REMINDER TO OUR MEMBERS

2020 ANNUAL GENERAL MEETING

WEDNESDAY, 9TH
DECEMBER COMMENCING
AT 6:00PM
MAIN SOCIAL HALL

PRESIDENT'S REPORT - Mark Stewart

We will never forget 2020. It has certainly been a very challenging year for our club so it was heads down as we navigated these difficult times. Tough times reveal character, and it was the character of our people that's got us through this year.

As our people pulled together to control our circumstances, it became clear that the Board's purpose was to steer us through this year's crisis and to find a positive outcome from what was, and continues to be, a very strange time in our lives.

COVID-19 IMPACT

These tough times all started on March 13th when I received a phone call from the WAFC. A meeting was scheduled to discuss something called 'the coronavirus'. It started to become very clear that this was something very serious and not to be taken lightly. We still didn't understand much about it and things certainly changed in the weeks following.

In this time of crisis, it was important the Board clearly understood what we faced and what action was required and to act accordingly while also understanding the parameters we could work in.

We needed to adapt to this new and unpredictable environment by changing what we do and how we do it so we adjusted the Board from a traditional model to a more appropriate one for the coming weeks and months and to focus on three main areas.

Teams made up of Board members, staff, and some key people within the club were selected and allocated to these three specific tasks.

The Finance Team

- Mark Stewart (Chair), Steve Nugent, Michael Brennan, Mark Murphy and Todd Shimmon (CEO).

This team's role was to micromanage the finances. It was no longer about monthly finance meetings; it was about daily cash flow management and constant review of expenses.

The Reset Team

- John Ipsen (Chair), Kim Chatfield, Dave Edinger, Paul Montauban, Bob Uittenbroek and Todd Shimmon (CEO).

This team's role was to review and research, and look at other revenue options, including exploring items such as a Go Fund Me page.

Media and Communications

- Adam Drake-Brockman (Chair), Flora Furness, Bill Monaghan, Bill Dodd, Brenton Boddington, David Koutsoukis, Renee Ciesla and Todd Shimmon (CEO).

The priority of this team was to convey up-to-date communications to our community, members, supporters, and sponsors.

It was an amazing effort from all these people. We value and appreciate the time they dedicated to our club.

The Board will continue to focus on the future by maintaining our commitment to the strategic plan and challenging every area of the club for improvement and ultimate success. We are better prepared now should we experience a second wave of Covid-19 or another crisis.

OUR PATRONS

To our Club Patron, Tony Buhagiar, and Vice Patrons - Con Tripi, Ray Meadowcroft, Len Hitchen, Peter Lynn, John McGrath, Harry Morgan AM, Hon. Dean Nalder, Hon. Simon O'Brien, Glenn Sterle, Lisa O'Malley, Bob Uittenbroek, and No.1 Ticketholder Ron

Alexander - your knowledge, advice, assistance and influence is so important to our great club and very much appreciated.

PAST PLAYERS AND GREY POWER

Our sincere appreciation and thanks to the hardworking Past Players and Officials led by their President, Noel Ireland, who continues to dedicate his time each season. They are an amazing, committed group that are devoted to our club. Noel, to you and your team, we thank you.

We also appreciate the hard work and dedication of all our 'Grey Power' volunteers led by Gary Stockden. Your tireless efforts are noticed by everyone at the club. A big thank you, Gary, to you and your wonderful team.

To our magnificent match day ladies, words are not enough to pay tribute for your home game afternoon teas. They are legendary in the WAFL and we cannot thank you enough for your wonderful and continued contributions.

OUR PEOPLE

Our wonderful staff's professionalism and organisation have been terrific. A big thank you to you all. A special mention to a number of you who continue to give so much to our football club: Maureen Gathercole and her ongoing support of our colts, thank you to Angelo Cuccovia for keeping an eye on our aging facility, Mick Jez - your handy work around the place is much appreciated, and Charlie Ricciardo - the time you spend with the players in checking in on them is so important. Thank you to you all.

To the Berrigan Bar & Bistro, Numero Uno, and Nine Seeds, we thank you and your staff for your excellent contributions and the services you provide to the club on a regular basis.

A big thank you to our many sponsors for their continued support and the contribution they give each year to the East Fremantle Football Club. Our Board will continue to engage with you and help you connect with our community organisations.

2020 FINANCIAL REPORT

As can be seen from our financial report, the club has had an amazing outcome in 2020 with an after-depreciation profit of \$250,748. As I have stated in previous years, we need to improve our financial situation for the upcoming seasons and beyond. This year was a big step in the right direction. On-field success will certainly assist the club in achieving further and positive financial results.

I would like to make special mention of and express our thanks to Mark Murphy, our chartered accountant, who has given his time in overseeing our club's finances and who is an important member of the Finance committee.

The exciting part of this year's Financial Report is that we begin next year with a future fund.

CLUB LEGEND

I am proud to announce that our 2020 Match Ball Legend is a Premiership player and Life Member, Oscar Howard. As I stated at the Lynn medal, congratulations to Joy and the Howard family, this acknowledgment is well deserved.

ON FIELD

Thank you to all our coaches. League Coach Bill Monaghan, your perseverance and determination has been evident throughout this challenging time in view of the effects of COVID-19 through the season. We thank you for your service and we look forward to next year and beyond. We understand it is a big challenge, however, as we look forward to the years ahead.

We would also take this opportunity to thank all that were involved in the Development team, our Colts Coach, Adrian Ricciardello, for their efforts throughout the season. Our great club would not be able to operate without the contributions and dedication of all our volunteers and support staff, so to all the selectors, team managers and assistants, our trainers, strength and conditioning staff, property managers, and other volunteers, we offer you our sincere thanks.

Thank you to Geoff Wolfenden, our District Chairman, and our District Development team, for your continued support and dedication.

I would also like to acknowledge the wonderful efforts of our Women's team during this challenging year. Darren and Nikki, the club is very proud of all your hard work and we look forward to the year ahead.

THE TOWN OF EAST FREMANTLE

To Jim O'Neil, Gary Tuffin, and the Town of East Fremantle Councillors, thank you for your ongoing support and commitment to the East Fremantle Football Club. We look forward to working together during an exciting future for the East Fremantle sporting precinct and our club.

SPECIAL THANK YOU

Our club has a lot to be proud of and to celebrate.

My appreciation goes to my fellow Board members - John Ipsen, Steve Nugent, David Edinger, Flora Furness, Kim Chatfield, Michael Brennan, Adam Drake-Brockman, and Damian Condon - who have served our club in a professional and united manner. Throughout this year's crisis, the Board members have been amazing. A number of them have had their employment and businesses impacted but they still devoted their time to our club. There were also challenging conversations about staff having to take leave, working hours reduced and staff salaries reduced. I am so proud of our team's resilience.

Michael Brennan, a big thank you for your contribution. Footy can be tough but your commitment and hard work in this important area of our club can never be forgotten.

Given what this year has thrown us, I have really been moved by each and every Board member's approach. Their can-do attitude of "whatever is needed, Stewie" has been truly valued. All have given and will continue to give their valuable time and professional contribution to our club.

I commend our management team for their hard work and commitment in 2020 and thank our loyal members for your constant support. Todd Shimmon, our CEO, your commitment to our club during those challenging months was so important in getting us through. I look forward to working with you in the coming season.

To my amazing wife Leanne and our magnificent daughters, thank you for your continuous support.

This year has certainly been a year that we will never forget. There have been many challenges and many changes. We can stand tall as our club moves forward under the influence of so many value-driven people. I urge all members to stay strong as we will be rewarded with success soon.

I would like to take this opportunity to thank all our members and supporters and wish you and your families a very healthy, happy, and prosperous 2021.

CEO Report - *Todd Shimmon*

From a very bleak outlook when Covid 19 hit in March, we have been able to re-assess the damage, and then restructure and reset for the future.

I firstly must thank the entire Board of Directors, who dropped everything and donated their valuable time to navigate a way out of a very difficult scenario and set up the Club for a prosperous future.

To our wonderful players, coaches, support staff, members and volunteers who either reduced their payment to help the Club or donated funds through the Go Fund Me fundraiser. Thank you. In our hour of need, when we needed your help, you were there to support us, and for that we are eternally grateful, and this money will now be set aside for our Future Fund to protect us if a second wave of Covid arrives, or used for funding towards the Redevelopment of our new facility over the next 2 to 3 years.

On field, our Seniors improved in a lot of areas, but not in the win/loss, but we do believe we are now on the right track, and we hope that you will see a good young crop of League players who are between 19 and 23 progress into 100 to 150 games players for the Club.

Thanks again to Brad Dodd and Bill Monaghan and the Football Department for working through all the difficult scenarios that were thrown your way and coming out the other end.

To all the coaches and support staff under Bill and Brad for their continued professional support throughout 2020. You are all passionate Sharks supporters who offer their time willingly each season, and it is greatly appreciated.

Bar & Hospitality

Once again our bar and hospitality was contracted out to 3 local hospitality operators to run our Bar & Catering throughout the Club. A big thank you to: Berrigan Bar & Bistro, Numero Uno and Nine Seeds.

- Berrigan Bar & Bistro – Running the Club's Bars with Cam Vinicombe managing staff and rosters.
- Numero Uno – Function Catering – Guido and Linda Micalizzi running all function catering for the Club.
- Nine Seeds Café – Amrit and Neal running our Coffee Carts and Kiosk for all game day food.

Thank you for your support, and look forward to working with you in the future.

Facility Upgrade

The facility is in constant need of repairs and maintenance and I must thank the following groups for their outstanding support in this area.

Since November last year the Club, our Sponsors along with the Past Players group, with great financial support from East Fremantle Town Council have upgraded our facility by spending well over \$150,000 on maintenance or new upgrades (see facilities report on upgrades).

The Club has now completed 70% of our EFFC Physical Environments Projects. The document recommended upgrades and improvements to the physical outlook of buildings and surrounds of New Choice Home Park.

Redevelopment of East Fremantle Oval Precinct

I am also pleased to announce that the Town of East Fremantle is about to publish a fully costed Business Plan for the Redevelopment of East Fremantle Oval Precinct.

The plan has been through several community consultation workshops / meetings to make sure all views were

considered in the Redevelopment.

The Business plan has been approved by Council and they have committed funding, we now wait on funding proposals with the State and Federal governments for the project to get the green light.

Financials

I am pleased to announce a significant surplus this year of \$250,748 after depreciation for the 2020 season. This surplus includes the Go Fund Me donations of \$107,000 which have been moved out of this year's P/L into a Future Fund.

The reason for the surplus is mainly due to the State Government incentives when COVID 19 hit for Not for Profit (NFP) organisations, as we were able to get Jobkeeper for staff and players and a reduction in BAS quarterly payments.

We understand that 2021 will be a very difficult year financially with a reduction in grants from the WAFC and a foreseeable loss in sponsorship and membership from patrons who are in financial difficulty.

A big thank you to the Finance Sub Committee of Mark Stewart, Michael Brennan, Bob Uittenbroek, Mark Murphy and Steve Nugent.

Sponsorship

A special mention to our sponsors who were outstanding in the support of the Club throughout the pandemic.

The Club was able to retain 95% of our sponsors throughout the season.

A big thank you to our Business Development Team of Renee Ciesla, Kim Chatfield and Dave Edinger for all their work in this area.

Junior District

Our Junior Districts Clubs continue to provide excellent talented players for our development squads, but more importantly are a vital link to our community with links to thousands of volunteers who co-ordinate junior football each weekend. Thank you to the chairman of the District Council in Geoff Wolfenden for his guidance to the District Admin team of Bradd Gardiner, Tom Atkinson, Daren Bell and Jaxon Liddelow throughout the year.

Country Zone

In a difficult year for all Country Leagues, the GNFL were able to get a season going from July onwards.

A big thank you to Colin Cox and his GNFL Committee for their continual work in

Board Attendance Record 2020

| | Dec | Jan | Feb | Mar | Apr | May | June | July | Aug | Sept | Oct | Nov |

developing players to play in the three (3) grades of football in the GNFL each year, and for providing the pathway for players to play at a higher level whether WAFL or AFL through our development programs.

A big thank to Darren Winterbine , Grady Tomelty , Mitch Boyle, Dave Fiorenza, Gerard Marquis and Todd Teakle for their work in running the Mid West High Performance Academy. It is greatly appreciated by everyone at the East Fremantle Football Club.

Women's Football

Congratulations to our Women's teams again in 2020 for being the only WAFL side to field all 3 grades in the finals, and although not making the League Grand Final, our Women's teams continue to be a great feeder Club for the AFLW competition.

Women's Football within the district continues to grow with large increases in participation numbers. A big thank you to Darren O'Donnell, Emily Wise and your executive team for their work in developing Women's football throughout our district and the three teams that play at New Choice Homes Park throughout the year.

Congratulations to our EFFC Women players who are playing at higher levels around Australia, we are very proud to provide a pathway that allows the growth of women's football.

East Freo Sharks Netball

As most of you would know the Club joined forces with the Fremantle Netball Association (FNA) last year for two elite teams in the new State Netball competition. (U/20's & Open) The teams are called the East Freo Sharks.

The Netball competition ran for 14 rounds this year starting in July and finishing in October.

Once again both our teams made the finals with the Open side finishing 3rd and the U/20's being defeated in the Grand Final.

May I take this opportunity to thank Clare, Dee, Sondra, Michelle, and Claire, from the Netball executive for another exciting year in partnership, and for providing an excellent pathway for elite netball talent within the Fremantle community.

Volunteers

Please see the double page spread of our Volunteers in the Annual Report instead of me trying to thank them all in this report. I have made mention of a few below, who are key leaders of our Volunteer groups.

A big thank you to Noel Ireland and his Past Players, who continue to do an excellent job for the Club in catering, maintenance repairs and equipment for our footballers. They have raised over \$30,000 for the Club again this year.

Thank you to Gary Stockden and the Grey Power for their work cleaning up the facility each week. To Angelo Cuccovia for keeping a good eye on the facility to make sure we stop break ins, and finally Maureen Gathercole for her ongoing support to our Colts team and any historical statistics needed by the Club.

We have an outstanding group of volunteers who give their heart and soul to the East Fremantle Football Club, and we cannot thank you enough for your great support.

Board & Staff

A big thank you to Mark Stewart and the Board, for your continual support and guidance to all staff, it is very much appreciated.

As I stated earlier in this report, most of the Directors would have had to deal with their own issues when Covid hit us in

March. But we saw all our Directors roll up their sleeves and get their hands dirty when required over those difficult months.

Through the support of one of our sponsors in Premair Aviation (Paul Montauban) we were able to continue leadership and structural review of our operations. David Koutsoukis has come on board and has been a great asset to me, and my admin team and the football department. We thank you Dave for your abundance of energy and expertise in working with teams. You're also not bad with the guitar as well.

And finally a big thank you to the administration staff of Judi Miles, Leigh Pratt, Renee Ciesla, Brad Dodd, Mark Pashby, Brenton Boddington and Bill Monaghan for your work and commitment to the Club.

What a year!!, and through very difficult circumstances we all gelled together to get a season away. Thanks for all your efforts and it's certainly noticed and appreciated by the board.

To all members and supporters, I hope you have a Merry Christmas and a Happy New Year, and look forward to seeing you at New Choice Homes Park in 2021.

Unite for the Blue & White.

FINANCIAL SUMMARY FOR 2020

The impact of COVID-19 in March 2020 created a massive change to how the Club conducted their operations, with the Board reacting by setting up a "Go Fund Me" campaign to raise funds for the Club if they were not able to raise income throughout the year. Full-time employees, including support staff were on reduced wages during the first couple of months of the pandemic. The "Go Fund Me campaign" raised a total of \$107,000. The Club received Federal Government's Job keeper and cash flow boost subsidies, which allowed the Club to produce a healthy profit for 2020. As such the funds generated from the campaign were not utilised. These funds had been placed in a future fund account for the Club.

The Masterplan for the Redevelopment of East Fremantle Precinct is now complete and approved by the Town of East Fremantle, with the Redevelopment in front of State and Federal government for funding. The Club is about to start a Redevelopment Fund for members and supporters to purchase large step pavers for the entrance to the new facility.

Below is a summary of our results in each category, along with a comparison to the 2019 financial year.

| Categories | 2019 | 2020 |
|---|---------------|----------------|
| Net Result Food, Beverage, Merchandise | 97,100 | 30,346 |

Business Development, Marketing & Sponsorship

- Director David Edinger & Renee Ciesla

Well it certainly wasn't the year we had anticipated but as they say, 'in the middle of difficulty lies opportunity'.

We were excited to welcome Platinum Partners Harrisdale Chiropractic, SKG Radiology, Ferngrove Wines and Premier Aviation on board the Sharks for the 2020 Season, as well as Official Partners A Team Signage Solutions, Battery Wizards, The Broken Hill Hotel, FLANNEL, St John of God Murdoch Hospital and Winning Commercial.

Unfortunately, when Covid-19 hit, our first casualty was our long-term supporters, Titan Ford. Twenty-seven years as our Major Sponsor is a mighty achievement that has, and always will be, thoroughly appreciated by the East Fremantle Football Club and community. Clubman Steve Waller organised the sponsorship during his tenure as a board member of the Sharks in the early 90's. His hard work and dedication has been unparalleled, ensuring this thriving partnership for an incredible amount of time. To Steve, we say an immense 'thank you'. From the bottom of our hearts, we thank Titan Ford for their support spanning almost three decades.

Despite the tough economic environment, we were lucky enough to secure Magic Kia Melville for the next two years. To Richard Bennett and his team, we would like to express our gratitude and we look forward to building our relationship in the years to come. We encourage all Sharks supporters to head down to the Melville Dealership if you are in need of a new car or service, their experienced team are here to help. A special thanks to our Oval Naming Rights Partner, New Choice Homes – if you're thinking of building there is only one place to go!

To our Platinum Partners; The Left Bank, AOS, PetraClean and AMS, again we thank you for your unwavering support.

Following last year's success, we ran the Corporate Classic to help raise crucial funds for the Club. We were delighted to surpass the number of entrants this year, with 80 companies in the race for four great prizes. Congratulations to Rama Concrete for taking out the top spot – with their logo being placed on the senior playing jumper. Last year's winners, Lake Brockman Tourist Park, took out second prize, followed by Tydan Constructions and LM Poole & Co in fourth spot. If you wish to participate in 2021, please don't hesitate to get in contact (launching in December 2020).

Our Sponsor Networking Breakfasts have become an integral part of our Business Development. These were introduced as a way of bringing our vast network of sponsors together; facilitating introductions and encouraging them to use each other. Thank you to the Swan Yacht Club and the National Hotel for hosting us throughout the year.

As we bridge the gap between our corporate partners, we seek to create a better link between our members and sponsors. To make this more accessible we have been working with COZ APP, a business directory available

for your smart phone. To access some great offers, download the app from the iTunes or Google PLAY Store and select the Sharks as the club you want to support. A huge thank you to COZ APP owner Joe Georgiades for his work in getting East Fremantle involved. We encourage all supporters of the club to utilise our sponsors where and when they can. When times are tough it's great to be able to look after the people who constantly back the club we all love.

It has certainly been a challenging year for businesses across Australia. To have the unwavering support of so many organisations just shows the calibre of generous people involved with our great Club. The implications of the year that was, is likely to have a profound effect on the Sharks for the years to come. If you are able to help in any way financially please contact the club, we would love to have you onboard.

Our sincerest thanks to the sponsors, directors, members and staff that introduce new businesses to the club. Many of our sponsors are introduced by referral, so if you know of any interested parties, please send them our way.

We cannot thank our sponsors and partners enough for their continued support of the Club. We wish you all the best for 2021 and look forward to working together for the success of your business and the Club.

Marketing & Fundraising

With the prospect of no football in 2020 or funding from the WAFC, the Board was extremely proactive as the Covid-19 situation hit. The decision was made to launch a GoFundMe page to deal with our inability to generate income. We were blown away with the amount of support we received from the moment the page went live. In the first week we raised a whopping \$51,355, which was 50% of our target! The Sharks community kept giving and we passed \$100,000 in just five weeks. To the 590 donors, we cannot thank you enough. Your generosity in these trying times is unparalleled and from the bottom of our hearts we thank you. From the East Fremantle supporters, WAFL fans to the general public who donated, you have secured a viable future for our Club. A special thanks to our AFL Sharks; Harry Taylor, Cale Hooker, Aliir Aliir and Patrick Cripps for taking the time to help get the word out.

We took our annual auction online this year for a week in October. Although it didn't have the glitz and the glamour that the usual gala event brings, we were once again delighted by the generosity of both the donors and bidders. Galabid has been instrumental in our fundraising endeavours, enabling those far and wide to get involved while providing our donors with another level of exposure.

The Corporate Golf Day was another successful and crucial fundraising event held at Royal Fremantle Golf Course. Congratulations to the winning team Hoyts and thank you to those who sponsored the day.

Social Media is now our prime means of

communication with Sharks fans. If you haven't already got onboard with the Sharks Facebook page, make sure you do and be sure to engage with our posts. So you don't miss any of our updates, hit the LIKE & FOLLOW buttons! East Fremantle is also on Twitter and Instagram to keep you up to date with all things Blue & White. Don't forget to subscribe to our weekly e-newsletter 'Sharks Circle' which always has special offers from our sponsors.

A big thank you to Darcy Middleton for his work on game day as the Ground Announcer as well as writing the weekly match reports. Thank you to Brenton Boddington for his service to the club during events and for his assistance with editing game vision.

My sincerest thanks must go to our Past Players and the Grey Army who do incredible work for the club. The Past Players keep everyone well fed and looked after during the MND Drive while the Grey Army work tirelessly to have our signage around the ground installed and are always on hand to maintain Shark Park.

Community Engagements

Junior District Day – This year we were excited to welcome our junior clubs to our home game against Claremont to participate in a parade at half time of the league match. It was wonderful to have 500 junior players attend, representing Attadale, Booragoon, Bullcreek Leeming, Canning Vale, East Fremantle, Melville, Palmyra, Piara Waters, Rossmoyne, Riverton, Rostrata and Willetton.

Rossmoyne Junior Football Club won the most colourful club to collect \$500 worth of junior guernseys.

The strength of our football club comes from our incredible country and metro zones. East Fremantle would like to extend our sincere thanks to the volunteers and parents for their help in making this event possible and for all of their work in preparing the Sharks of tomorrow.

MND Drive – In support of our major charity partner, The Motor Neurone Disease Association of WA, the Sharks hosted the launch of their annual drive in November. Our wonderful Past Players provided a big breaky to keep the drivers full on their journey.

Unite for the Blue & White!

*New Major Sponsor – Magic Kia Melville
– Todd Shimon, Richard Bennett,
Jordan Snadden.*

MEMBERSHIP 2020

- Bob Uittenbroek, Membership Director

A **VERY BIG THANK YOU** to all our Members who joined the Club or renewed their membership this year during COVID-19. The support received was outstanding, not only in joining our Club, but also the financial support received during the *GoFundMe* campaign.

On behalf of the Membership Committee, please accept our sincere thanks.

A personal thank you to all the existing Jack Sheedy Members who supported the Club in agreeing to an increase in the number of Jack Sheedy Members to 125. Your offers of financial support during a very difficult period were overwhelming and we cannot thank you enough.

It is pleasing to note that during this extraordinary year we have increased our total membership by 115 to 1632 this year.

Whilst our Great White Membership has remained constant for the last 4 years, our Mako Membership has increased by 140 this year, mainly due to the reduced number of games played which provided great value to those Mako Members.

The Club also introduced a new Membership category known as Sharks Spirit.

Whilst it took some time for Members to come to grips with the new Membership category, it should prove to be of great benefit in future years.

There was a reduction of 48 in the numbers of Social Members.

Congratulations to our 4 new Life Members who were inducted at the 2019 AGM and received their Life Membership medallions at a recent luncheon at the Club.

Welcome aboard to:

Kevin Cant
(Club volunteer over many years)

Bill Cromwell
(Club volunteer over many years)

Mark Amaranti (Former player)

Clayton Anderson (Former player)

Again, my personal thanks to the dedicated Members of the Membership Sub-Committee in Glenn and Rod Brown, David and Lyn Edmonson, Angelo Cuccovia and Andrew Stephen.

Your ongoing support is really appreciated - thank you.

In closing, I would like to express my appreciation to Judi Miles, Renee Ciesla and Leigh Pratt who have kept on top of the administration of the Club during difficult times, all whilst on reduced working hours.

We hope and trust that 2021 will be a better year for football and look forward to your ongoing support.

Unite for the blue and white.

Bob Uittenbroek OAM

Chairman
Membership Sub-Committee

TOTAL MEMBERSHIP FIGURES AS AT OCTOBER 31, 2020

| MEMBERSHIP TYPE | OCTOBER 31, 2020 | OCTOBER 31, 2019 | OCTOBER 31, 2018 | OCTOBER 31, 2017 |

2020 Special Events and Fundraising

- **Kim Chatfield**

Covid-19 might have meant that we had to postpone our Annual Corporate Golf Day but there wasn't a time this great event would be missed.

Held in August, we had 23 teams take to the beautiful greens at Royal Fremantle Golf Course.

A huge thank you to our major event sponsors Magic Kia, who put up a Kia Rio as a 'Hole in One' prize for the 17th hole and PSC McKenna Hampton who covered the insurance costs, as well as supporting partner Edinger Real Estate.

Thanks to Tyreright Welshpool we also had a putting competition, where one lucky winner scored \$1,000 worth of tyres.

Our 'hole' sponsors this year were:

- **BM&Y Accounting**
- **Hoyts**
- **Winning Commercial**
- **Tyre Right Welshpool**
- **Select Brands, Divas**

The Hoyts team claimed the highest honour for the day, with Specialist Finance Group and AOS coming in a close second and third.

The Par 3 holes rewarded both the best and worst shots on the day, thanks to Hoyts and Wagyu Biltong. We also had prizes on each of the holes made possible by our fantastic sponsors.

A final thanks must also go to the item donors for our raffle; Fremantle Dockers, West Coast Eagles, ATOM, The Left Bank, Golf Box, BM&Y Accounting, Royal Fremantle Golf Club and Kennards.

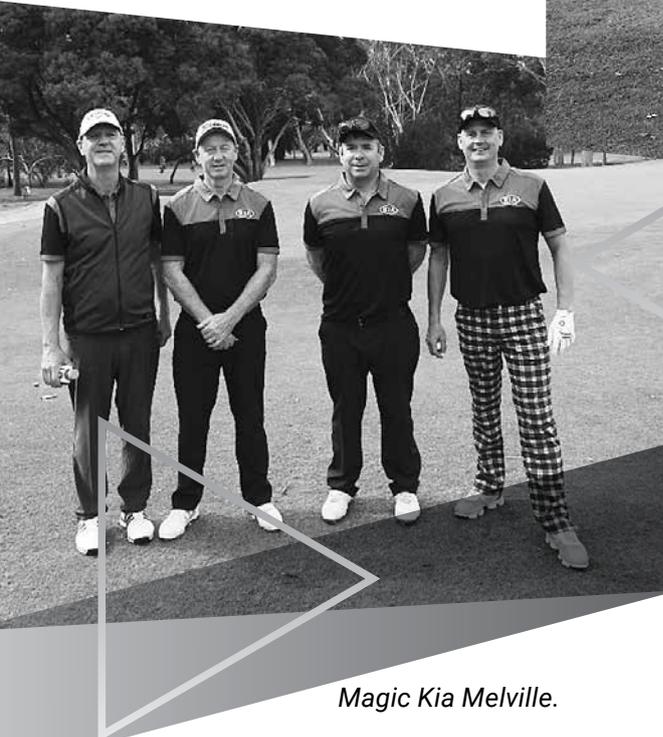

This is a great event on our calendar, especially for all of the golf lovers out there. Royal Fremantle is an exclusive course that usually requires

a membership so it's an opportunity to play on one of WA's best greens. Not only a perfect opportunity to network with other sponsors, it's a fantastic place to bring clients or staff! So next year, get a team of four together and promote your business over 18 holes, whilst the drinks cart makes its way to you.

A big thank you to the events team that made this possible, Director David Edinger, CEO Todd Shimmon and Business Development Officer Renee Ciesla.

I look forward to the year ahead and would like to take this opportunity to wish you a very Merry Christmas and prosperous New Year.

Magic Kia Melville.

Magic Kia Melville.

Winning Commercial.

Hoyts – Golf Day Winners.

TALENT PROGRAMMES

- Mark Pashby, Talent Manager

In a disrupted year the Talent programmes once again took on a different look with the Futures (16's) being reduced from a nine game season to a six game season, with three games prior to COVID-19 lockdown in March, it was extended to include three games in the July school holidays.

The Sharks fielded a competitive side playing all 51 players across the 6 games.

The programme was run professionally by new Head Coach Andrew Browne and his assistant coaches, Jamie MacNamara, Adam Drake-Brockman, Burke Austin and development coaches Lachie Price and Scott Bruce. The Coaching team was ably supported by Craig Treleven and Warren Bank with the team being superbly managed by Meagan Hanson.

Congratulations to the four players selected in the State 16's scratch matches which were held in lieu of a State Carnival: Luke Yeo, Jack Cleaver, Jed Hagan and Griffin Vladich.

14's / 15's Development Squads

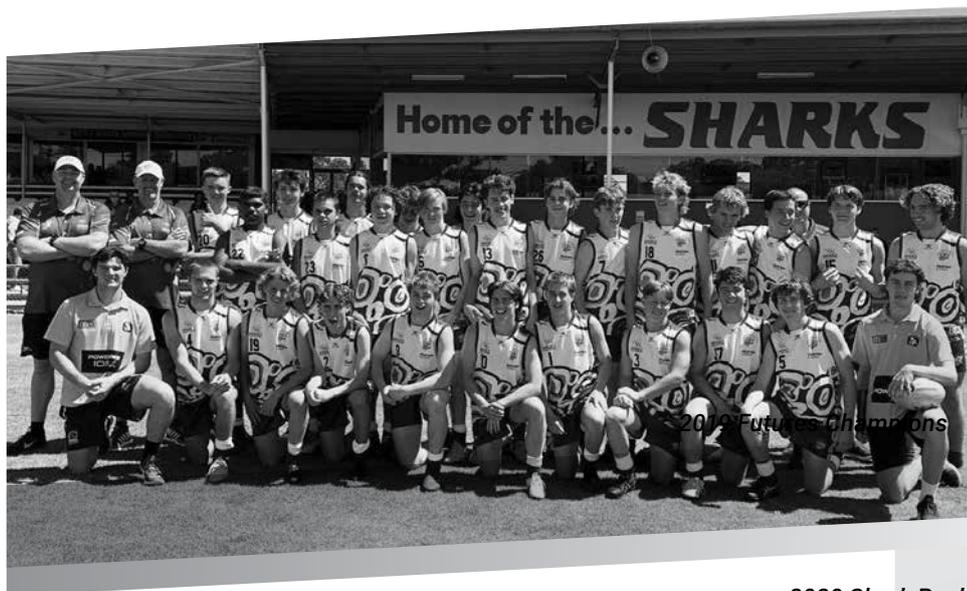

Under normal circumstances this group would begin training in mid July, however, this season training began in September culminating with A & B team scratch matches against South Fremantle on the 1st of October.

As the community season was extended this year there was no programme for the 15's, however, they will begin pre season training in December as they will become the Futures (16's) of 2021 and will begin their season in late February 2021.

MID WEST SHARKPACK

The GNFL sent their Sharkpack (15 & 16 year olds) down on the 5th & 6th of October and played games against Upper Great Southern (SF) Subiaco and Perth regional sides.

The Sharkpack showcased a high level of talent with expectation that the Mid West will be providing the East Fremantle

2020 Shark Pack.

Football Club a steady stream of talented players well into the future. A number of these boys will be invited to participate in the Futures season in 2021.

MID WEST HIGH PERFORMANCE ACADEMY

Thanks go to Darren Winterbine at the Mid West Academy of Sport and coaches, Mitch Boyle, Dave Fiorenza and Gerard Marquis.

The Academy in its second full year is producing some very talented footballers with 10 players who originate from the Mid West playing for the East Fremantle Colts this year. Hopefully the Regional Colts game will go ahead again next season after being such a success last year.

COLTS

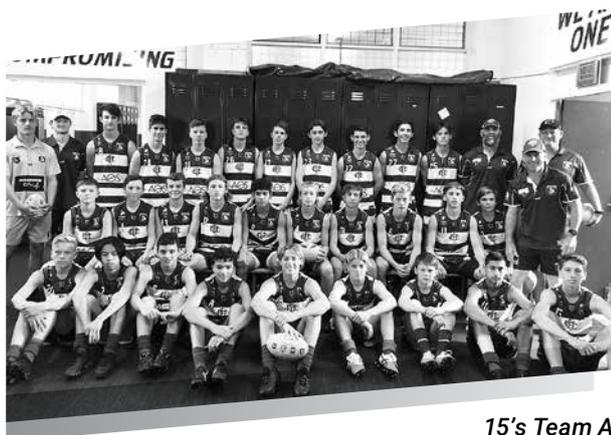

Colts Coach Adrian Ricciardello was thrust into a unique situation in his first year as coach and handled the situation of lockdown and later training with COVID-19 protocols in an excellent fashion.

Adrian has implemented an excellent

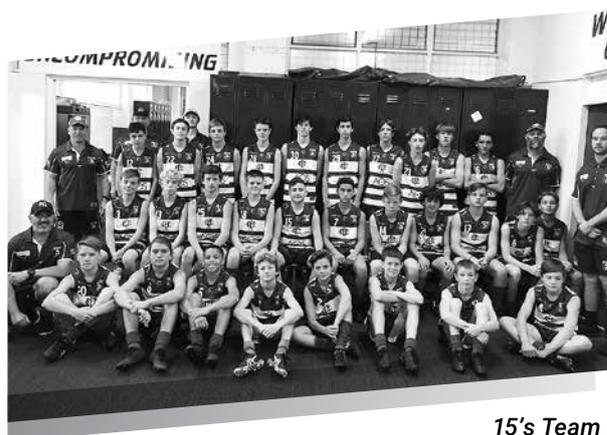

culture into the Colts squad with both players and staff. After a slow start to the season the East Fremantle Colts in the second half of the year played some outstanding football to make finals and winning their way through to a Preliminary Final. East Fremantle had 10 players who were 17 or younger play in the Preliminary Final which should give the squad a degree of confidence heading into next season.

Congratulations to Finn Gorrige who won the Len Anderson Medal as the Best & Fairest in the East Fremantle Colts and special mention to Jed Hagan who as a 15 year old, travelled down from Geraldton each week playing all 10 Colts games and finishing runner up to Finn in the Best & Fairest.

Special thanks to Brenton Boddington who has worked tirelessly in assisting in the talent area in 2020. Thanks go to all the staff and volunteers across all the programmes this season who in difficult circumstances have helped to deliver a successful Talent Programme.

15's Team A

15's Team B

FOOTBALL OPERATIONS - *Brad Dodd*

After a promising finish to the 2019 season, we attacked the off season with renewed optimism and determination to continue on our path of improvement. We appointed a new Strength and Conditioning coach in Matt D'Aloia, who was in charge of North Adelaide when they won a SANFL flag in 2018. Matty went about driving our weights program, an area we felt we needed to make ground up on to compete with the top teams. Bill Monaghan and his coaching group worked hard with the playing group on our ball movement over the pre-season. We were happy with our pre-Xmas work.

We had only added a few players in the off-season. We still felt we had considerable natural improvement in our young squad. Durak Tucker was recruited from the Sydney Swans. An exceptional talent, Durak had been injury ravaged over the previous 2 seasons and had played very little football. We saw Durak as a key piece to our back 6. Brodie Riach came to us from the West Coast Eagles. Brodie is a good endurance athlete who had a basketball background. He had spent 18 months on West Coast's list and was looking to continue his football journey with us. Finally, we added Jordan Mills who had spent 10 seasons at West Perth. A key back, Jordan offered us coverage down back as we expected Matthew Jupp to miss the first half of the season after having a toe operation.

Everyone was really looking forward to the season starting as we headed into our first practice game against Subiaco in mid March. As we all know, the game was cancelled and soon after it appeared we were unlikely to play a season at all. It was a strange few weeks as we all watched

what was going on around the world as our football season took a back seat. As a club we engaged our players on Zoom as weekly meetings with the WAFL provided little concrete information. Over time we gradually got access back to the players, being able to do some skill work in groups of 10. Staff was limited to myself and Bill Monaghan. Again, we still had no start date to work to. This was a real mental challenge for the players - training with the real possibility of no season. De-motivation was an issue that we continued to address. Eventually there was light at the end of the tunnel and a season was announced. After various work groups and discussion, West Coast withdrew from the competition and an 8 game season was announced commencing at the start of August. But there was a final twist, with the season being brought forward 2 weeks and starting mid July.

With a short lead in, there was a lot of discussion around what our training program would look like. The AFL season had started and there was a spate of soft tissue injuries. There was concern that the strength base had been eroded and we were unlikely to make the ground up. The players had been made to make do with makeshift home gyms but the ability to squat and power lift had been severely restricted. Soft tissue injuries were an issue for us early in the season.

Over the off-season, we had tried to recruit Cody Leggett from Perth. It was a long drawn out process that saw us lose at arbitration and unable to come up with a deal with Perth. This wasn't through lack of trying but Perth had decided

to make a stand - which was well within their rights. Though it was disappointing to get Cody the way we did, my position is that the players best interests need to be taken into consideration more and I don't think they were in this case.

We decided to play 2 practice games leading into the season. Claremont and Subiaco would give us the opportunity to play against 2 genuine contenders leading into a Round 1 game against South Fremantle. We had a great hit out against Claremont before a poor showing against Subiaco. Nevertheless, we were pretty confident going into the Round 1 derby. To say the game was a huge disappointment was an understatement. It was an unacceptable performance.

The next 3 games saw us win against Peel before another poor loss against East Perth. Heading into the must win match against Perth, we were 1-2. After Perth had held us at bay for most of the day, the boys came storming home only to not be able to land the knock out blow. A 6 point loss saw us head into the bye with a 1-3 record.

After the bye we again came up short in the next 3 games. We held a 5 goal lead in the 3rd quarter against West Perth to throw it away and lose by 4 points before again finishing strongly to lose to Claremont by 5 points. It was only the 2nd time in WAFL history a club had lost 3 games in a row by 6 points or under. Against Subiaco we had played great football for 3 quarters before falling away badly in the last. Our final game saw us close the gap on

Swans in the last quarter before they kicked away again. 1-7 certainly was a disappointing season and fell short of internal expectations. But it also showed us all that we need to continue to strive for improvement. The challenge to our young group is to measure themselves against the best in the competition. It will certainly be a focus heading into 2021.

At the end of every season, staff and players depart for various reasons. While we have retained nearly the whole squad for 2020, there are 2 departures that I'd like to acknowledge. Nick Kruppenacher has been our Senior physiotherapist since 2018. Nick has worked closely with the playing group to ensure they're ready for battle each week. We all wish Nick and his wife, Helen all the best with their first foray into parenthood.

As was announced leading into the last game, Jon Griffin has also retired. Big Griff has been an absolute warrior on the field across his career and a fantastic ambassador for East Fremantle on his journey through the Adelaide, Central Districts, Fremantle and Peel Football Clubs. Leading the club since his coming back in 2018, Griff has set a high standard on and off the field. We're hopeful of Griff being involved in some capacity in 2021.

Congratulations to the individual winners at our Best and Fairest night. Jarrad Jansen was a worthy winner of the Lynn Medal. Jarrad is an emerging leader who has only just scratched

the surface at League level. He will be a key component to our resurgence. 2nd place, Milan Murdock continues to improve and spent more time in the midfield this year. At only 20 years of age, the Rising Star winner has many great years of football ahead of him. Despite not doing a pre-season, Cody Leggett came in and had a consistent year to finish in 3rd place. His best football at half-back is still very much ahead of him. Jordan Snadden and Blaine Boekhorst rounded out the top 5.

Jakob Ah Chee took out the Reserves award, winning the Henry Jeffery Medal. A popular member of the squad, he won over the players and coaches with his fierce competitiveness. Reuben McGuire and Adam Sereda came 2nd and 3rd and both have bright futures should they continue to improve.

Finn Gorringer had an outstanding season in the Colts to win the Len Anderson award. 16 year old, Jed Hagan came in 2nd while skipper, Keanu Haddow, Josh Browne and Brandon Walker rounded out the top 5. We wish all the players eligible for the draft all the best and look forward to those that don't get picked going into the Senior program.

Special thanks to the army of volunteers that help make my job easier over the season. Garth Papparone, Neil Gardner, Graeme Porter, David Stark, Harry Summerfield, Nathan Aspinall, Ross Chappell, Charlie Ricciardo and Daniel Paull all played their role and it's greatly appreciated.

Thanks also to the Medical and Strength and Conditioning teams lead by Matt D'Aloia (S&C), Nick Kruppenacher (Physio) and Dr Ben Grant.

Kayleen Russell again led her merry band of trainers while Hannah Lewis (S&C), Sabrina Seitz (S&C) and Gabe Leone were valued members of the team.

Uldis Zile and Bruce Gaskin again ensured things ran smoothly on match day, thanks for your support and council. Brenton Boddington has become an important member of the Operations staff as he fills a number of roles across the week. Thanks to the coaches across all grades. Well done to Adrian Ricciardello on his first season in the Colts hot seat. In a challenging season, the Colts improved as the season went on which is a testament to the coaching. Thanks to Brenton Miller, Louis Cronan, Craig Anderson and Joe Comande who are important members of the Senior coaching team. Thanks to Senior assistants, Craig Smoker, Bradd Dalziell and Paul Sanzone for strong leadership in a tough year. Special thanks to Bill Monaghan, who has set the Sharks on the right path. Hard decisions needed to be made and you made them.

Thanks finally to the playing group. I have an unwavering belief in this group and I know we will get there. I can't wait for 2021.

2020 YEAR REVIEW - by Jarrad Jansen

The 2020 WAFL season was a season like no other. Nothing could have prepared our football club for what was coming. On the eve of our first scheduled practice match, we received the news that our game was cancelled and the start to our season was to be delayed. After completing four months of preseason training, the news was less than ideal. However, we understood that COVID-19 might just be larger than WAFL football.

From a football perspective, the unknown start date of our season or if we were to have a season at all, was difficult to deal with as we had to maintain as much of our strength and fitness from our preseason without an end date in sight.

After 10 weeks of not knowing whether a season would commence, we received the news that a shortened season was to begin in August, although, a one week suspension earned in the final round of 2019 would see me start in round two.

My role in 2020 changed from previous seasons as my minutes as an inside midfielder were reduced to allow me to spend more time playing as a key forward and second ruckman. The coaching group identified a missing link in our game after round three as

our small forwards were unable to find reward for effort after working into good positions around forward 50 contests. This triggered the change in my role and when Bill delivered the news to me, his message was simple – create a contest. I have always prided my game on being able to win and create contests so I made the most of the opportunity by being more physical in aerial contests and following up my work at ground level.

A secondary role as a backup ruckman was also assigned to me by Bill to relieve Jon Griffin of his duties. It was a role that I hadn't played since my junior playing days. With my experience in the midfield, I was able to play a hybrid role as a ruckman/fourth inside midfielder which gave us a different look at attacking the opposition in the centre square and around the ground. I have always played my football with a team first mindset and this allowed me to adapt to my new roles and have an impact on the game.

As a playing group, the challenges we faced throughout the preseason were none different to those faced by the eight other WAFL clubs. Our 1-7 win/loss record is extremely hard to accept as a senior player. We were unable to find reward in

the wins column for our improvement and development over the past two seasons. Near enough was not good enough as we fell short against three of the top four sides by less than one goal; and a fourth quarter fade out against Subiaco saw another opportunity missed.

Despite the tough losses, we have taken key learnings and great belief in knowing that we are able to match it with the top sides of the competition. It reaffirmed that we are tracking in the right direction as a playing group, and that our reward for effort is excruciatingly close if we stick to the process.

We have an exciting group of players who have added to their experience at league level; more young talent continuing to work hard to develop into league players; and a group of senior players that is committed to lifting and driving the standards required for success at this level.

On a personal note, I am extremely proud and humbled to have won the Lynn Medal for season 2020, however I am far from satisfied as we have been unable to find team success since my return to the club. I could not be more motivated and excited to attack the 2021 season to help our great football club return to where it belongs.

OUR PHOTOGRAPHERS

A big thank you once again to Phil Elliott (Pixell Photography) and his sidekick, Justin for all their work during the year. Phil takes hundreds of photos on match days; they travel to all games from Mandurah to Joondalup and everywhere in between and the Club couldn't be more grateful! He is always on hand to snap those action shots, spectator photos, guests at our luncheons and special club events and provides all the photos for the Annual Report.

Thank you once again Phil.

EFFC Facilities Update

- John Ipsen - Director of Strategic Projects

It is an understatement to suggest that this year has been an extremely challenging year and perhaps one that we will never again see in our lifetime.

Even with such a difficult year, the East Fremantle Football Club (EFFC) continue to gain traction around finding certainty for our future facilities. As reported at last years' AGM, we have engaged with the Town of East Fremantle (ToEF) to work in coordination with the development of the East Fremantle Oval Precinct.

The development of an Integrated Community, Sport and Leisure Precinct within the Town at the East Fremantle Oval precinct will provide significant economic, social and health benefits. This redevelopment is being actioned as a high priority project by ToEF.

East Fremantle Oval Precinct

Background - 2018-2019.

During this extensive consultation and co-design process, the community expressed strong support for upgrades to club facilities, passive recreation space for walking (including with dogs), general exercise activities, enhanced access to club sports and recreation activities. Interest was also expressed in adding a shed activity space, a fitness facility, casual shared-use hard courts, a nature play space, flexible outdoor community event space, a modest skate park, a function room / café and multi-purpose areas for performances

Business Planning.

In early 2020 the vision was developed and refined, in collaboration with expert consultants, to prepare a high-level **Concept Design** to support the drafting of a business plan and funding document.

Schematic Design.

Following the appointment of a Multidisciplinary Design Team (MDT), an **updated Concept Design** was released for community review.

The MDT are in the process of preparing a draft Schematic Design following a review of the public submissions.

The **draft Schematic Design** will then be open for public comment for a period of at least two weeks. The MDT will then finalise the **Building and Precinct Schematic Design** following their review of any additional feedback.

Summary

ToEF continue to be mindful of the significance of the project and its importance to the community. Consultation has been extensive throughout the process and to date community feedback has been overwhelmingly positive.

During the extensive consultation and co-design process, the community expressed strong support for:

- Upgrades to club facilities,
- Providing passive recreation space for walking (including with dogs), general exercise and other activities,
- Supporting active lifestyles through enhanced access to club sports and recreation activities.

In essence, with the EFFC committing to being a community organisation, the ToEF and the community in general have embraced the entire oval precinct. Whilst we wait for the final design, layout and cost, we are now in no doubt that with the public government support, this new facility is highly likely to be funded and built within a three year time frame.

Strategic Projects

In late 2019, we had the launch of the EFFC **Physical Environment Upgrade**. A document on recommended upgrades and improvements was completed with the clear aim of improving the physical outlook of buildings and surrounds.

For 2020, we initially intended to

complete 12 Physical Environments Projects, but have committed to and completed many more. Some of the key improvements this year were:

- Bitumizing of Car Park behind changerooms - **\$45,000** – Thanks to the ToEF
- Painting of entire Building(s) - Classic Contractors and Dulux. – Approximately **\$100,000** worth of paint and services.
- New Sound System in Main Bar - **\$14,000**
- New Partitions for Main Function Room - **\$5,000**.
- New Door for Players Entrance allowing access by FOB key - **\$10,000**.

All of these refurbishments were made possible by our valued sponsors, volunteers and supporters.

Another key initiative of the EFFC was the recruitment of the Leeming Senior High School Special Education students. A small group of students attended the Club every Friday to engage in horticulture projects around the club. The aesthetic improvement to our gardens along Moss Street is obvious and our many thanks go to the LHS and their students, a job well done!

Todd Shimmon and Leeming Senior High School Special Education students and teachers.

Debut Players

Cody Leggett

Debut 18 July vs South Fremantle

Recruited to the club after 63 League games with Perth, Cody made his Club debut in Round 1 against South Fremantle and played all 8 games for the season.

Playing mainly across Half Back, Leggett provided plenty of drive for the Sharks in 2020, finishing 3rd in the Lynn Medal and top 3 for the team in disposals, marks, inside 50s and rebound 50s.

Jordan Mills

Debut 18 July vs South Fremantle

Recruited to the club from West Perth, Jordan made his Club debut in Round 1 against South Fremantle and played 5 games for season 2020.

A dour defender, Jordan locked horns with some of the competitions best key forwards. A shoulder injury restricted his availability over the back end of the season.

Brodie Riach

Debut 18 July vs South Fremantle

Recruited to the club from the West Coast Eagles, Brodie made his Club debut in Round 1 against South Fremantle and played 5 games for the season.

Playing across the wing, Brodie averaged 10.8 disposals. He'll be looking for another big pre-season and continued improvement in 2021.

Durak Tucker

Debut 8 August vs Perth

Recruited to the club from the Sydney Swans, via Peel Thunder, Durak made his Club and WAFL debut in Round 4 against Perth and played 5 games for the season.

Playing as a versatile defender, Durak improved as the season went on and showed glimpses as to why he's going to be an important player for East Fremantle going forward.

Milestones

LEAGUE COACH'S REPORT

- Bill Monaghan, Senior Coach

Season 2020 certainly had its challenges with the long preparation and great uncertainty around whether a season would eventually get underway. Everyone from the WAFC through to the EFFC staff, support staff, coaches and players should be commended on the work they did in order for the season to go ahead with minimal disruption.

As a group it was a huge disappointment that we did not reach the goals we set ourselves in winning games and returning to finals action. On face value it certainly was underwhelming, however we continued to learn about our squad, developed strategies to help us going forward and for most part we were competitive without ultimately winning.

In 2019 the focus was clearly on being competitive through winning the contested ball and winning clearances, but we were off the pace with our ball movement and winning the outside ball. 2020 saw us focus more on our ball movement, increasing our possession count and controlling the ball through uncontested marking and whilst we made significant gains in those areas it was at the expense of improvement in the contested side of the game.

Our challenge now is to improve in all areas of the game – something I truly believe will happen

with hard work and total commitment to the cause. We, as players and coaches, can't rest or lose focus in what we are trying to achieve - which is to create an environment, a style of play and a team first mentality that will provide long term success for the EFFC.

There have been many honest discussions of where we sit individually and collectively, and there has been a commitment that we will work harder to achieve that success.

I would like to thank Football Operations Manager, Brad Dodd for his support throughout the year in what was a very challenging year. Assistant Coaches Paul Sanzone, Craig Smoker and Bradd Dalziell for the work they do in continually improving and developing our list. To all of the other staff in our Development Program, our match day staff, medical team, trainers and property guys thank you for your commitment and expertise.

2020 brings to an end Jonathan Griffin's illustrious career across the AFL, SANFL and WAFL. Griff is an outstanding person who always gives 100% effort 100% of the time, leads from the front and is absolutely passionate about the EFFC. It has been an absolute pleasure to have coached him over the last 2 years and whilst he will be missed on field, I am

certain he has a role to play in helping the next generation of East Fremantle stars.

Congratulations to 2020 Lynn Medallist Jarrad Jansen. Janno is everything that a coach could ask for in a player with his uncompromising attack on the contest or opponent with the ball, his selflessness to play his role and the high standards he sets for himself and those around him with his professionalism certainly makes him a worthy winner of the Lynn Medal. Like many on our list I'm sure he will continue to improve and play even better football in years to come.

A huge thank you to our members, sponsors, families and partners who continued to provide support for the club and players throughout 2020. It has been difficult for many businesses and individuals so to stay true and support the club has been very welcomed by the playing and coaching group. Whilst you may be disappointed with the win/loss column I believe that the work that has been done around the club both on and off the field will bear fruit in the near future. To quote Steve Jobs "If you look really closely, most overnight successes took a long time".

Look forward to your support in 2021.

OUR CHAMPION MEDALLISTS

LYNN MEDALLIST

JARRAD JANSEN

Jarrad followed up his Runners Up finish in 2019 by taking out the Lynn Medal for 2020. Playing in a variety of roles over the season, which saw him bounce between the Midfield, Forward line and Ruck, Jarrad was a model of consistency. Averaging 15.9 disposals, 2.9 marks, 4.3 tackles and 3.7 clearances, he always leads from the front, setting the standard with his competitiveness and attack on the ball. A member of the Leadership group, Jarrad will be a vital cog in the teams resurgence up the ladder. Jarrad was a thoroughly deserving winner of the Lynn Medal in season 2020.

HENRY JEFFERY MEDALLIST

JAKOB AH CHEE

A new arrival to the club in 2020, Jakob played all 7 games for the Reserves in 2020. He started down back, where his athleticism was noticeable, before he flourished when moved forward, kicking 8 goals. A popular winner, Jakob demonstrated considerable work rate and defensive pressure, leading the team for pressure acts. Having only played Amateur football until arriving at Shark Park, Jakob will be looking to continue his improvement in 2021 and push for League selection.

LEN ANDERSON MEDALLIST

FINN GORRINGE

Finn played mainly across half back. Plays tall and is a very good intercept mark and an excellent contested ball winner. He also played through the midfield at times and is extremely competitive and attacks the contest hard and has excellent leadership skills.

Finn will move to the Senior Programme.

Finn Gorringer, Jarrad Jansen, Jakob Ah Chee.

Blaine Boekhorst, Cody Leggett; Jarrad Jansen, Milan Murdock and Jordan Snadden.

RESERVES REPORT - Brad Dodd

Our Development program is something that we are committed to investing in. We see it as a key component to rising up the ladder. Over the past 10 years only Peel Thunder have won a League premiership when their Reserves team didn't make the finals. A strong Reserves creates a competitive environment, a cornerstone to any team success.

Our aim is to fast track the development of a potential 100 game League players. The challenge is to identify those players early and set them on the path of improvement. We do this by creating a Development Group within our Senior squad. Between 20-25 players are divided up amongst our development coaches. These coaches work closely with their players over the season, providing feedback, working on strengths and weaknesses and going through vision. It's an individual approach within the team environment.

Match day is where we get to monitor the improvement. We throw a lot of challenges to different players. At the breaks we encourage the players to drive the conversations. Can they think outside of their own game to provide feedback on the team performance? Our Reserves team was the youngest in the competition this year - a lot of our young guys are still trying to work it all out - so it was great to see the growth in this area.

Our program is still in its early stages but already we have seen improvement. The level of depth is building. Though the results at Senior level haven't come as quickly as we'd all like, they will. We will continue to look for ways to improve our program and challenge our players.

I'd like to congratulate Jakob Ah Chee for taking out the Henry Jeffery Medal for the Fairest and Best player for the Reserves. Jakob was new to the club this year and embraced everything we asked. He was one of those players that you would love to have as a team-mate - his level of competitiveness never waivers and he is driven to improve.

Runner up, Reuben McGuire had a great first season in the Senior program, getting close numerous times to a League debut. He was shifted all over the ground but looked most comfortable down back where he was able to drop off an intercept mark at a high level. I look forward to seeing Reuben play League football in 2021.

In 3rd place was Adam Sereda, who is a great example to our playing group about perseverance and dedication to improving his game. In 2019, Adam didn't make the Senior squad. Disappointed, he went away and worked on his game and was invited back to try again in 2020. He trained strongly over the pre-season and made

our squad of 55. Playing down back, Adam has always been an excellent one on one defender. This year he managed to drop off and impact more and started to find more of the ball.

Rounding out the top 5 were Matthew Burton and Cody Smith. Both had consistent years and will be looking to push for regular League selection in 2021.

I'd like to thank our Development coaches, Brenton Miller and Louis Cronan, for their efforts in 2020. Both managed to coach 2 games each, furthering their own personal development and have created strong bonds with the players. I'd also like to thank Corey Holmes, who stepped in and coached early in the season when it was unclear if he'd play. I'd also like to thank Brenton Boddington, who was an extra pair of eyes in the coaching box and monitored the stats. A big thank you to team manager, Bruce Gaskin, who is diligent and hard-working. Thanks also go to Senior Strength and Conditioning coach, Matt D'Aloia, Sabrina Seitz and Gabe Leone. Thanks to Hannah Lewis, who provided excellent support and looked after our GPS.

Lastly, thanks to the playing group for attacking the challenges of the season head on.

COLTS REPORT - *Adrian Ricciardello*

Well what a year we had! Starting all the way back in November 2019, we were about to embark on preseason training for a normal season. As a first year coach, I was excited to start and plan my first preseason program and implement things I learned under previous coaches.

Pre-season went well; we were fit and healthy, without too many injuries - only a few existing injuries from the previous year. Then in March, on the eve of playing our first scratch match, the season got pulled out from under us due to Covid-19. All of a sudden we were shutdown not knowing what was going to happen next.

From there, we then put a plan in place to ensure we had constant contact with the players. We had to take a mandatory 2 week break where we weren't allowed to contact or see the players. After that each coach was in charge of a group of players to keep in contact with while I was in constant contact with the leadership group. Initially it was fortnightly then it became weekly as we got closer to a start date.

Finally a start date had arrived, we were allowed to train in groups of 20 at opposite ends of the ground. Our 4 coaches, Andrew Stephen, Kane Lucas, Paul Mews and Paul Hansen all took a group of 20 while I was in the coaches box talking to Mark Pashby to relay my messages to them. We weren't allowed to do any contact training and had to keep socially distanced as best we could, pretty challenging to create drills and players to get something out of it but we managed it!

Jemma Bassi (our S&C) implemented a falling technique program that taught our players to fall properly and brace for contact, which was very helpful. We had to continue like this for 3 weeks which was 6 sessions in total.

Now we had finally got word that we could start training as a group and planning for preseason 2.0 started! The players, coaches and staff were all excited to finally be back as a group and we hit the ground running. We were now edging closer to playing practice games and excited to put into practice all of our hard work that we put in over a very long

preseason.

The season was finally upon us, albeit a shorter 8 game season plus finals and we were extremely excited to showcase our talent. We didn't start the season off all that well, we were 1-3 before our first bye with losses to South Freo, Peel and Perth with our only win coming against East Perth. The bye came at the right time for us as we knew we had 4 tough games if we wanted to play finals. We held a quiz night during the bye week to better bond the team ahead of a massive finish to the season.

After the bye we had games against West Perth, Claremont, Subiaco and Swan Districts. First up, an undefeated West Perth at Joondalup. We backed ourselves in and put in our best performance for the season and came away with a 22 point win. Next up, an undefeated Claremont side who we knew were going to be tough. Another fantastic performance as we came away with a 21 point win at home. A loss to Subi in round 8 was tough to take but we were a united group and knew we would bounce back. Swan Districts fielded their strongest team for the year against us in Round 9 and we had to win to play finals. It was the perfect game leading into a finals campaign as it was tough and hard, and we came away with a 10 point win to secure a finals berth against West Perth.

The week leading into our semi final was an exciting one, we made it about ourselves and were really united in taking any challenge on. That's exactly what we did coming away with a 19 point win to advance to a Prelim Final against the eventual premiers Subiaco. Although losing the Prelim by 62 points is not their way we wanted to finish our season there were plenty of positives to take away from such a tough year. We played 39 players across 10 games and the average age of our squad this year was 17.2 making us the second youngest side this year. Over half of the playing squad this year can play next year and make up the core of our squad. Exciting times ahead not only for us as a Colts program, but the club as we have some great talent coming through and I am extremely humbled and privileged to be able

to develop these young talented boys and give them understanding of what it means to play for our great club.

There are a fair few people involved in making this a successful program and I would like to thank all of them so here we go. Firstly, I would like to thank our talent manager Mark Pashby for the amount of support and confidence he gave me to run this program, I can't thank him enough for this year. To my assistant coaches, Andrew Stephen, Kane Lucas, Paul Mews and Paul Hansen for the work they put in throughout the year and the support they showed for me and the program, a massive thanks for that. Thanks to Jemma Bassi for the mountain of work she put in to ensure these boys were fit and ready to play and the relationship we built over the year will only get stronger. To Meg Fraser for running our rehab program and organising the trainers to ensure the boys could perform at their best, I thank her for that. To Brendan Lewis who did our GPS and also helped Jemma I thank him for the commitment he showed to our program. Our Physio Jordan Lake also put in a mountain of work and commitment to the program, thanks to him for that. Brenton Boddington for assisting with the organisation of the program and helping out was much appreciated. Thanks to Tom Branch our team manager for the work he put in. Also like to thank our runners for the year Andrew Browne and Jason Osborne for the support and enthusiasm they brought to the program and Rhys Jones for helping out on match days. Also to Rob Young for helping out our falls this season.

Thanks also to Bill Monaghan, Brad Dodd and the senior football program for the support you showed me and our program throughout the year. Thanks to our CEO, Todd Shimmon and the office staff for the support they showed for the program. Thanks also to our board of directors and in particular Adam Drake-Brockman for the support that they gave me and the program. To Ross, Harry, Starky and Nathan for the support and commitment shown this year, it was very much appreciated. Thanks to the past players for their support all year as well as Pam Mikus and Hoyts for sponsoring our game day awards, and also to the player parents - a big thank you. We would also like to thank the WAFC for their support.

To the squad this year, I can't thank them enough for their efforts in a tough year and they were an absolute pleasure to coach and watch grow into outstanding young men and footballers. Best of luck to the boys moving on next year into the senior program, AFL or wherever life leads them.

Again, it has been an absolute pleasure leading the younger generation of this great club and I am confident that we can go back to where we belong as a club, playing finals consistently and winning premierships.

Thanks.

East Fremantle AFL Players since 1987

Our club has had a long history of producing top level players over many years. The list below is of those recruited or drafted since the inclusion of the West Coast Eagles in 1987. The year shown is the year they were first listed on an AFL list. Some of those listed did not play a game but all have been on AFL club lists. Those marked ** were current AFL players for the 2020 season.

| Season | Name | Drafted by | Current Club | Season | Name | Drafted by | Current Club |
|-------------------|-------------------|-------------------|-------------------|-------------------|------------------------|-------------------|-------------------|

On and Off the Field

Life Members Lunch

WOMENS FOOTBALL - Darren O'Donnell

2020 has certainly thrown us some challenges and WAFLW season was no exception. After starting training in early January we eventually got a 7 week season underway in the middle of July. For the second season running EFWFC was the only club to have all 3 teams playing finals which under the circumstances was a great achievement.

The league team finished 3rd in the regular season and went on to win the first semi-final and then unfortunately lose the Preliminary Final to eventual premiers Peel Thunder. With restrictions on AFLW players availability it was a good effort and with a new crop of players stepping up to league ranks this year the club is in a good position going into 2021. Sharon Wong capped off another great season winning the Fairest and Best for the 3rd consecutive year.

The reserves had an outstanding season going through to the Grand Final undefeated but falling short in the Grand Final to lose to Claremont. Reserves had some youth girls from last year transition into senior football this year and it was great to see these young girls making an impact at senior level. Sofie McLean took out this year's Fairest and Best with second year player Hannah Brown taking out the WAFLW reserves Fairest and Best.

Our Roger's Cup youth girls were this year coached by Fremantle Dockers and East Fremantle Women's league player Gabby

O'Sullivan. There was a large turnover of players from last years team and with a squad of about 40, Gabby had a large talent pool to pick from. The youth girls finished 4th and were knocked out in the first semi-final. With so many new young girls the Rogers Cup are well placed for 2021. Lauren O'Connor, a new player to the club, took out the Fairest and Best.

The sustained success we have achieved over the past couple of years is driven by a dedicated group of skilled volunteers who work tirelessly to make the Club, in my opinion, the most professional well run club in the competition. Our Football Department was led by Steph Walding who has built a quality football support team, working to professional standards. Players have certainly noticed the difference in the support they receive and the expectations placed on them, and this has translated to sustained high results across the Club. In 2020, the football department consisted of:

Football Manager: Steph Walding

Head Coach: Nikki Harwood / Reserves

Coach: Chris Boulay / Rogers Cup Coach:

Gabby O'Sullivan

Assistant Coaches: Jenna Allomes, Simon Quayle, Ryan Miller, Will Dawson, Sam Pullman, Nathan Noakes and Damian Hodge.

Player Welfare Manager: Alyssa Tunzi.

Team Managers: Janet Seth, Dejana Marchelle and Glenn Congdon

High Performance: Matt D'Aloia

Strength & Conditioning: Prue

Dalton and Sabrina Seitz

Sports Trainers: Ashlen Fry, Elena Priest,

Karlien Van Wyk and Eva Keating

For a football club to achieve results on the field it requires resources and these can only be provided by the generous support of our great sponsors. To our major sponsors The Left Bank, PetraClean, Superior Smiles, Magic Kia and Salkilld Farm, your support has been greatly appreciated and has allowed us to remain the leaders in Women's Football. To our game day sponsors, Jewellery and Gift Emporium, Bicton Shop and Wash, Red Rooster, Armando Sports and The Richardson Family, the players thank you for rewarding them for their performances.

In addition to our Club sponsors, this year we endeavoured to find every player a player sponsor and while this was not achieved, we had over 60% of all players sponsored which was a great effort considering Covid-19. Thank you to our player sponsors.

Thanks to Mark Stewart and the Board, Todd Shimmon and board member Flora Furness for your continued support of the EFWFC. A big thankyou to the East Fremantle Past Players and Officials Association for their continued support of the EFWFC.

We are lucky to have a dedicated group of volunteers, in the football department, on

match days, and those on our committee who work tirelessly all year to ensure that the club is well managed and promotes our values and culture. This year the committee was Darren O'Donnell (President), Emily Wise (Vice-President), Ben Manifold (Secretary), Cobie Wise (Treasurer), Steph Sparke, Zoe Mottershed, Steph Walding, Cadian Lodge and Kelly Winter. Thank you to this group, and to all those volunteers who make our club great.

Congratulations to Nikki Harwood and Stephanie Walding who were awarded Life Membership of the East Fremantle Women's Football Club. Both Nikki and Steph have been outstanding contributors to the Club and women's Football and thoroughly deserve their Life Membership.

2020 Fairest & Best Winner – Sharon Wong.

MATCH DAY FOOTBALL LEGENDS

In 2000 the WAFL initiated a special match day football programme. Special footballs were to be made produced and used by clubs for their home games.

These footballs depict a player chosen by the club and considered to be a club legend.

East Fremantle's Match Day footballs are on display in the Centenary Cabinet in the Function Centre.

The 2021 Match Day Legend will be **RAY "OSCAR" HOWARD**

"Oscar", as he was known to all, played football from a young age representing WA in the State Schoolboy's Carnival in Hobart in 1950, aged 13. He was a nippy little rover who could weave his way through most packs, always had a great rapport with his ruckman and was an accurate reader of the play allowing him to be in the right position at the right time. Oscar's snap goal in the last minutes of the 1957 Preliminary Final to take the club he loved into the Grand Final and the Premiership were and still are part of the "Oscar story".

His dedication to the club saw him spend a great deal of time in a variety of coaching and management roles. During his years on the Board he was involved in Recruiting, Zone, Match and Social Committees as well as his work supporting the Colts teams.

EF District Football Report 2020

- **Jaxon Liddelow, WAFC Development Officer, East Fremantle District**

It has been a very tough year for football and the world thanks to COVID 19, but we persevered through. We would like to thank everyone who was involved with getting the 2020 season up and running. The District covers all aspects of the game from Auskick, Junior Football, School Football, Female Football, Senior Football, Coaching and Umpiring.

A big thank you goes out to all the Junior Clubs and the committees for being so resilient across the year, it has been a one-of-a-kind situation that we have all been put in. To have everyone working harmoniously together with the pressures we faced and still pull off a very successful season is amazing.

The junior competition for 2020 consisted of 11 games of football being played in the Fremantle Conference division (years 8 – 12) and the East Fremantle District modified division. The first 10 games were regular season fixtures with the 11th game being a grand final match between first and second on the ladder in Years 7 – 12. The Fremantle Conference staff delivered 22 grand finals over the Queen's birthday long weekend in September, with games being played on a Friday night all the way through to the Monday afternoon.

The East Fremantle District had 22 teams participate in the grand final long weekend.

The East Fremantle District Umpires had another amazing year in 2020, COVID 19 could not have stopped the continual growth of umpires in the region. Thank you to the manager David Gaynor and his fellow coaches for working together to continually grow the umpiring crew which exceed 170 umpires this year.

Thanks again for all the extra help you all did across this year, I cannot express my gratitude enough.

Finally, the last but most important thank you goes out to all participants and parents for sticking with the COVID 19 guidelines and making the 2020 season albeit a shortened season, but a successful season! We look forward to what adventures and challenges 2021 has in store for us.

PAST PLAYERS ASSOCIATION

- Noel Ireland

2020 has been a very trying year for all concerned and has presented us with many new challenges. Initially it was an on again off again scenario but due to Western Australia's isolation, decision making, low density population and good governance we have been rewarded with some football and normality.

The Past Players have been very fortunate that health wise we have managed through this period relatively well. Sadly Laurie Morrell and Brearley Hollingsworth passed away this year and we extend our deepest sympathy to the families. We have continued to run our breakfasts on match days and supply lunches for the Colts as in previous years. We have also continued to make cash awards to the Reserves and Colts at every game.

The above has only been possible through the support we have again received from our members. Donations received has helped provide the half time refreshments on match days. Donations by the Past Players this year include \$5,000.00 to the Football Club's "Go Fund Me" campaign, awards to the Ladies football and awards on Lynn medal night. We also continue to

Our hard working Past Players at the MND Drive Breakfast.

supply the breakfast for the Motor Neurone motor drive. A further donation of \$10,000.00 has been made to the club

Thanks again to Vi Fairclough for her cakes that we raffled at our Ham and Turkey day. This money was donated to the Motor Neurone Society.

Our heartfelt thanks to Harry Bovell and Colin Retallack for their assistance and to Rod Buttel, Barry Lawler, Peter Gibson and Matthew Lockton for their time on home game days, helping raise money through the gate raffles.

The association wishes to thank Malaga Print & Copy, Top Cut Foods, L M Poole, Culley's Tea Rooms and Signpost for their continued sponsorship.

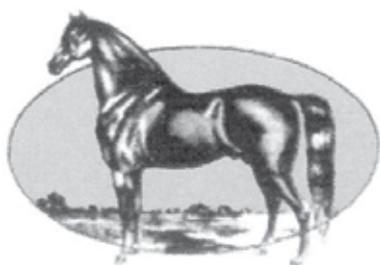

Thanks again to our Patron Matt Gill and Vice Patron Angelo Cuccovia, this support is greatly appreciated. To the "Grey Group" once again well done and it is a pleasure to have you on board.

I would also like to thank Todd Shimmon, his staff and the Board, in a difficult year.

To my committee thank you each and every one of you for your hard work this year and the total support you have given me.

Finally, as stated in last year's report this committee cannot keep on keeping on and unless we can attract some new blood 2022 may well be our final hurrah. We desperately need a new leader to take us into the future. Someone who is younger and can supply new ideas or directions for our organisation. The current committee is hard working but require some young blood to reinvigorate us. Please give this serious thought and speak to committee members to see how you can help.

In closing I wish you all good health and longevity and look forward to being part of the "Unite for the Blue and White" in the coming year.

Great Northern Football League Annual Report - *Mat Cook*

We were extremely fortunate to have some sort of season in 2020, given the challenges we faced due to Covid-19. Although it was a delayed and shortened season, it turned out to be a very successful year for the GNFL.

Also due to Covid-19, many clubs lost a number of players for various reasons, and several were struggling for numbers in the Colts, Reserves and Womens on a regular basis. Because of this, and the shorter season, last years agreement with the GNJFL for juniors to play up was suspended until 2021, and we saw an influx of Under 16s pulling on the boots in the Colts competition – some really great talent coming through for next year.

The competition started mid-July, instead of our usual April start, and the season consisted of 10 rounds plus finals. Round one began with only 4 out of 7 of the men's teams playing, the remaining three with a Bye.

Our GNWFL competition continued into its third season this year, finishing with a nail-biter of a Grand Final that only had one kick in it, resulting in Brigades defeating Chapman Valley by 3 points right on the siren. The level of skill in our women's competition has grown massively over the past three years and we are hopeful that they continue to build their skills in the years to come.

This year, the GNJFL also introduced a Youth Girls competition. So much talent was uncovered throughout the clubs and things are looking very promising for our GNWFL in the future.

With no country week or other carnivals to participate in, all clubs were able to focus on the GNFL competition and battle it out for the premiership flag. At the end of Round 10, Rovers sat in top spot for both League and Reserves, whilst Brigades and Chapman Valley were top of the ladder for Colts and Womens respectively - 3 out of 4 of the ladder leaders were undefeated for 2020, which is an amazing effort by all involved.

The JJ Clune Awards Night is always a highlight of the GNFL calendar, although this year saw some restrictions, due once again to Covid-19. With restricted numbers in attendance, this year we celebrated our best players, umpires and volunteers and gave them the recognition they deserve.

The vote count saw the 11th Rovers player in GNFL history, Tom Denton, to receive the JJ Clune medal with a 7-point victory over Railways' gun player, Ben Saunders. Denton won several other awards on the night, including the Geraldton Guardian Writer's Award and the Spalding Park Pro Coaches Player of the Year. Tom also won the West Coast Poly Player of the Year for the WACFL, which is a huge honour and very well deserved.

In Reserves, Northampton's Kasey Hasleby won by 6 votes, Colts saw Brigades' Brendan Cockman take out the President's Medal by 7 votes, and Towns' Aaliyah Jones took out the Women's Best & Fairest by just 1 vote in the last round over a tie for second by Jess Giudice-Nairn and Julia Teakle.

Other award winners for the evening were Richard Barlett (Chapman Valley), who won the Rising Star award, Mitchell Thompson (Chapman Valley), who won the East Fremantle Football Club Rookie of the Year, and Stephen Trent (Rovers), who won the Volunteer of the Year award.

The week before the Grand Final proved stressful to all involved – extra hand hygiene stations, social distancing measures needed to be put in place and a whole heap of Covid-19-related paperwork was required so the day could go ahead. The day arrived and was a huge success, with a huge crowd of over 2500 people coming through the gate.

With an early start for Colts, we saw the top two sides, Brigades and Rovers, go into battle. Brigades were strong from the very first bounce, walking away with a 53-point victory, with the President's Best on Ground Medal awarded to Luke Kanny.

In the Reserves, Chapman Valley played Northampton, and the Valley took out their very first Reserves Premiership in the clubs' history, defeating Northampton by 38 points. Valley's Jay O'Brien was awarded the Charlie Comeagain Medal for Best on Ground.

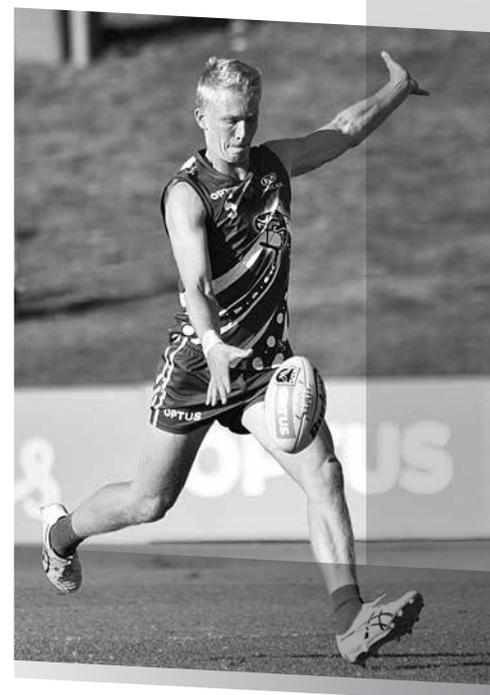

The League game was a tough one to call, with Rovers really digging their heels in during the first half Railways struggled to keep up. During the third quarter, Railways managed to find their feet and kept Rovers to only 2 points for the quarter. In the last quarter Railways

had their eyes on the prize, making an astonishing comeback only to lose in the last few seconds of the game by 1 goal. Although Rovers were victorious and back-to-back champions, it was Railways player, Tristan Simpson, who took out the Geraldton Guardian Best on Ground on the day – a truly tremendous effort and really well deserved.

Bring on 2021!

Michael Wright.

Max Murphy.
