Hello,

At East Perth Football Club we are busy planning our Auction Night. The Auction Night is the Clubs' biggest and most prestigious fund-raising event. The success of this function is imperative for our football development programs, our upgraded facilities and our commercial viability.

We are seeking your generous support to ensure another successful event. In previous years we have presented an outstanding range of auction items to over 300 guests, making this the biggest Banquet Auction in the WAFL. Support from our donors has helped us maintain a high standard of items and we are out to achieve a similar result this year.

If you are able to help us this year – no matter how big or small the contribution may be – please contact the club office or simply forward your donations to the office at our home at Leederville Oval. If necessary, we will collect any donations.

All donations will receive acknowledgment on the night via the auction catalogue as well as being formally mentioned by our auctioneer "Tiny" Holly.

Please supply details of items/products/services that you wish to donate to the Auction. It is essential that this form be completed for us to best promote your generous contribution.

Please feel free to attach any relevant literature or additional information you may wish to have distributed at the event.

If you have any questions or would like additional information, please contact Jane on 9443 2259 or via email royals@eastperthfc.com.au.

Regards
