with one win and three losses. There were many debutants throughout the early part of the season and as the team became more accustomed to playing together our season began to take shape.

Led impressively by Captain Nic Watson and his deputies Corey Robinson, Cody Smith and Tom Monaghan we showed signs of strong development as a team. Many individuals became increasingly comfortable with their role in the team and showed real willingness to learn. Credit for this must also go to Assistant Coaches in Adrian Ricciardello, Andrew Stephen and Jake Perer for the time they put in and desire to help the players. Thank you for your unwavering efforts.

As coaches our goal was to not only grow footballers for the East Fremantle

Football Club but also grow these young men as individuals. We saw 5 regular Colts players make their League debut throughout the season with them all showing signs of why they were selected and how valuable a player they will be to the East Fremantle Football Club in the future. We saw six players in the State 18's squad with Jeremy Sharp being awarded All Australian Honours for his fantastic carnival.

We finished the season with a 10-8 record to finish fourth on the ladder and earn an elimination final against South Fremantle. A strong second half saw us come away with a ten goal victory before we bowed out in a close loss the following week. Coming from almost five goals down during the last quarter the boys showed an amazing amount of resilience to gain the lead with 7 minutes to go only to have the game snatched from our grasp late in the quarter and go down by two points.

There were always people willing to help and assist the program wherever you looked. A special thanks must go to Past Players & Officials for their help throughout the year. The coaches and players especially, genuinely appreciate the smile and kind message after a game no matter the result. Brenton

Boddington's willingness to assist and learn with the coaches was a great asset for us in 2018. Tom Branch stepped up as team manager and was a great asset. Paul Hansen and Mick White would don the pink silks of runner most Saturday mornings and we look forward to both of you being involved for years to come or as long as your calves let you – thanks guys!

Talent Manager Mark Pashby and Football Manager Darryn Fry were of great support to me through this season. Frisy's knowledge of the Colts Program was invaluable for first timers in Pash and myself. Thanks to Jemma Bassi, Meg Fraser and Lucy Klein and their teams for their hard work throughout the season. And a big thanks to the players for your commitment throughout the season along with your willingness to develop and learn. I hope you leave the program a better player and person than when you walked in the door in November.

The last thank you must go to Uncle Robert Wiley for all his help, encouragement and lessons throughout my time coaching under him in the seniors and his willingness to push me in my role as Colts Head Coach. Thanks Rob!

2019 will bring new challenges for the Colts team as we see many of our regular players graduate to the senior program. A new group of talented young players will emerge and we will continue to drive a message of constant improvement in every facet of our lives to help us in driving the East Fremantle Football Club back to the top.

OUR PHOTOGRAPHERS

A big thank you to Phil Elliott (Pixell Photography) for all his work during the year. He takes hundreds of photos on match days; from Joondalup to Mandurah, thunderstorms to sunshine, wins or losses, and the Club couldn't be more grateful! Phil is always on hand to snap action shots, spectator photos, home game luncheons and special club events.

The majority of the photos provided for the Annual Report have been taken by Phil who is always willing to provide the photos to the club for our use.

Thank you once again Phil.

STEPHEN BILCICH

In 2000 the WAFL initiated a special match day football programme. Special footballs were to be produced and used by clubs for their home games.

These footballs depict a player chosen by the club and considered to be a club legend.

East Fremantle's Match Day footballs are on display in the Centenary Cabinet in the Function Centre.

The 2019 Match Day Legend will be **STEPHEN BILCICH**

Stephen came to East Fremantle through country football, playing for Ramblers in Carnarvon before moving to St Pats in Geraldton. He made his East Fremantle League debut on 19 June 1989 vs Subiaco at Subiaco.

1998 Premiership Reunion - League, Colts and Amateur Colts

Stephen Bilcich - Damien Condon

What a terrific crowd of over 70 former players, coaches and officials celebrated in style the 1998 Reunion at a luncheon held on Saturday 28 July during games vs Swan Districts. The party continued well after closing time - even 20 years on, the players still know how to party!!

The planning for this event started back in January as it took an enormous amount of time to collect and collate details, especially trying to contact former Colts players.

The 98 League Coach, Tony Micale, gave an outstanding address to all those present at the luncheon.

The 98 League players were requested by Rob Wiley to address the current League players in the changerooms prior to the League game. This was an inspiration to all those involved.

The interesting outcome of the day was to recognise and acknowledge the diversity and successful career paths taken by many of those young fellows following their retirement from the disciplines of playing football at East Fremantle. Members of the 1998 teams have now found success working interstate and overseas (including Hong Kong, NZ and the USA) as well as within Western Australia.

1998 was one of the Club's most successful years - as summarised.

- League Premiership - the Club's 29th Flag
- The League Team winning 16 games on end, losing only 2 games all season
- Colts Premiership, losing only 4 games for the season
- Amateur Colts Premiership
- Won the Rodriguez Shield as 1998 WAFL Champion Club (for the third year in a row)
- 16's team - undefeated State Champions
- 15's team - undefeated State Champions
- 13's and 14's lost only one play off game each
- 1998 Sandover Medallist was Adrian Bromage
- 1998 Simpson Medallist was Adrian Bromage
- 1998 Mel Whinnen Medallist (Colts Grand Final) was Paul Hasleby
- 7 players selected in the WA State side - Earl Spalding (Captain), Damien Condon, Leigh Willison, Adrian Bromage, Martin Mellody, Wayne Roser and Greg Madigan
- 7 representatives in the WA 18's side - Matthew Kennewell, Warren Bank, Michael Saunders, Scott Bennett, Paul Hasleby, Josh Carr and Aaron Glass. Josh Carr was subsequently selected in the All-Australian side.
- 7 represented WA in the State Schoolboys side - Preston Wall, Matthew Cremin, Kerem Baskaya, Merv Comeagain, Ben Glass, Dane Rawlings and Matthew McNally

- 6 East Fremantle players were drafted into AFL Clubs - Scott Bennett, Michael Collica, Clint Kirey, Joel Duckworth, Josh Carr, Dwayne Simpson and Gary Dhurrkay

I would like to record my appreciation for the contributions of the Organising Committee (Matt Gill, Kim Barrett, Ross Monger, Neil Gardiner and Jonathan Stagg) and compliment Judi Miles for her patience with constant incorrect addresses and email addresses.

Special thanks to the President of the East Fremantle Amateur Football Club, Terry Fitzgerald, in attending the luncheon and making available the 1998 Amateur Colts Premiership Flag and Plaque to the Club on the day of the reunion.

In 2019, we look forward to possible reunions of the 1979 League side, 1989 Reserves side and the 1969 U19/ Colts side.

Past Players & Officials

by Mick Jez - President

To our sponsors Construction Skills Training Centre, Total Foods, Malaga Print & Copy, Cuccovia Contracting, LM Poole Electrics and SignPoint, thank you for your generosity in season 2018 and we look forward to your continued support in 2019.

Once again, a special thank you to our Patron Matt Gill and Vice Patron Angelo Cuccovia for their donations and patronage during the 2018 season.

Congratulations to Harry Bovell and Colin Retallack on receiving their well-deserved Life Memberships of the East Fremantle Past Players & Officials Association (Inc) for their outstanding service to the association.

A special thank you to all members who provided their services with fundraising events this year.

Mention must also be made regarding those members who kindly donated funds to cover the cost of our half time refreshments. Thank you for your donations and we look forward to your continued support in 2019.

Major projects undertaken this year were the refurbishment of the scoreboard decking and handrails. Thanks to Steve Nugent for arranging the materials to complete the task. We also supplied two security gates for the changerooms after a number of break-ins and a gate for the toilet at the Admin block. Thanks to Trevor Jennings for his welding expertise on all these tasks.

I would also like to again thank Gary Stockden and the Grey group for their support with maintenance and cleaning around the club which eases the burden on the Past Players committee.

Special thanks to Geoff Dunstone, Colin Retallack and Harry Bovell for their help with catering the Colts' early morning breakfasts and to Maureen Gathercole and Ivy Anthony for your assistance during the year with the Colts lunch.

I would also like to thank the Ladies committee for their efforts in preparing and serving the afternoon tea at home games and also a thankyou to the wives of the Past Players committee members for their help and understanding during the year.

Special thanks to my committee for another outstanding year in raising money for this football club. Thank you for your support and assistance which made 2018 a very successful year.

Mandurah Sharks

by Ken Lally - President

Another successful year, our thirtieth in 2018 for the Mandurah Sharks Social Club.

Even though our numbers at our dinner meetings are down from the past two years, it was still a very good year for us. To our members and friends, I thank you for your continued support of our monthly meetings. A huge thank you, to all the guest speakers for donating their time and services to our club, that we all enjoy each year. From our first meeting in April, we were delighted to have Craig Waterman leading the way. He was followed by retired cop Kevin Kidd in May. We were at the Ravenswood Hotel for the June meeting with the ever popular jockey, Danny Miller. Back to the RAAFA for our July and August dinner meetings, being entertained by locals Zak Kirkup MP and Phil Lawson, Merchant Navy.

The bus trip to Shark Park in September was a highlight as per usual, with a wonderful three course meal provided by the PP&OA getting the evening off in style. Thanks again to Mick and Noel and their crew. After dinner, speaker Greg Pearce, retired Channel 10 and 9 personality, and newsreader would have to be up there with the very best of our club's guest speakers over three decades. Very professional, easy to listen to and enjoy. Thank you Greg for a most entertaining evening.

I would like to again thank the RAAFA Meadow Springs, Ravenswood Hotel, East Freo Footy Club and Sandy Cove Tavern which were our venues for our dinner meetings in 2018.

Mandurah Sharks have sponsored five players and donated a trophy for the Colts medal night again this year.

To all our sponsors, I thank you for your many years of kindness which has

been very crucial to the success of the Mandurah Sharks.

Our team of Judy, Jerome, Noel, Phil, Wilson, Kevin, Ray and everyone who has helped over the years, I personally thank each and every one of you from the bottom of my heart. Not forgetting of course, our story tellers, Nina Graham and Ross.

After many years of service, I have decided to retire as your President and will not be available for any positions for 2019.

I would like to truly thank all my members, friends and family for your solid support to me in the twenty nine years of my involvement with our great club – The Mandurah Sharks.

I sincerely hope the Sharks can give as much pleasure to the incoming committee as it has been for me.

We wish to thank all those individuals and companies who sponsored our players this season. The support is always much appreciated.

EF District Football

by Mitchell Harvey

The East Fremantle District encompasses all aspects of the game from Auskick, Junior Football, School Football, Female Football, Senior Football, Coaching and Umpiring. Our success ultimately comes down to the large amount of hard work of all our volunteers and stakeholders who continue to grow the game within the region.

In what again has been another huge year of football in the East Fremantle District in 2018 our team here would like to thank the following people involved in the district for their assistance over the past 12 months.

Firstly, to our Junior Competition Council, comprising of Competition Director: Anthony Doig, Assistant Competition Director: Helen Hunter, Registrar/Treasurer: Susan Cassidy-Parker and umpire's manager Ryan Sinclair. Thank you for the countless hours and late nights you have provided once again continuing to oversee the junior competition. The work that you do to ensure our competition operates smoothly is second to none.

Meagan Hanson – East Fremantle Volunteer of the year with Gavin Taylor – CEO WAFC.

To the District Chairman Geoff Wolfenden and East Fremantle DFDC members Neale Johnson, Susan Cassidy-Parker, Lynette Smith, Kim Beasland, James Del Pono and Erin Stinton. Thank you for your commitment and ongoing support as we continue to grow football at grassroots level in the East Fremantle district. The ongoing success of our participation programs is again a testament to the quality of people who comprise our DFDC.

A big thank you to Todd Shimmon and the team at the East Fremantle Football Club who have been a fantastic supporter of the District once again. A special mention must also go the East Fremantle Past Players, who always lend a helping hand at gala days, finals and numerous other events that the district runs across the year. It is very much appreciated. We look forward to continuing this relationship in 2019.

Finally, we would like to thank all our junior clubs and their committees, participants and parents for making 2018 another hugely successful season. Running a football club is not an easy task but with the fantastic volunteers currently involved at club level all participants are provided with the best opportunity to develop along the football pathway in the East Fremantle district. Here's to a great 2018 and hopefully an even better 2019!

Womens Football

by Kate Argent

East Fremantle Women's Football Club has a long history in progressing women's football, with the dedication of all those that have come before us over the last 31 years leading us to this point. The Club is now setting a new standard for player and leadership development, while around us, the female football industry continues to grow at an exponential rate. We're proud to be a part of that growth.

It was a stellar year on the field for the Sharks, our League team lost just one game all year on their path to winning the 2018 WAWFL Premiership. The Grand Final was one for the ages, with the Sharks taking back the lead from Subiaco with just 7 minutes to go, and holding on to a 5 point lead to give the Sharks our 7th Premiership.

Our Reserves once again demonstrated the depth of our club, performing well all year and narrowly missing back to back grand final appearances. And our player pathway is in good hands, with our Rogers Cup (U18s) playing in their maiden grand final.

The Club was again well represented at the highest levels. Our 2018 AFLW players were - **Fremantle:** Ashlee Atkins, Jade De Melo, Evie Gooch, Mel Caulfield, Cassie Davidson, Brianna Green, Gabby O'Sullivan, Belinda Smith and Alex Williams. **GWS Giants:** Emma Swanson. **Collingwood:** Caitlyn

Edwards, Ruby Schleicher. **Brisbane:** Jessica Wuetschner. At the recent AFLW Draft, Philipa Seth was selected to join her teammates at the Dockers for the 2019 season.

Congratulations to our State representatives: U18s Roxanne Roux, Kate Inglis-Hodge and support crew: Jules Nichols, Yzzy Jacob, Madi Ross, Elly Lambkin. 15s School Girls: Chloe Riley, Mia Schleicher and support crew: Narelle Scott and Elly Lambkin.

This success was driven by a dedicated group of skilled volunteers who work tirelessly to improve the Club. Our Football Department was led by Steph Walding who moved from the role of Head Coach to Football Manager and has built a quality football support team, working to professional standards. Players have certainly noticed the difference in the support they receive and the expectations placed on them, and this has translated to results across the Club. In 2018, the football department consisted of:

Football Manager: Steph Walding

Head Coach: Nikki Harwood / Reserves Coach: Will Dawson / Rogers Cup Coach: Chris Boulay

Assistant Coaches: Jo Beechey, Brianna Green, Glenn Hunter, Ian Small, Damian Hodge, Ashara Wills, Trudi Nurse

Player Welfare Manager: Julie Nichols

Team Managers: Janet Seth, Fiona Lavell-Young, Darren O'Donnell

High Performance: Yzzy Jacob / **Strength & Conditioning:** Prue Dalton, Andrew Wishaw / **Sports Trainers:** Lauren Smaniotto, Gabriel Leone, Lachlan Liddell, Max Hunter, Imogen Young

A football club is far more than just the results on the field. We recognise that we have a key role to play in inspiring and developing the next generation of female leaders. In 2018 the Club partnered with Women & Leadership Australia as part of our joint commitment to developing the female leaders of the future. A group of players and volunteers from EFWFC took part in a leadership course run by WLA. The Club will continue to support this group and others to make a real difference in our community.

In addition to WLA, we welcomed new sponsors in Zambreros and the British Sausage Company, who joined existing partners Cuccovia Contracting, The Left Bank, Enhance Physiotherapy, Pegy, Parkwood Hardware and The East Fremantle Past Players and Officials Association. We thank these businesses for their support in 2018, as well as our player sponsors.

More info on the club can be found on our new website: www.efwfc.com.au

We are lucky to have a dedicated group of volunteers, in the football department, on match days, and those on our committee who work tirelessly all year to ensure that the club is well managed and promotes our values and culture. This year the committee was Kate Argent (President), Narelle Scott (Vice-President), Fiona Lavell-Young (Secretary), Sharon Wong (Treasurer), Laura Osmetti, Marie Ricci, Steph Sparke, Kate Inglis-Hodge, Lynette Smith, Sophie McLean, Shelly Liddelow, Zoe Spanghero, Ian Small and Zoe Gillard. Thank you to this group, and to all those who make our great club better and better every year.

We can't wait to see what the future holds.

Great Northern Football League

by Grady Tornelty

2018 Youth Girls B&F Lily Bird with Angelo Cuccovia

2018 B&F Winner Sharon Wong (right) with 2017 B&F winner Evie Gooch

The year started earlier than usual this year for the GNFL. The Northampton pre-season lightning carnival held in late April gave clubs the opportunity to dust off the cobwebs and put some of their pre-season training into practice. It was held differently this year with the GNWFL teams fighting it out before the men. In a day of exciting football for the women Brigades came out on top against Chapman Valley. Following the women, it was the mens turn. After the initial round robin pool stage, Towns and Northampton faced off in the grand final, with Towns coming out on top to secure the win.

2018 saw the first ever Great Northern Womens League season launch with Brigades, Chapman Valley, Railways and Towns entering teams. The excitement and success of the competition was a credit to all players, coaches, volunteers and spectators with clubs reporting results were better than expected. The season will expand in 2019 as the league looks to build on what was an amazing first season.

In early June, emerging GNFL footballers travelled away to play in the CBH Group Wongan Hills Northern Colts Carnival. The GNFL have an unblemished record at the carnival, having won the grand final each year since its inception and 2018 saw that record stay alive. Congratulations to all the boys who represented the GNFL at this carnival, and congratulations to the ones selected in the All Stars side.

The end of June saw the WAFL return to Geraldton, with Claremont and East Fremantle travelling up to play at WA Country Builders stadium. This was an exciting event for the town as there were numerous local products representing East Fremantle on the day, including 2017 JJ Clune Medallist Kim Schofield. Congratulations to both teams on what was an amazing day for Geraldton and the footballing community.

Following the WAFL match the first ever GNWFL Grand Final was played out between Railways and Chapman Valley in front of a massive crowd. Railways came into the contest without losing a game and showed why they were the red-hot favourites. They managed to keep Chapman Valley scoreless in a physical contest and come home with the chocolates. Congratulations to Railways and to Erica Trotter who was named best on ground.

A fortnight later it was time for the annual Landmark Country Week Championships

in Perth. The GNFL and newly appointed coach Karl Pirrottina were keen to get off to a good start. Unfortunately, this year wasn't meant to be with the GNFL losing all it's matches. But that shouldn't take away from the incredible spirit and hunger all the players played with to do the League proud. Karl has already turned his head to 2019 and hopefully tasting some success. Rovers player Jamie Koric was outstanding and earned himself selection in the all-star team as well as a gig in the WA Country team.

The JJ Clune night in September was again a great night for the footballing community. It's always great to see players, coaches, volunteers, umpires, and anyone else that puts endless hours into the game to let their hair down and celebrate the year. Congratulations to all award winners on the night. The vote count for the League came down to the last round, with Rovers gun Jamie Koric coming out on top over ex-East Fremantle and now Brigades player Josh Simpson. Congratulations again to Jamie who had an incredible year.

Across all grades, GNFL grand final day was something to behold. In the league decider, Brigade's run and gun style of play came up against Rover's crash and bash game plan and the game was a hot contest right until the final siren. After losing to Rovers in the 2nd Semi Brigades were able to taste sweet revenge and come out on top as 2018 Premiers. Congratulations to Lee Hutchins who was awarded the Geraldton Guardian Medal as best on ground.

In the reserves, Northampton capped off an unreal end to their year overcoming Railways. With 5 games to go Northampton sat 5th on the ladder and came home with a wet sail and winning every game. Kingsley Smith was awarded the GSAC Charles Comeagain Medal for best on ground. Chapman Valley completed their 3-peat knocking off Railways in what was one of the best colt's games to be played. The skill, physicality, pace and spirit the game was played in was hotly talked about afterwards by all that were lucky enough to witness it. Congratulations to Michael Wright who was awarded the Alan Cox medal for best on ground.

The GNFL would like to thank all volunteers, officials, players, supporters and anyone else who contributed to such a successful year.

Bring on 2019!

Coastal Sharks Netball Report

by Sarah Fowlie

The Coastal Sharks' Region includes Fremantle, Rockingham and Mandurah, Pinjarra and Peel Netball Associations which contributes to an extraordinary depth of talent across all age groups stemming from our grassroots competitions through our junior elite Academy programs as well as our WANL teams.

Belinda Reynolds continued this year as Coastal Sharks Head Coach; her contribution as a Coach at WANL 2017 was recognised by West Coast Fever who duly appointed her as Assistant Coach to the WCF for the 2018 Suncorp Super Netball season (SSN). Coastal Sharks therefore appointed Terri Nielsen as an additional member of the coaching staff to oversee the League team.

A major achievement for not only the individual athlete but also the Region was the signing of Olivia Lewis to the West Coast Fever for the 2019 SSN season.

Coastal Netball Region were committed to end of the WANL competition as we've known it for the past 30 years with a successful 2018 season. In 2019 the new EAST FREO SHARKS NETBALL will replace the Coastal Sharks brand in the WANL. This is an exciting new partnership between the East Fremantle Football Club and Fremantle Netball Association.

Most games (except for Regional games) were held at the State Netball Centre in Jolimont. Coastal Sharks continued their training venue partnership with Emmanuel College this season in which the club have access to the College's Sports Centre and gymnasium for training sessions in return our Coaches and Athletes assisting with the School's Netball Specialist Program.

As always, the Peta Waterman Cup on the 3rd Aug at the SNC was a fiery contest against South East Demons. However Coastal Sharks convincingly took out the trophy this year winning 51-41. (Peta played 190 games for both Demons [Sparks] and Coastal Sharks

during her State League career from 1989 - 2006).

At the end of the home and away season Coastal Sharks secured the minor premiership in both the League & Reserves divisions with the 18&U team locking in 2nd position. This secured all 3 teams a spot in the major semi-final with both the Reserves and 18&U teams defeating the Perth Lions to advance directly to the Grand Final in their respective divisions. The League side were defeated in the semi-final by the Perth Lions however responded with a convincing Preliminary final win against Rangers to also secure their place in the Grand Final.

Coastal Netball Region were the only region to be represented in all 3 divisions on Grand Final Day- a fantastic achievement by the club.

The League premiership has eluded the Coastal Sharks since 2011 however with a narrow Grand Final defeat in 2017, the club was committed, confident and contested courageously to overrun the Lions by 3 goals in an exciting and skilful display of netball to claim the League Premiership winning 50-47. Coached by Terri Nielsen, Donna McPherson and managed by Deb Poole. Olivia Lewis was named MVP of the Grand Final.
