IMPACT GUIDELINES

***** If a player has been found guilty of an offence in the current or immediate past season, they are NOT ELIGIBLE for an Early Guilty Plea reduction *****

- Low** Minimal or no impact on the game, and the player continues to play unabated or was able to play, and there are no ongoing issues.
- Medium** Clearly some impact on the player, and/or the player left the field for a lengthy period of time, and/or some possible lower level ongoing treatments.
- High** Major impact on the player, and/or was not able to participate in the remainder of the game, and/or major ongoing issues that require medical intervention and/or may miss some matches.
- Severe** Major impact and serious injury to the player, and/or likely to miss a significant number of matches.
- Note** These are proposed base level impact guidelines. The impact can be raised under the potential to cause serious injury.
