--	------------------------------------

As per the WA Government announcement, the areas of Greater Perth, Peel and the South-West will be in lockdown from 6pm Sunday 31st January until 6pm Friday 5th February.

This means that all football clubs and umpiring groups in these affected areas cannot hold training sessions, gym sessions or hold face-to-face meetings during this period. It is imperative that all football stakeholders strictly adhere to the lockdown requirements set out by the WA Government.

It also means the W AFC offices, where Perth Football League staff operate from, will be closed. However, all Perth Football League staff will be working remotely and able to answer your queries, particularly with player transfers opening.

At this stage, the AGM to be held 6pm Monday 15th Feb will go ahead as scheduled at Tuart College.
