Not the Started Requested

After the long awaited start to the Men's season the results have not been what was expected. Having had a Covid free season in 2021, the opening of WA's hard borders has created havoc amongst the WAFL Clubs, with Swans been no exception. The Men's squads in particular have suffered the most.

Women's Football

After loses to the top of the ladder East Fremantle and second placed Claremont in Rounds 8 and 10 respectively the League side bounced back to win against newcomers West Perth in Round 11. They still sit third after round 11 with a 5/4 win loss ratio. The Reserves have also had loses to the top of the ladder Claremont and second placed East Fremantle in Rounds 8 and 10 respectively and after a bye Round 11 sit third after round 11 also with a 4/4 win loss ratio. The young Colt's girls are not fairing so well and have not had a win Round 6, although they have been knocking on the door with narrow losses. After round 11 they still sit sixth with a 2/7 win loss ratio.

Men's Football

It has not been the start that was anticipated with the Men's League side. Expectations were high going into Round 1 against East Perth but after a tight tussle all day the Royals held on to win by 4 points. This made the Round 2 clash at home against East Fremantle a crucial match. Unfortunately Mr Covid struck on morning of game day with the League losing 5 players to Covid protocols. This meant a re-shuffle of all three sides and it was going to test the depth of the playing list. Things were looking promising with Swans going into the half time break 26 points up. Unfortunately Swan's seemed to run out of legs in the second half and with the Sharks kicking 8 goals to 2 in the last half to take the win by 9 points. With two losses to start the season the Round 3 clash against Perth at Lathlain was a must win. With more players going down to Covid protocols and some returning, the depth of the playing list was again going to be tested. After a slow first half Swan's slowly pegged back the Demons to be just 5 points down at three quarter time. In what was a tense see sawing last quarter the goal kicking accuracy of Swan's was the ultimate deciding factor coming home with their first win of the season by 5 points. The next three games will be tough facing Claremont at home, Subiaco in Kalgoorlie and South Fremantle at home respectively over the next 4 rounds.

The Reserves had a good start to the season with a comfortable 38 point win over East Perth in Round 1 but the effects of the Covid re-shuffle saw them go down to both East Fremantle, Round 2 and Perth, Round 3. The Colt's have not had a good start to the season losing all three matches, although they have been knocking on the door with narrow losses in Rounds 2 and 3.

Integrated Football

The Integrated season kicked off after the League game against East Fremantle on Saturday 23rd April. It was Swans first game in the Integrated competition, coming up against seasoned campaigners Curtin University Wesley. It was always going to

be a challenge especially when you are undermanned but the team battled through and all can be proud of their efforts. Round 2 saw them take on Fremantle CBC at Kardinya. With a near full side Swans went into three quarter time 3 goals up but injuries to two key players in the second term took its toll in the last and Fremantle kicked a late goal to take the win. An impressive effort regardless.

April Dinner Meeting

- **W**omen's League coach Adam Dancey talked about his passion for women's football. He has a 12-year-old daughter so wants to put a pathway in place for her and other young girls. Had 120 players last year, with threatened removal of reserves, now 90 players, so about 50-55 Senior Players. He noted that it had been a tough start to the year due to the loss of Senior players to the AFLW and other Clubs. He thanked the Swansmen for the renovation to the Women's Office under the stairs.

- Newly appointed Co-Captain Brandon Erceg and young League ruckman Matthew Germs gave an insight into their football journey.
- The Guest Speaker for the night was Tim McLernon. Tim is the general manager and co-owner of hospitality business Three Pound Group, which runs Perth venues including The Stables Bar, The Reveley and The Camfield. Studied Political Science at University. Started in the Pub game as a 17yr old as a glassman. Worked 13yrs at IMF. Legend in the Pub game Pat Kenny gave him his first job in Pubs. In 2013 wanted a pub so with Tony Buhagiar and Tim Gepp started the Stables in the City. He noted that Pubs are 80% Location. In hindsight he stated that purchasing the Reveley was a risky thing to do but came up with festivals within the area. 3 Biggest events at Camfield – 2021 Grand Final/Melbourne Cup/Bledisloe Cup.
- The dinner raffle was drawn by Tim McLernon with Graeme Higgins taking out the prize.
