

2020 Burley Sekem Design a Jumper Competition

Thank you for registering to be a part of the 2020 West Australian Football Commission Design a Jumper Competition. The competition will be open until Friday, September 25 and entries can be sent in any time prior to the end date. Below is your application package, with instructions and contact details if you need them. Good luck and we look forward to seeing your entries!

Aim: Get students to demonstrate a sense of school pride/identity and get involved in football in a cross-curricular manner, perhaps engaging those who would not necessarily excel in a traditional sports environment.

Competition Requirements

Entries close **Friday September 25th**

Students must be enrolled in Yr 1-6 at the entering school.

Max **2 entries** per school.

Entries must be done on the **templates provided**.

Entries must be accompanied by a reflection on the reasons for the design.

Due to this we recommend students pay attention to local landmarks, their school ethos and location as well as population demographics when constructing their design.

We require the jumper design to be either posted (see below postage details) or scanned and emailed with the entry form to us for judging purposes.

For more information contact Regan Atkinson, ratkinson@wafc.com.au or phone 9287 5590.

Judging Details:

Entries will be judged by representatives from the WAFC.

The two schools sending in the best entries will receive a set of jumpers in the winning design made by Burley Sekem: one regional school and one metropolitan school.

Winners will be announced in Term 4 and the jumpers will be presented to the school at a mutually agreed time and place.
