FROM THE PRESIDENT

Adrian Barich

To all our valued members, I want to thank you for your loyalty and support over the past year.

The performance of our senior men's team this season was encouraging, and we made great in-roads, but not playing finals was not really acceptable.

Having said that, one of the key performance indicators I look at is our percentage on the WAFL ladder and for most of the season we sat on around 80%, up from 60% last year. It means we are much closer to becoming a consistently competitive team. One goal either way in four games and we would have had an eight-win season. Injuries to three of our best recruits hurt us badly, otherwise I'm certain our best was good enough to play finals.

The season started with a magnificent tribute to our ruckman Dakota Baldwin-Wright. Our players wore black armbands in honour of their fallen mate, and produced an emotionally charged win over Subiaco as the club retired the No.19 jumper.

Personally, I'll never forget when Dakota's guernsey was placed in the centre of the team circle after the match and we all sang the club song; his parents, Rita and Greg and brother Ethan included.

We hadn't beaten Subiaco in eight years, so it was also good to consign that statistic to history.

These are the moments to hold onto. These are the memories that we can cherish forever.

Like you, Perth will always be a huge part of my life. And you, our loyal members, are the lifeblood of our club and are the reason we exist.

It is clear we have challenges ahead of us, but you should take comfort in the knowledge that your Board, and the club's staff and players, are ready for those challenges.

This is about the next chapter in this football club's famous history, and it will include engaging with you all.

We are a united club, and our players led by captain Matt Taylor... and our coaching staff led by Mark Stone... are incredibly determined to build on the gains made in 2024, with the ultimate goal of course - a Demons premiership.

It's always tough to farewell a coach but Peter German made a huge sacrifice to be in the West for two years without his family.

Football Manager Trevor Williams is also stepping away after a period of tremendous service, alongside club great Steven Armstrong and 2023 Butcher Medallist Charlie Thompson.

Importantly, our colts and reserves teams played finals this year and we are building from below. Highly respected coach Scott Moore will again head up our colts programme.

We have also been granted a senior WAFLW team, starting in 2025, and we have appointed Jess Sedunary as our new League Coach and Manager of Female Football.

Our club is now complete and any child in our zone who dreams of pulling on a red and black jumper can do so.

This season was special in one sense for our club, marking 125 years. And while we didn't get the fairy-tale season we were hoping for, our Rogers Cup team over-achieved under Michele Burton and Gavin Outridge and look set for bigger things.

As mentioned, Mark Stone is our new senior coach and he comes with outstanding credentials, coaching a premiership in the SANFL and also having a successful AFL career at the West Coast Eagles, Fremantle Dockers, Sydney Swans, and most recently the Brisbane Lions.

Our new Football Manager Brad Dodd, who built a premiership list at East Fremantle, is also one of the best in the business.

In women's football, community engagement and sponsorship we are flying. I'd like to personally thank our board members and welcome to the board former player Daniel O'Sullivan.

In terms of our new clubrooms, we feel confident that we will soon be able to announce some exciting news about a state-of-the-art community, WAFL and women's football facility.

Appreciation

- Thank you to Gavin Caudle from Provident, our major partner, a great Demon man.
- Thanks also to Sam Morton at Hungry Jacks, Albert and Julie Walmsley from Westral, Joe Zito and the team from New Town Toyota and Simon Paull from PWR plus our other loyal sponsors
- The PFC Patrons, led by Peter Gilkison, have also provided invaluable advice and help
- Thank you to Deputy Premier Rita Saffioti and local member Hannah Beazley for their support, alongside Federal Member for Swan Zaneta Mascarenhas
- Thanks also to our Past Players and Officials led by Wayne Koch
- And as always, thank you to my fellow directors. Your selfless commitment to the club sets an important tone and focus.

Staff

And a huge thank you to the 'off field' team.

Cath Parker (Member Services and Merchandise Manager) and Jill Green (Functions & Events Manager) have been outstanding.

Daniel Elhaj (Talent Manager) has shown in a short time he is quickly becoming one of our most valuable assets.

Jared Bell (Partnerships & Business Development Manager) had another record year.

John Matthews (Finance Officer) works hard behind the scenes to try and keep everything up to date.

Sam Stubbs (Aboriginal Engagement Officer) is a man who has a deep commitment to his role.

Ben Jeakings (Community Liaison Officer) is a young leader in his community and doing a first-class job with First Nations traditional culture.

Roxanne Hannah (Talent Admin) is tireless, and we welcome Riley Wills to the job of Community Engagement Officer.

A shout-out to our resident handyman Lance Rigby and his team too. And to all our wonderful volunteers, like those who work on committees, such as Colin Lofts, Peter Kennedy, Richard Camm, Chubby Stiles and club legends. The coaches, interchange stewards, merchandise and mail out volunteers, property stewards, scoreboard attendants, stats team, team managers, timekeepers, trainers and video editors, thank you.

We truly are stronger together.

Go Demons.

FROM THE CHIEF EXECUTIVE OFFICER

Russ Clark

Football seasons come and go very quickly. As we say goodbye to season 2024 I would like to reflect on the year that was.

The Rogers Cup team commenced their season on March 2nd with a narrow loss to Peel Thunder, however the improvement in the team was very noticeable as they pushed their more experienced rivals. History was made for our Rogers Cup program on March 8th when the team beat South Fremantle by 21 points on a Friday night in Fremantle. The season only got better from there with the team rounding out the year with 6 wins from 14 matches, finishing in 6th place on the ladder. My thanks to Coach Gavin Outridge and support staff, the driving forces to this being such a successful season.

As stated in last year's report, one of our goals for 2024 was to win a licence to compete in the WAFLW in season 2025. A project group was formed early in the year driven Project Manager Gerard Arangio. The WAFC set some key targets the club needed to achieve to be given the green light, and I am pleased that we were successful in our bid and will field a team in the WAFLW in the 2025 season. A key appointment to begin the program was that of Jess Sedunary as inaugural coach. Jess will double in the role of Football Manager – Female Program. We were very excited to announce the arrival of Isabella Shannon as our first marquee signing with the forward / midfielder having played 17 games of AFLW for St Kilda. Another major boost to the team is the signing of former Australian Netball Captain and Champion Caitlin Bassett. We look forward to the 2025 WAFLW and Rogers seasons as a complete club.

After two years in the role of Hungry Jacks Community Engagement Manager Oscar Bird decided to pursue education and sporting opportunities to the east and possibly overseas. Charlie Thompson commenced in the role in February of 2024 and immediately started building on Oscar's community programs. The Free Kick Project returned to York and Cunderdin in 2024 with both programs well received and growing. Junior club visits, school clinics and our relationship with the Bachar Houli foundation were just some of the growth areas in 2024. Thanks to the Hungry Jacks partnership, Perth Football Club continued our success in the West Australian Wheelchair Football League taking out back to back Premierships.

The ongoing support of our sponsors, members, fundraising activities as well as the day to day business operations of the club continue to be strong in terms of revenue growth. The Sponsorship and Business total Development portfolio grew again in 2024. I am pleased to report that revenue surpassed \$3m for the first time in 2024.

The recruiting for the 2024 season could not have been better with high profile recruits Charlie Constable, Sam Simpson and Blake Schlenso (all formerly listed with Geelong), Aaron Clarke (Coburg) and Joshua Edwards (West Coast) joining the club.

Sadly, during the pre-season break, we were to learn of the passing of our much-loved Dakota Baldwin-Wright, or Two-Dads as he was so affectionately known. Our hearts were and are with Rita, Greg and Ethan and the extended family.

Our 125th season started brightly with a stirring win for the league side against Subiaco. In fact, it was the first time in many years that we walked away with three wins for the day against Subiaco.

A disappointing loss to West Perth away in round two was followed by a strong win against Swan Districts at home in round 3. With a bye for round four, the round five clash on ANZAC Day was set to be a big one with both Perth and East Perth on 2 wins and a loss. A huge crowd of 3,831 attended the day but were left disappointed with East Perth running out 21-point winners. Making matters worse was the fact that Sam Simpson missed the clash and subsequently would play only one more game for the year, while Charlie Constable went down early with a leg injury and would miss the next six matches as well. For the remainder of the season, it would be fair to say the league results were disappointing, but it must also be noted that the team lost four matches, East Fremantle 4 points, WCE 2 points, East Perth 7 points and South Fremantle 5 points, by a combined total of 18 points. Our previously mentioned recruits only managed the one game together for the season, the 20-year drought breaking win over West Perth at Mineral Resources Park. In another pleasing development 5 players from the 2023 Colts team made their league debuts in 2024, and 2024 Colt Cooper Moore also made his debut late in the season.

Our Reserves team returned to finals for the first time since winning the 2021 Premiership, but were unfortunately eliminated in week one. My thanks to Coach Craig Mueller for his dedication to development.

To Scott Moore, my congratulations on season 2024 where he once again led the Colts to the finals. Unfortunately, there would be no fairytale, with the team going down late in the elimination final by 2 points.

Thank you to all assistant coaches, statisticians, trainers, physios, doctors, timekeepers, property staff, team managers, players and volunteers across all grades for the countless hours you all put in to support the Perth Football Club.

Our club took yet another step in our indigenous journey in 2024 with the announcement of the Indigenous Team of the Century. Featured later in the Annual Report is the team with Troy Cook announced as Captain. My congratulations to all players named and my thanks to the selection committee for their work on the project

To our Past Players and Officials, we thank you for the support you all provide the Club. Wayne Koch, Greg Dart, Brian Sweetapple, my thanks for your ongoing support as our returning officers.

The support of our sponsors is so greatly appreciated. Our Major partners Provident Capital Partners, New Town Toyota, Westral, Hungry Jacks, Town of Victoria Park, Fugro, the West Coast Eagles and all our partners, we thank you for the support you continue to give to the club.

To our loyal members who each year continue to support the club, we thank you and will continue to work our hardest to give you all some rewards with on-field performance.

Thank you to Mr Mal Day, the 2024 Ball Legend, for making himself available to the club on so many occasions in 2024.

Looking forward I would like to welcome Mark Stone – Senior Coach and Brad Dodd – General Manager of Football Operations to their new roles. Both men bring a wealth of experience and leadership qualities to the club.

After 13 years of service to the club as a player, Football Manager and CEO, I say goodbye and in doing so thank my wife Natalie and family for allowing the privilege of doing so.

FROM THE FOOTBALL MANAGER

Trevor Williams

At the conclusion of 2023 it was apparent that we needed to recruit some key players to bolster the playing strength of our young list. The Recruiting Committee did an excellent job in securing several well credentialed recruits to the Perth FC for season 2024. Pre-season commenced in late November, with some clear goals set for players to achieve so that they were ready to impact when the season got underway. After 3 interclub practice games and a searching preseason we were ready to launch into the Home and Away season. New recruits in Blake Schlenso, Charlie Constable, Sam Simpson, Aaron Clarke, Josh Edwards, Joey Chaplin and Jed Kemp were primed and ready to impact Round 1 versus Subiaco at MRP. This was always going to be a significant game, more so than any previous Round 1 fixture. Not only was the club launching its 125th Year, but it was also our opportunity to play a tribute game, acknowledging the sad passing, in the off season, of Dakota Baldwin- Wright. We were ultimately successful in winning this game, giving us a great launching pad into the season. Unfortunately, our nemesis in West Perth brought us back to earth quickly, beating us convincingly in Rd 2, albeit we got back on track to beat Swan Districts at Home in Rd 3 which primed us for the ANZAC Day clash against traditional rivals in East Perth. A great contest ensued before a large crowd, with East Perth reigning supreme on the day, as the injury curse again struck. By the end of Round 4 we had lost our 3 most significant recruits for an extended period; and our results reflected this.

We endured a lean spell losing 6 consecutive games, albeit 2 were by less than a goal to East Fremantle away and WCE in Northam. Importantly we got our season back on track in Round 13 against West Perth. Finally putting 4 quarters together we convincingly won this game; against a side we had not beaten at Lathlain since 2004. Our next three games were to be against the top 3 sides in East Fremantle, Peel and East Perth. We started to see the return of some of the long term injured players in this period, and although we lost all three games we were certainly very competitive in all, and took a positive mind set into our Rd 18 clash against WCE at MRP. An opportunity to have a win and get off the bottom of the ladder and avoid the wooden spoon. We dominated the game to half time but could not apply the scoreboard pressure required. Thankfully this dominance translated on the scoreboard after half time and we ran out convincing 48pt winners. This gave us new found confidence and motivation to take on Subiaco the following week. After dominating early against Subiaco and leading at every break, we capitulated in the last quarter and were soundly beaten.

With two games left to restore something from the season the club took a change of direction after Senior Coach, Peter German, resigned. We faced South Fremantle at home under the new interim leadership of Mark Stone.

On undoubtedly the wettest day seen in WAFL football in a decade we went toe to toe with them until the final 20secs; albeit a soccered goal gave South Fremantle the win. Our last game was up at Bassendean against SD and they proved to be far too good for us and we had a disappointing loss and finish to the season.

The positive for the senior group was the performance of our Reserves under the leadership of Craig Mueller. They withstood some difficult times during the season, with player availability, to finish the season strongly to earn the right to play Finals football. Unfortunately they lost in the Elimination Final to South Fremantle, however the young talent on display gives Perth something to look forward to in coming seasons.

Well done to all the players who made their League debuts for the Perth FC in season 2024.

It was pleasing to see several boys from our Colts team of 2023 play League Football. Noah Cachard, Elijah Scoble, Jake Watson, Noah Murray and Cooper Moore (Colts 2024 as well). After an injury plagued two seasons it was exciting to see James Ewing makes his debut for Perth as well in Rd18. It was a long road for James having not played League football since 2022. Riley Wills and Ryan Newick who joined the club from Subiaco as aspiring League footballers also made their debuts for Perth. Ben Fairbank and James Preston-Coates also made their League debuts after coming through our Development Programs in recent seasons.

Well done to all the Coaching Staff for your dedicated work and support of each other in challenging times. League assistants, Darren Rumble continuing, and with the addition of key assistants in Mark Stone and Trent Barrett we had a well experienced group, coupled with our Reserves coaching team lead by Craig Mueller in his first season as Head Coach of Reserves, who was ably assisted by Pat Litherland and new assistant coaches in Matthew Burgess and Ben Thomas. Thanks to Steve Armstrong for his key role in driving our 'Rising Red Legs Program' and mentoring of the coaching group.

Thank you to Diamond Fitness, in particular Johnny, in leading the strength and conditioning team in such a professional manner, with the assistance of Jessie, Emily, Tara and Regine in assisting the players prepare and recover in readiness for training sessions and games. Our medical and training staff again proved to be an awesome team.

Dan and Clare as our physios, and Mithun as club doctor, working with our head trainer Imogen provided a great professional service to all our players. They have led a great team of assistant trainers and interns volunteering their time to assist. We thank you all.

Match days can be hectic, and I'm truly grateful for the support received from many volunteers to help the day run smoothly...

Our Team Managers in Peter (Reserves) and Kevin (League) did a terrific job with pre and post-game duties, as well as having teams and coaches on time.

Our Property Team who ensured everything was ready for match day and training sessions. The efforts of Doug, Steve and Paul are much appreciated.

Thanks to our match day bench staff for assisting with messages, rotations and keeping the magnets 'in play'. Mark on the headsets with the reserves and Steve with the league made themselves available all season, while Chris did a great job as Boardman with the Reserves. Our chief statistician in 'Boo', albeit from afar, continued to provide coaches with all the statistical data available for which all coaches were extremely grateful. While Boo was generating stats during the week, we had Elliott on match day toiling in the coach's box providing live updates with stats to coaches as needed.

Thanks to our volunteer timekeepers in Simon, Clive and Brian who all did an outstanding job across the season, at all venues. Thanks to Lance Rigby, our new ground manager for 2024, for his tireless work on match days.

To Daniel and Michele in the Football Department, thank you for your support throughout the season; and thanks to the ongoing support of PPOA, led by Kochie and Darty. Your work in organising Players' Teas as well as other support offered is truly appreciated by all the players and coaches.

To Russ, CEO and Troy, Director of Football, and to the Board, thank you for your support and resourcing of the Football Department. And finally, to the office staff in Cath, Jared, John and Jill, thanks for your work and support of the Football Department throughout season 2024.

FROM THE COLTS COACH

Scott Moore

Our 2024 season was one full of twists and turns. With so much turnover in our squad, the coaching staff was excited to get to work with such a talented group of players coming through.

Pre-season at Kenwick saw 95 players trialling, each vying to make the final squad. In what would be a strong and challenging summer, the playing group knuckled down and got to work. Building strong connections and maintaining high standards was critical for what would be a demanding year.

A key part of setting our year up was a camp in our regional zone of York, at Gilba Downs—an opportunity for the players to get away from footy, spend quality time together, and complete some meaningful team-building tasks. From herding sheep in the paddock to rowing a pontoon across a dam, the group came together to achieve each objective.

Out of the camp emerged our values, trademarks that would guide us throughout the year: Passionate, Ruthless, United, and Belief. This year, we demonstrated countless examples of living by these values, and I'm proud that they were on full display to everyone who watched us.

Our year was set, and we felt that our best would be good enough for a great season. Round 1 arrived, bringing the opportunity for 13 players to debut—over half a side playing their first game of Colts football. Over the course of the year, 52 players would earn an opportunity to play.

Our performances were up and down, but we were competitive in most games. Five of our eight losses were by 8 points or fewer, underscoring the tight competition. Players showed tremendous commitment to continue learning and developing their craft, with the goal of making the finals and securing a place in the final five.

Eventually, we earned the chance to play finals football for the second year in a row but fell short. I'm extremely proud of our entire group for what we achieved throughout the season—not being defined by wins and losses, but by the growth we demonstrated. I can't wait to see where these players go in the future. The future of the club is in good hands.

Season Highlights

- 2 players selected for the WA State 18s: Loch Mactaggart & Koby Evans.
- 4 train-on opportunities for the 18s: Dale Sutherland, Zac Zilioli, Jadd Hill, Baxter Gray.
- 1 player selected for WA State 16s: Jayden Clarke.
- 3 players were named in the Colts Team of the Year: Cooper Moore, Robert Warrell, Jacob Roberts.
- **7 players selected for the 17s Young Guns game.

I would like to thank our coaching staff. The commitment from the team to see the future of our football club develop and reach their goals is something I am deeply grateful for.

Our Coaches

Ben Tomasini, Josh Smith, Ross McKenzie, Ross Clark, Ben Cousins, Mark Millington, and Shane Darmody.

Our S&C Staff

Maddy Rogers, Mitch Tieman, Lucas Abbs, Anthony Gugliotta, Eleasha Donovan, & Madi Butler. A special thanks to the Diamond Fitness team for their additional support throughout the year.

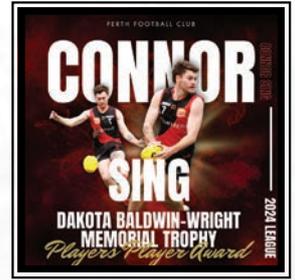

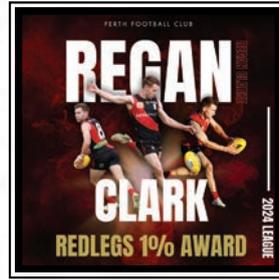

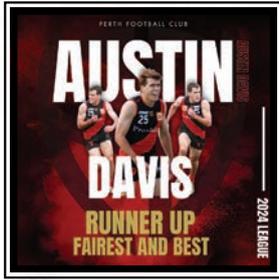

Team Manager: Steve Ransted
Head of Development: Steven Armstrong
Talent Manager: Daniel Elhaj

Lastly, a heartfelt thank you to Damian McCague, who has coached our Futures team for the last two campaigns. His commitment to preparing players for Colts football is unmatched. As he moves on this year, his impact will be felt for a long time.

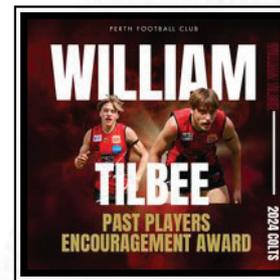

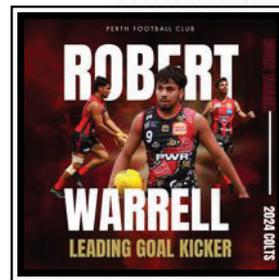

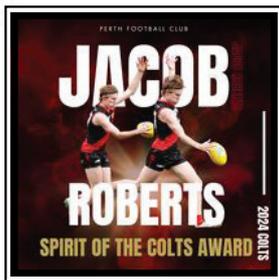

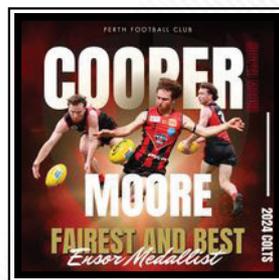

I am extremely grateful for the support from the PFC faithful and hope the Colts group continues to make you proud. The future is bright with the talent coming through, and I look forward to each player reaching their goals and delivering long-term success for Perth Football Club.

FROM THE TALENT MANAGER

Daniel Elhaj

2024 saw our talent pathway continue to build on the success of 2023. The Colts squad made finals for the second year in a row and our Futures, 15s and 14s development squads look to be producing high level talent. This year also marked a transition within the Talent Manager role, with me assuming responsibility in February. Building on the solid foundation laid by my predecessors, I am thrilled to have overseen our development programs across 2024. The invaluable contributions of our coaches, support staff, and regional leaders have been instrumental in fostering the positive progress we have seen this year, and I look forward to continuing to build on these achievements in 2025.

Colts (U19)

2024 was a season filled with both challenges and milestones for our Colts team. The year began with final list cuts in February, reducing the squad to 67 players. The mix of youth and experience in this squad, ranging from 17 to 19 years old, set a strong foundation as we prepared for the season. February also featured a successful preseason camp in York, which helped build team chemistry ahead of the competitive games. Additionally, we were pleased to see both Loch Mactaggart and Koby Evans be selected for the State 18s squad.

The season kicked off with a thrilling 38-point victory over Subiaco, followed by a nail-biting draw against West Perth in Round 2. Despite a narrow loss in Round 3, the debut of 14 new players was a highlight, demonstrating the depth of talent in the squad. However, the impact of the PSA season and several key injuries in May made this period challenging. Despite the adversity, the squad's development remained positive with 21 debutants gaining valuable game experience.

June brought about a resurgence, with a key win against East Fremantle placing the team in the top five, and players returning from injury boosted our prospects. By September the Colts successfully secured a spot in the finals, finishing 5th after a hard-fought win against South Fremantle.

Unfortunately, the season came to a heartbreaking close with a narrow two-point loss to Swan Districts in the Elimination Final. This season the Colts played a total 52 players. 1x 16-year-old, 16x 17-year-olds, 23x 18-year-olds and 12x 19-year-olds. Of these 52 players nearly half made their debut in the Colts.

Our annual Ensor Medal night crowned Cooper Moore as the winner with 110 votes. Other significant awardees included Mitch Keene (Players' Player), Brodie McLean (Most Consistent), and Robert Warrell (Leading Goalkicker), Jacob Roberts (Spirit of the Colts), Will Tilbee (Past Players Encouragement award). Furthermore, we were pleased to hear that 3 of our Colts players were named in the Colts Team of the Year, Cooper Moore, Jacob Roberts and Robert Warrell.

I'd like to thank our coaching staff this year, Scott Moore, Ben Tomasini, Ross Mackenzie, Josh Smith, and Ross Clark for their dedication and leadership. Additionally, special thanks to Maddy Rogers (Physio), Mitch Tiernan (S&C), Anthony Gugliotta (S&C), Lucas Abbs (Head Trainer), Madi Butler (Trainer) and Eleasha Donovan (Trainer) for their invaluable support throughout the season.

As we look ahead to 2025, I'm pleased to announce that Scott Moore has agreed to continue as our head coach for the 2025 season.

Futures (U16s)

The Futures program saw a highly developmental and competitive season in 2024. February set the tone with a successful jumper presentation night and a resounding 114-45 victory in the first round. Over the course of the 9-game season, the squad showed tremendous spirit and determination right through to the conclusion of the program in April after an extensive 5 month campaign. A total of 51 players participated in Futures games. 5x 15-year-olds, 31x 16-year-olds & 15x 17-year-olds.

At our B&F night Mathew Edgelow was crowned the winner. Additionally, we were pleased to hear that Jayden Clarke was selected for the State 16s program.

I'd like to thank our coaching staff this year, Damian McCague, Chris Ryan, Gary Poole, Zac Casey, Grant Morisey, Mark Longton, Jos Welch and Katie Ashton for fostering a nurturing environment for player development. Additionally, special thanks to Angela Lefante (Head Trainer), Anthony Gugliotta (S&C) and Brad Ralph (Team Manager) for their vital contributions to the program.

As we look ahead to 2025, I'm pleased to announce that Mark Longton has been appointed as our head coach for our Futures side, with Damian McCague moving into a new role within our talent pathway.

15s & 14s Development Squads

The 15s Development program kicked off in May with an induction day for 80 players, from which a final squad of 60 was selected. The team demonstrated their potential in two highly competitive games against East Fremantle and Peel Thunder, securing impressive victories. Standout players such as Hayden Symons and Fynn Tomasini were selected for the AFL Boys State 15s Team, showcasing the quality of the squad.

August saw the commencement of the 14s program, which attracted a large pool of 135 nominated players. 90 players were invited and the final squad of 60 was chosen after a rigorous trial process. This talented group of young athletes also performed strongly in their two games against West Perth and Peel Thunder, securing resounding victories.

I'd like to thank our coaching staff this year, Mark Longton, Shane Darmody, Shane Jez and Grant Morisey, alongside assistant coaches, Al Gray, Gary Poole, Rowan Jones, Katie Ashton, Justin Quinn, Glen Francis, Jesse Stewart, Brad Scully, Chris Bates and Jos Welch.

Regional Programs

Our regional programs have continued to grow and thrive under the leadership of Glen Collins, Milton Milloy and Jared Patmore. In April three key hubs were established in Northam, Moora and Dongara. These academies provided invaluable training and development opportunities for young athletes across our regional zones.

In June a highly successful PFC Regional 15s Selection Day took place in Moora, bringing together the most talented players from across the region. From this selection day a squad of 23 players was chosen to travel to Perth for the Regional Carnival games.

Despite some injuries, standout performances from Sam Edwards and Kade Ward were a highlight of the carnival.

I'd like to thank coaches Milton Milloy and Jared Patmore for their dedication and commitment throughout the various programs. I'd also like to acknowledge Glen Collins for his leadership in driving our regional programs.

I would like to express my deepest gratitude to all coaches, support staff, regional coordinators, and volunteers for their tireless efforts and dedication throughout 2024. Additionally, I would like to thank Adrian Barich and the board, Talent Director Travis Burrows, along with CEO Russ Clark, Football Operations Manager Trevor Williams, and Female Football Operations Manager Michele Burton and Football Admin Assistant Roxanne Hannay for their continued support throughout the year. I have thoroughly enjoyed my time in the role and I'm eagerly anticipating an exciting 2025.

FROM THE FOOTBALL MANAGER - WOMEN

Michele Burton

Following our historic entry into the WAFLW competition with the Rogers Cup team in 2023, 2024 proved to be another year of significant progress and achievement for Perth Football Club. Building on the previous year's momentum, the team demonstrated remarkable growth, resilience, and competitiveness throughout the season.

Season Overview

In 2024 the Rogers Cup team achieved a significant milestone by securing several key victories and demonstrating notable progress. Ending the season just outside the finals, the team showcased their significant development and determination. Notable achievements included our first win in Round 2 against South Fremantle as well as wins over top 4 teams Subiaco, Swans and East Fremantle during the season, all reflecting the team's growth and tenacity.

Exciting Developments for 2025

We are thrilled to announce that Perth Football Club has been granted a licence to field a WAFLW League team starting in 2025. This milestone represents a significant advancement in our 'From Zero to Halo' vision to elevate and expand our female football program. The appointment of Jess Sedunary as our new Head Coach for the League team marks a pivotal step forward. Jess's extensive experience and innovative approach will be crucial as we embark on this exciting new chapter.

Development Squad and Pathway Progress

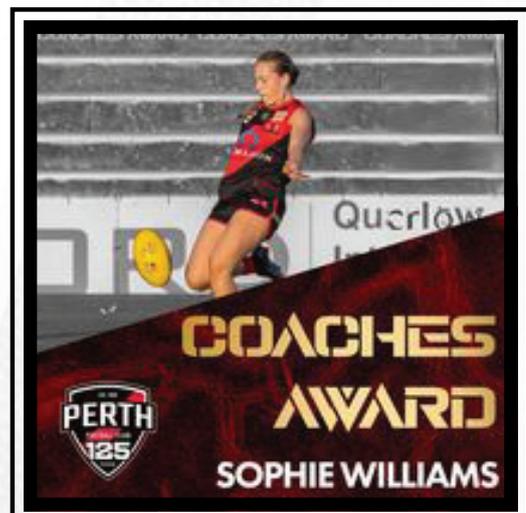

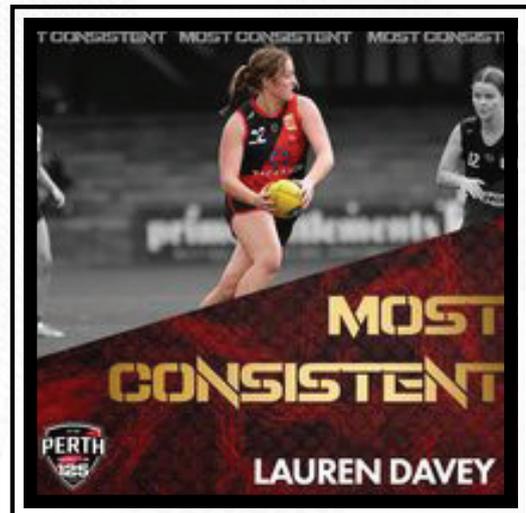

The Female Development Squad (FDS) continued to thrive in 2024, with 35 players participating in matches during the October school holidays. The squad's performance against other WAFLW development teams was impressive, reflecting the growth and talent within our district. We were excited to this year include several players from Dongara, Northam, Toodyay & York from our country district. Based on the talent seen so far we expect to see some of these players join our pre-season squad and debut for Rogers Cup next season. Ash Rohde had another successful program as head coach, notably assisted by Sarah Lane, Natalie Lambert, and our development coaches - Sammi Ward, Gisela Zumpano, Kayla Thomas, Lauren Davey, Giordi Macri, Ruby Howell and Lizzie Sims. Your support has been instrumental in our continued success and development. We also extend our heartfelt gratitude to President Adrian Barich, the Board, especially Carolyn Hills, and our CEO Russ Clark for their unwavering support. Acknowledgment is also due to all PFC staff members for their support, particularly Trevor Williams, Dan Elhaj, Jared Bell and Rox Hannay for their contributions.

Looking Forward

Reflecting on the progress we've made it's been incredibly rewarding to contribute to the growth of our women's program. The journey has been both challenging and fulfilling, and I am excited about the future under Jess Sedunary's leadership as the new Women's Football Manager. With the continued support from the Board, sponsors, families and our community we are poised for even greater achievements in 2025. Here's to advancing our journey and reaching new heights together!

FROM THE COMMUNITY ENGAGEMENT MANAGERS

Oscar Bird, Charlie Thompson and Riley Wills

In 2024 Perth Football Club (PFC) has continued to thrive and make significant strides in the community sector, driven by our commitment to fostering strong relationships and creating positive impacts across our metropolitan and regional zones. We extend our deepest gratitude to our major sponsor, Hungry Jack's, whose unwavering support has been instrumental in our success. We also acknowledge the valuable contributions of our partners, including Fugro and MacMahon. This year we have proudly collaborated with a diverse range of individuals, clubs, communities and organizations. Our efforts have enabled us to strengthen our community engagement, support local talent, and promote the spirit of the game across all levels.

The Free Kick Program returned for its third year in 2024, continuing to provide young people in regional zones with the opportunity to train with Perth players, share meals with peers, and participate in educational and developmental presentations. This year we delivered four-week programs in York and Cunderdin, with over 40 participants in York and over 30 in Cunderdin. Participants ranged in age from 7 to 16, with notable female participation and strong involvement from Indigenous communities. The program included a football clinic focusing on fundamental skill acquisition and fun, educational sessions on topics such as healthy eating, goal setting, and anti-vaping, as well as shared dinners and engagement with PFC players. We look forward to expanding the program further in 2025.

In 2024 the partnership between PFC and Penrhos College continued to flourish, with five senior players—Noah Cachard, Elijah Scoble, James Ewing, Riley Wills and Ryan Lee—coaching Penrhos teams during Term 1 IGSSA Football. The Perth players were actively involved in both training sessions and games, focusing on the acquisition and development of fundamental skills while ensuring the experience remained enjoyable for all participants. Additionally, PFC facilitated a weekly football program for grades 2-4 throughout Term 3, concentrating on skill development and the fundamentals of the game. With the establishment of our new senior women's team entering the WAFLW in 2025, the pathway from Rogers Cup (U18) to senior women's football at Perth is now complete, providing young girls with a clear and inspiring progression within the club.

PFC's wheelchair football team, having successfully defended their premiership title in October 2023 and aiming for a three-peat, is gearing up for an exciting new season from October to December 2024. To enhance visibility and community engagement the team is rolling out several key initiatives including pre-season training, team photos, a 125-year commemorative uniform, and increased social media recognition of match scores. These efforts will celebrate past successes and prepare the team for continued excellence in the upcoming season.

PFC is committed to fostering a love for football within our community through the delivery of engaging football clinics to schools across our region. These clinics are designed to introduce children to the sport in a fun and inclusive environment, focusing on the acquisition of fundamental football skills while ensuring an enjoyable experience. Senior men's players, along with the Community Engagement Manager, actively participate in these sessions, enhancing the experience by providing giveaways, taking photos, and engaging with the children by answering their questions. These clinics not only serve to promote the sport and our club but also play a crucial role in strengthening the connection between PFC and the broader community.

Another vital component of PFC's community connection is maintaining a strong and active relationship with the junior clubs in our metropolitan catchment region. This connection is fostered through various initiatives, including regular player appearances at junior training sessions where they run drills and engage with the young athletes. Additionally, the club organizes half-time mini matches during League games, providing junior players with the exciting opportunity to showcase their skills on a larger stage. Furthermore, the club extends invitations to the committees of junior clubs to attend pre-game President's Lunches, promoting a sense of community and collaboration between the senior and junior levels of football.

In 2024 PFC have partnered with Curtin University and The Heart Foundation to deliver the Aussie-Fit program. The Aussie-Fit program is a free 12-week program designed to help men make positive change in their life, such as lose weight or make healthier eating choices.

The program aims to educate participants so the lifestyle can be sustained beyond the 12 weeks. As part of the program Curtin University trained 2 PFC players, Kieren Pettit and Riley Wills, so they could facilitate the program. Across 2024 PFC will host two programs, where participants will attend 12, 90-minute sessions including an educational component and a physical activity component. The first 12-week program has just finished, and participants are undertaking health assessments to provide data to Curtin University.

Leading up to the Round 9 WAFL clash on June 2nd, 2024, Perth Football Club (PFC) executed a series of impactful community engagement activities in Northam and surrounding towns. Key initiatives included organizing nine football clinics across six local schools, providing young participants with opportunities to develop their skills and foster a passion for the sport. Additionally, PFC held a specialized training session for its regional talent squad, aimed at honing the abilities of aspiring local footballers, and conducted a holiday program for Children in Care in the area, with a morning of football activities, Q & A, giveaways and lunch together. These efforts not only generated excitement for the game but also reinforced PFC's commitment to community engagement and the development of future football talent.

Overall PFC's dedicated community initiatives in 2024 have significantly enhanced local engagement, supported talent development, and strengthened our connection with diverse communities. As we look ahead to 2025 we remain committed to building on these achievements and continuing to make a positive impact in the community.

CENTURION FUND

The 2024 Centurion Luncheon was held 11 October 2024 with a sell out crowd in attendance. The afternoon opened with CEO and Trustee Russ Clark providing an explanation to the guests of the origins and purpose of the Centurions Fund.

This year 191 game, 5-time All-Australian West Coast Eagle Premiership and reigning Best and Fairest Jeremy McGovern was the guest speaker. Jeremy treated the crowd to insights of time spent in the Gibson desert as a young child while his father worked for Clontarf Foundation as well as his time in Mandurah and Albany. Jeremy talked about his arrival at West Coast and being sent away due to poor fitness levels early in his career and how that became a turning point in his young career.

MC Jared Bell did a fine job and as always didn't miss Centurions Champion Allan "Chubby" Stiles with some quick wit. Our thanks to Chubby for once again organising the many table captains and the many auction and raffle items. Many thanks to the attendees and generous contributors who donated items for the auction and raffles.

Thanks to the proceeds of the luncheon and the continued generosity of our donors the Centurion Fund is now approaching the \$700k mark.

PROTECTING OUR HERITAGE

FOCUSING ON SUCCESS

CONSOLIDATING OUR FUTURE

DAISY, DIXIE & THE DEMONS.

On the 4th October we were pleased to host the sporting lunch Daisy, Dixie and the Demons. Guest speakers were AFLW Legend Daisy Pearce, former Australian Netball Captain Caitlin Bassett, former AFLW Premiership player and new PFC WAFLW Coach Jess Sedunary, current All-Australian AFLW player Emma O'Driscoll and WAFC Deputy Chair and legendary media personality Dixie Marshall.

MC Russ Clark gave a brief introduction of all the ladies and their achievements in their chosen sports and life, with the crowd amazed at the level of talent that was gathered on the stage.

Daisy and Dixie started off the day with a Q&A starting with early life, football beginnings and challenges and then the AFLW as a player and now coach.

After lunch Dixie interviewed all four ladies in a panel show that had the room in stitches of laughter and well as in awe hearing their amazing stories of perseverance and resilience. Most importantly, some of our Rogers Cup team members were in the room to see their future coach and hear her expectations of 2025 and beyond.

The event was very well received and will be the starting point for this function to be held each year. Our sincere thanks to Daisy, Dixie, Caitlin, Jess and Emma.

Passing Parade:

Sadly, we record the passing of our current player Dakota Baldwin-Wright in a tragic accident, his emotional service at the club on 16 February and the players response with a resounding win over Subiaco in Round 1. Shall not be forgotten Dakota and other tributes within this report. Similarly, the passing of previous club President 2005-2010 Damian Matthews, left us far too soon after a courageous battle against a debilitating illness.

Others who left us, from the 1955 Premiership Team Gordon Shepherd, players Des Hinton, Cliff Noble, Dale Hughes, Harry Bastow, John Quinlivan, Peter Coulthard, Ron Harding, Wayne Simms, Bill Tower, 1993-95 President Barry McGrath, long term club timekeeper Ridley Plaisted, and Margaret Rose, wife of our committeeman "Archie". All acknowledged for their contributions and support at many levels and with deepest condolences to their family and friends.

For the Footy Department:

The Senior group was again hit by the cruel curse of injury draining both squads of anywhere near full strength despite the promising first 3 rounds. The promising recruiting and player development spent a disproportionate time injured, in rehab or limited time to seriously challenge for finals. Despite this the League side retained the mathematical chance deep into the season and both Reserves and Colts made their respective Elimination finals but were unable to advance.

We respect outgoing coach Peter German's wholehearted efforts and we wish him and his family well.

Acknowledgements to some of our departing players: firstly Kristian "Bozo" Cary, Cap #1583 debuting in 2016, 93 games and 113 goals. Body always on the line filling yeoman roles, particularly when not suspended, leadership group and great club man.

Farewell to Trent Manzone, an experienced "Cardie" but invaluable in his 2 years here as a player, leader and role model, with over 200 state league games.

Sadly, also after 2 great seasons we lose Charlie Thompson back to Victoria dare I say for now, a magnificent contribution and hopefully not the last we see of him and his family.

Special mention of Joseph Chaplin who came to us from Tasmania to complete work study commitments, and played every game, invaluable as forward/ruck/utility. Tasmania calls him back but possibly just temporarily.

During the year Jacob Coniglio clocked up 100 WAFL games and only 25 more here to be a Demon Centurion. Well done too to 50 game milestones to Regan Clarke and Sam Stubbs.

Hail and farewell in the Footy Department to Trevor Williams whose contribution will be felt well after his formal departure, indeed well played Trevor. Brad Dodd is welcomed into the Football Manager role. Importantly we welcome as Senior Coach for 2025 Mark Stone, well credentialed and experienced in what is required at the club plus we were fortunate to have him at the club during 2024. Needless to say here he has earmarked player availability and resilience a focal issue.

Preparations already in hand for 2025 with our AGM to be held Sunday 9th February.

As always, and again with sustained endeavour, the PFC PP&OA Committee wish you all the best and we can look forward to entering 2025 with never undiminished but renewed enthusiasm. Expressions of Interest for Committee positions or assistance from those willing to contribute and work. Some Senior positions during 2025 will be vacant, so get in touch.

SPONSORS AND PATRONS: We are delighted that we have again an increased number of Sponsors and Patrons this year, volunteered in fact!! Obviously, the income assists us in what we do for the Club and players but also the public show of support is very gratifying. It makes all the hard work worthwhile. They are listed here and on the honour boards in the Rovers Lounge with sincere thanks from the committee.

The 2024 season for Perth Football Club (PFC) in the country leagues has proven to be a solid and eventful one, with competitive play and significant milestones across all four leagues that PFC supports: **Avon Football and Netball Association (AFNA)**, **Mortlock Football League (MFL)**, **Central Midlands Coastal Football League (CMCL)** and **North Midlands Football League (NMFL)**. Each league participated in the Nutrien Ag Country Championships, showcasing the breadth of talent and commitment to the sport across regional Western Australia.

League Highlights

Mortlock Football League (MFL)

- Premiers: Goomalling Football Club
- Reserves Premiers: Toodyay Football Club

Avon Football Association (AFNA)

- Premiers - League: Quairading Football Club
- Reserves Premiers: Federals Football Club

Central Midlands Coastal Football League (CMCL)

- Premiers - League: Dandaragan Football Club
- Reserves Premiers: Jurien Bay Football Club

North Midlands Football League (NMFL)

Junior Carnival

On June 20th, the annual junior carnival was held in Moora, bringing together players from all five junior leagues. The event saw some intense and exciting football, with competitive games and outstanding sportsmanship. 160 players participated, with the Avon Junior Football League taking home the top honours for the day.

Perth Demons Country Academy

Talent Development and Training

The Perth Demons Country Academy hosted a talent training session and game at the main oval, with the support of the Perth Football Club Futures coaches and Talent Development Manager. The training session was focused on selection for the July carnival, with clean, skilful competition and some outstanding individual performances.

- Players from across the region have been training since November 2023, including in Dongara and other satellite sessions in Northam, Goomalling and Moora.
- The selected squad participated in the July carnival, although the team faced significant challenges, with injuries severely affecting the team's performance. The team showed resilience, with 16 fit players in the final quarter of their last game. Despite the tough circumstances, the squad displayed excellent sportsmanship and commitment.

Special Acknowledgments:

- Grant Russell: Extensive efforts in managing injuries and ensuring player welfare during the carnival.
- Dan Elhaj: Perth PDO, for his time and commitment to both the talent day in Moora and the July carnival.
- Ben and Adrian: Thank you for presenting the jumpers to the team and for your motivational support.
- Parent and Staff Support: Glen Collins, Jarred Patmore, Dan Brooks, Graham Milloy, Ned Kelly, Adam and Katie Moore.

Academy Girls Development

For the first time, the West Coast Eagles delivered training for the Academy girls, with 10 girls from the North Midlands area attending. These players have been part of the Academy training program since November 2023, and they greatly appreciated the expertise and support from Chris Brown of the Eagles. Later in the season, five girls were selected to play for the Eagles underage team during a curtain-raiser for the AFLW Round One game at Mineral Resources Park.

Additionally, five girls attended the Rogers Cup training, with two invited to try out for the 2025 season. These achievements are a testament to the dedication of these young athletes and the continued support from Russ Clark and the Academy team.

Challenges and Key Events

The Grand Final day coincided with the Butcher Medal, preventing the PFC staff and executive from attending many of the major events. However, the WAFL game in Northam between PFC and West Coast Eagles was a significant success, attracting a good crowd and allowing for the female trial game. The Wheatbelt Wolves Senior Women's team also had the opportunity to progress and play in a post-game fixture, which was well received.

Facility Audits

A comprehensive audit of club facilities was conducted over a two-day roadshow, covering all seven clubs in the Mortlock Football League. The audit, supported by the WAFC Facilities Manager, had a positive impact, helping identify areas for improvement and ensuring that the clubs continue to offer high-quality facilities for players and supporters.

Future Focus

The WAFC's focus for 2025 will centre on participation and growth at all levels of football, including a particular emphasis on schools, in line with the AFL funding agreement.

- A review of the new talent model completed by an external agency resulted in over 40 recommendations, with Jon Haines leading the process.
- Moving forward, WAFC staff in country areas will not be involved in talent management but will serve as consultants to the Talent Managers at WAFL clubs.

Acknowledgments

A special thank you goes to the dedicated staff, volunteers, and families who have supported Perth Football Club throughout the 2024 season. The success of the country leagues, the Perth Demons Academy, and the overall football community in the region would not be possible without their contributions.

Conclusion

The 2024 season has been a successful one for Perth Football Club's country leagues, with competitive performances, notable achievements, and a strong commitment to player development. The PFC will continue to focus on enhancing football in the region and expanding opportunities for all players, ensuring the future of the sport remains bright in Western Australia.
